

# RENTALL

YOUR EQUIPMENT SUPPLIER IN EUROPE & MIDDLE EAST

LIGHT | VIDEO | SOUND | RIGGING

Dear relation,

Hereby, our new catalogue.

Rent-All is one of the most versatile rental companies in Europe. From our offices in Belgium, Germany, Switzerland, Spain and the Netherlands we supply light, sound, video and rigging materials for professional use.

For almost 30 years, Rent-All is the one-stop AV supplier for every rental company, event, organizer, producer and productions in theatre, television, live entertainment, festivals and corporate events.

What distinguishes us from other companies are our large volumes, versatility and the up-to-date materials, reliability, flexibility, quality and competitive prices.

In addition to materials, we also offer additional services and personnel support. We have an extensive fleet and an innovative technical service. Combined with a continuous investment in new products and techniques, we always have a suitable solution for your needs. Due to these ongoing investments, this catalogue will soon no longer be complete. Please check [www.rentall.eu](http://www.rentall.eu) regularly for an up-to-date overview of our most recent equipment, offers and catalogue.

From our offices we are at your service in a professional manner. Our young, flexible and motivated team with extensive knowledge is at your service. If you would like more information, please do not hesitate to contact one of our account managers.

Kind regards,

Your Rent-All team

## Long-term lease

Rent-All is a specialist in offering long-term lease contracts. Many rental companies and venue's have already profited from our specialised knowledge in this field. For this reason we offer many diverse custom-made solutions. These solutions are comparable to operational lease, based on special offers where price depends on requested equipment and duration of the contract. The result is a profitable lease price and a comprehensive cost structure. You will also have the option to change equipment if desired, so that you will always have the latest equipment required.

Please contact one of our account managers for more information.

## Technical service - 24/7

Rent-All's technical service is one of our company's spearheads. Our technical service is not only responsible for maintenance purposes, they also modify new equipment to make it even more reliable for rental purposes. The department also develops and manufactures unique solutions for rental and special projects. This allows us to offer unique solutions to problems that might arise. Our 24/7 service is always prepared to take action should a problem arise with our equipment. We always have access to a large supply of spare material and our transport is also operational 7 days a week.

## Transport

Logistics is of major importance for Rent-All. An efficiently loaded truck saves a huge amount of time on location. Through an extensive fleet of cars that consist of delivery vans, lorries and truck trailer combinations, Rent-All is capable of organizing the right transport from and to your location against profitable rates.

The CLF Poseidon series features extreme light output which enables heavy mid-air effects. Protected against moisture and dirt, the Poseidon series consist of must-have fixtures with a good value for money. Equipped with a 400W long-life light source, the fixtures are able to perform up to 6000 hours, which immensely increases its value. The elegantly shaped housing is equipped with special motors that enable unsurpassed fast and precise pan and tilt movements. Additionally, the sophisticated housing eliminates dust in the optical path and is easy to service.

## THE INFORMATION WE NEED

### Dates of handling

- Please provide us with the dates you mean to pick up and return equipment. Note: Equipment will be available for pick up after 13:00 am and will have to be returned before 11:00 am.
- In case you opt for transport by Rent-All we will need dates and times for pick up and delivery as well as an address.
- Please provide us with the dates of rehearsal, program and show dates.

### Equipment

- Specify what equipment you need. Please provide type, amount and/or lenght.
- Specify which cables and accessoires you need.

## THE OFFER YOU GET

### Offer

- This contains a price calculation without reservation of any equipment so that changes can still be made.

### Option

- This offer contains a price calculation and an option period of one day. Changes and longer option periods can be discussed with your account manager.
- When the option period expires, equipment will no longer be in option. Options set 5 days before pick up will not be accepted.

### Order

- Once you approve an offer, sign it and return it to us by email. After we have confirmed, whether before or after the expiration date, your order will be binding.
