UNICO in elegance and practicality. Here is the new ALBA basket strainer that gives a modern and exclusive look to your sink.

The new basket strainer UNICO has a larger, integrated knob, created in the strainer itself, making it easy to grip so that UNICO is easier to handle. Thanks also to the capacious and radiant design, UNICO is easy to clean and simple to use.

Adaptable to every type of sink and to all ALBA series, UNICO is available in the manual and automatic versions in well-polished and satin finishes.

Give your sink a UNICO style.
