IAPMO OCEANA

IAPMO Oceana is part of The IAPMO Group, which was started by a small group of Los Angeles plumbing inspectors in 1926.

The association has grown greatly since that time and is now truly international, with offices, and product certification clients all over the world. The primary focus of the organisation is to promote safe sanitary plumbing for public health and safety. The history of IAPMO in many ways reflects the history of plumbing.

"We listen, and can help"

INTERESTING FACTS

70% of the Earth's surface is covered by water

Only 2.5% is Fresh Water

Only 0.77% is easily available as Potable Water

WaterMark Scheme

We certify plumbing and drainage products to use the WaterMark™ symbol to meet regulatory requirements to Australian and international standards in accordance with the Plumbing Code of Australia.

What to Expect

"By choosing IAPMO Oceana as your WaterMark™ Conformity Assessment Body, you will not only be choosing a long established, reputable organisation that has arguably the most experienced and competent technical staff of any other WaterMark™ certifiers; you will be choosing a partner that will be able to provide your company with the most professional and expedient product certification service in Australia.

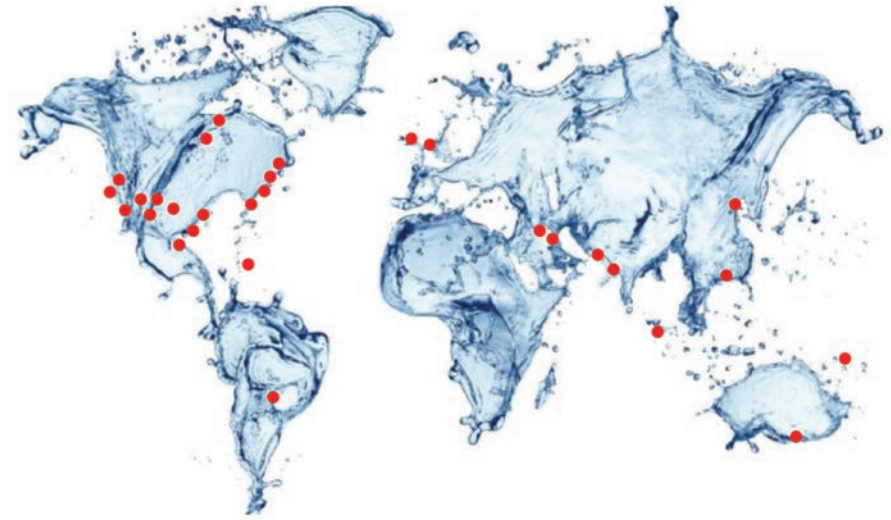

IAPMO Oceana will allocate a dedicated WaterMark™ Client Manager to assist your company in achieving WaterMark™ certification in the shortest possible time, allowing you to deliver WaterMark™ certified products to your customers and the marketplace. With our worldwide network of IAPMO offices and experienced WaterMark™ factory inspectors, IAPMO is able to service your WaterMark™ needs, setting a benchmark in the Plumbing Product Certification Industry."

About The WaterMark Certification Scheme

WaterMark™ is a certification trademark and used in relation to water supply, sewerage, plumbing and drainage goods.

The application of the WaterMark™ logo on plumbing and drainage products is a requirement under various Australian state regulations and the Plumbing Code of Australia. The WaterMark™ is applicable to products manufactured both locally and overseas.

IAPMO Oceana is accredited by JAS-ANZ to conduct assessments leading to product certification and has been approved to grant WaterMark™ licences.

**Choose IAPMO Oceana,
and you are choosing
our worldwide presence and
reputation for excellence**

Marking

The WaterMark™ is a registered TradeMark of the Australian Building Codes Board who have approved IAPMO Oceana as a WaterMark™ Conformity Assessment Body. IAPMO Oceana then grants our clients authorisation to mark the product with the WaterMark™ logo. For most applicants, the shape and styles of the WaterMark™ are shown below:
