## The perfect brush combination for your creative project - our **BRISLEX Extension**

---

*Hobby brushes are the heart of every creative project.  
Whether you are an experienced artist or a beginner,  
choosing the right brush is always an important factor.*

# THE IDEAL BRUSH FOR EVERY PAINTING-TECHNIQUE

Use our BRISLEX brushes to **bring your projects to life with endless creativity.**

They are **user-friendly** and **suitable for a variety of media**, including acrylic, watercolor, and oil paints, as well as for **craftwork with adhesives or varnishes.**

## THE BRUSHES

Our brushes are made from **high-quality synthetic BRISLEX fibers**, known for their **durability**, and are equipped with an **elegant, nickel-plated ferrule**. The **bright green handle** not only provides an **attractive look** but also ensures a **comfortable grip**.

---

# Diversity that inspires!

Discover our wide range of brush types.

Each brush has its own strengths and is ideal for different techniques!

*Flat Brush 9111 - Ideal for painting large areas and sharp edges.*

*Round Brush 9115 - Perfect for details and precise lines.*

*Filbert Brush 9118 - An elegant shape that combines the advantages of round and flat brushes, making it excellent for smooth transitions.*

We also offer a **great selection of sizes**, from **thin to thick** and **narrow to wide**.

*All brush shapes are available in sizes 2, 4, 6, 8, 10, 12, 14, 16, 18, 20, and 24.*

*We are happy to produce the brushes with **shorter handle lengths** for you as well.*

---

## CARE & DURABILITY

The lifespan of your BRISLEX hobby brushes greatly depends on proper care.

After each use, they should be thoroughly cleaned to maintain their high quality.

More about brush  
care...

*Overall, hobby brushes are not just tools  
but your creative companions!*

Whether you are delving into the **fine nuances** of a work of art or exploring the **vastness** of a **large-scale craft project**, our **exquisite selection** of brush shapes and sizes offers the perfect tool for every creative vision.

*Choose the **ideal brushes** and unleash your **imagination** -  
there are no limits to your **creativity**!*
