Auf den nachfolgenden Seiten finden Sie alles, was Sie für Ihr nächstes Kreativprojekt brauchen.

Mach dir was Schönes!

Die Geschichte History

Alles begann in Japan. Bei einem Skilehrer-Austausch in Hachi-Kogen, Hyogo, wurden die ersten myboshi-Mützen von den Gründern Thomas Jaenisch und Felix Rohland gehäkelt. Zurück in Deutschland entstand ein regelrechter Hype um die bunten Mützen, der sich nicht mehr aufhalten ließ und die Handarbeitsindustrie revolutionierte.

Everything started in Japan! On a snowy day in Hachi-Kogen, Hyogo the crocheted boshi-beanie was born. Back in Germany, the colorful hats of two male students became more and more popular, inspiring a traditional craft to a new and modern target group.

2009

Die Idee von myboshi war geboren: bunte, individualisierte Mützen für alle!

The start of myboshi: colorful crocheted hats for everyone!

2010

Häkelomas wurden engagiert, um die zahlreichen Mützen zu häkeln.

Individual hats are created and produced by "crocheting-grannies".

2012

Die myboshi Handarbeitsbücher stürmen die Bestseller-Listen!

The myboshi crocheting guide became the most sold handcraft book of all time!

2014

myboshi wird für den Deutschen Gründerpreis in der Kategorie "Aufsteiger" nominiert.

myboshi was nominated for the German Founders Award for outstanding businesses.
