portal

#eumarportal

when was the last time you  
entered a bathroom which  
took your breath away?

Do you want to make your property memorable enough that people simply have to tell others about it?

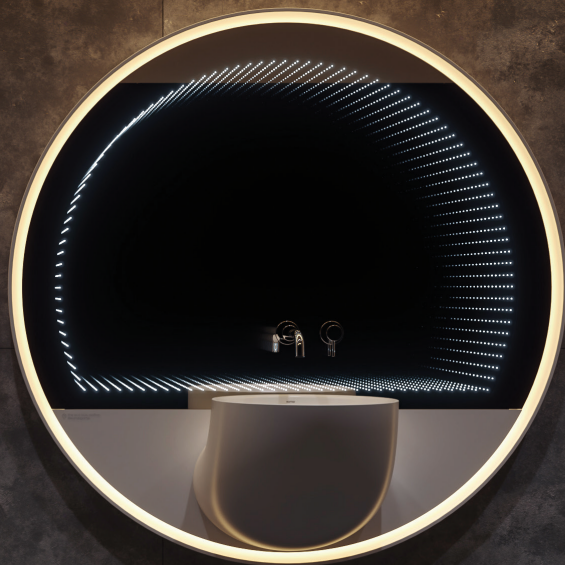

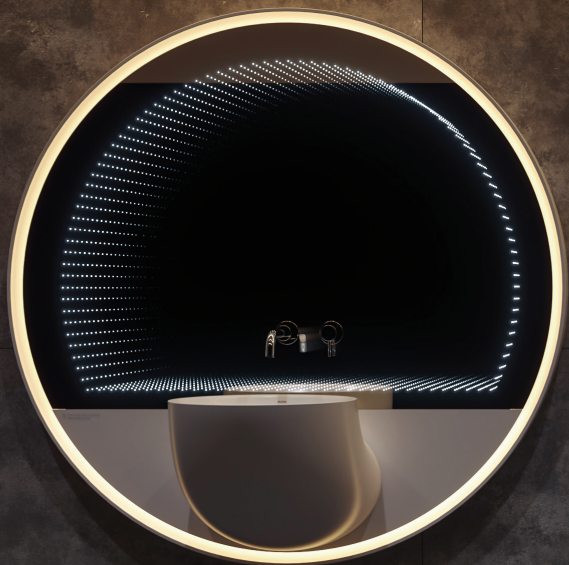

Then Portal is meant for you - the futuristic design that inspires users to become storytellers

# the portal

We present a visionary new version of the washbasin - a revolutionary concept, unlike anything the world has ever seen. the portal is an entrance to another dimension and will become the focal point of not only your public bathroom space but of your whole property

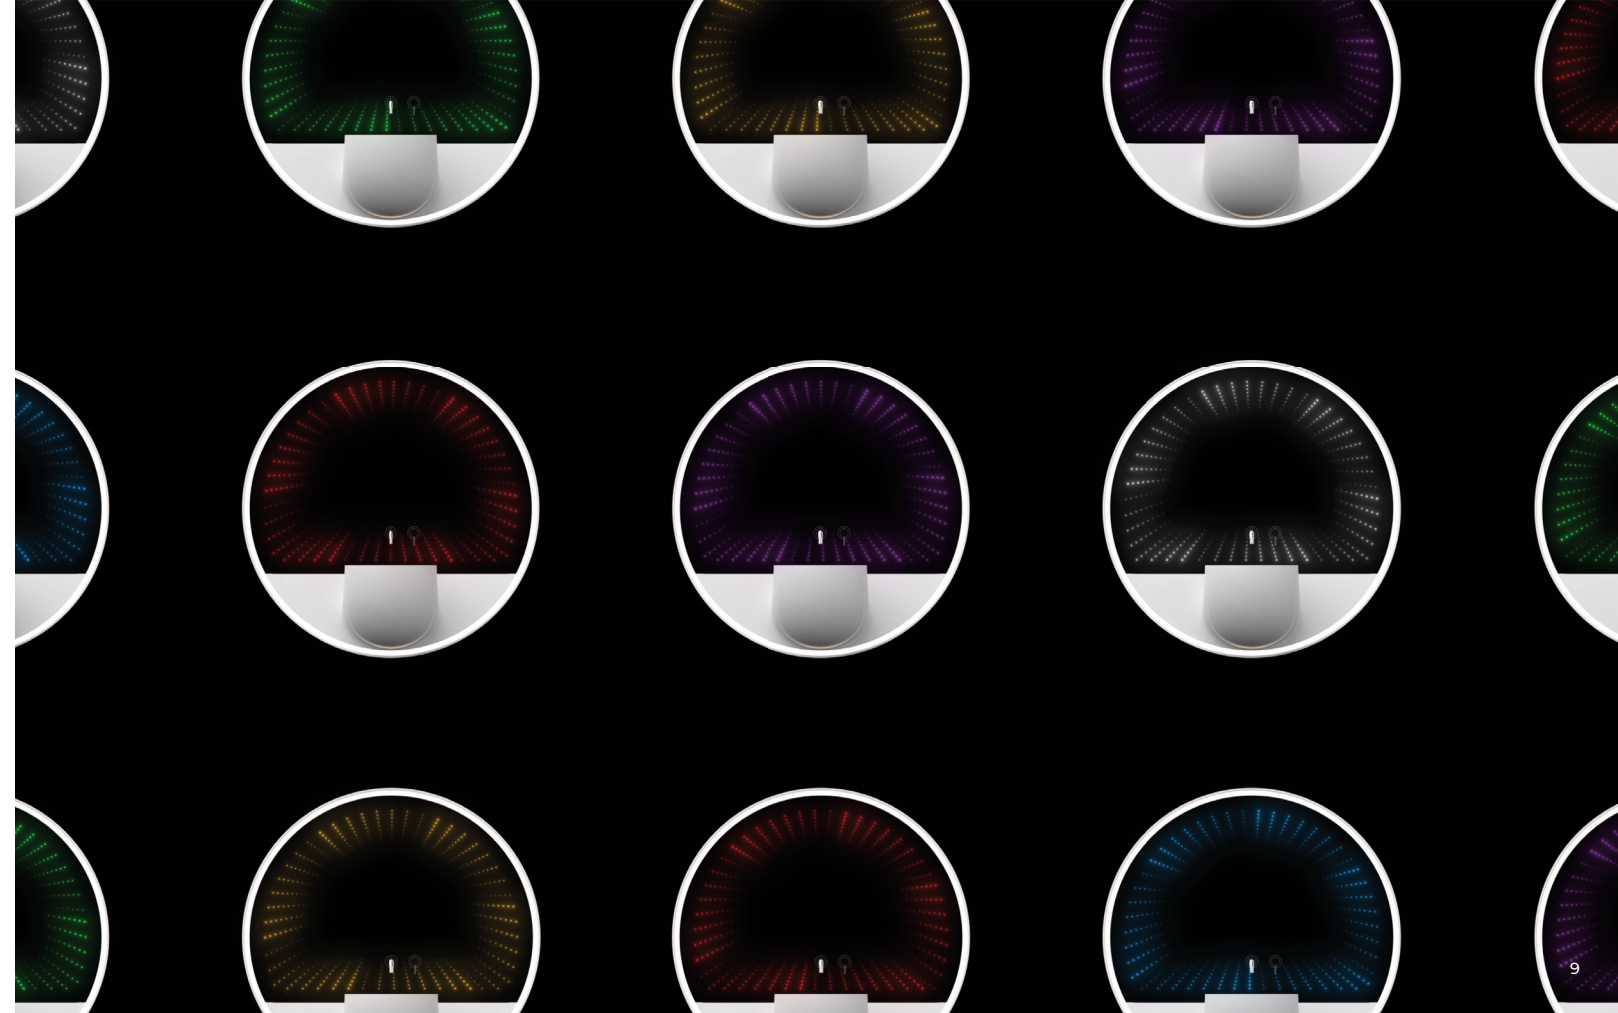

## step into another dimension

An elegant floating washbasin set in a huge round mirror with extravagant and inviting illumination. the end product is a design that looks like a portal to another dimension, inviting the onlooker to step through and forget everything they know about bathroom design.

## mesmerizing beauty

Multi-Coloured lights swirl and dance in a brilliantly interactive performance that will charm and entice onlookers. The portal washbasin is a warp gate which transports you to a completely different world, one of inspiration and magic. This is a design that demands to be shared and will awaken the storyteller in all who see it.

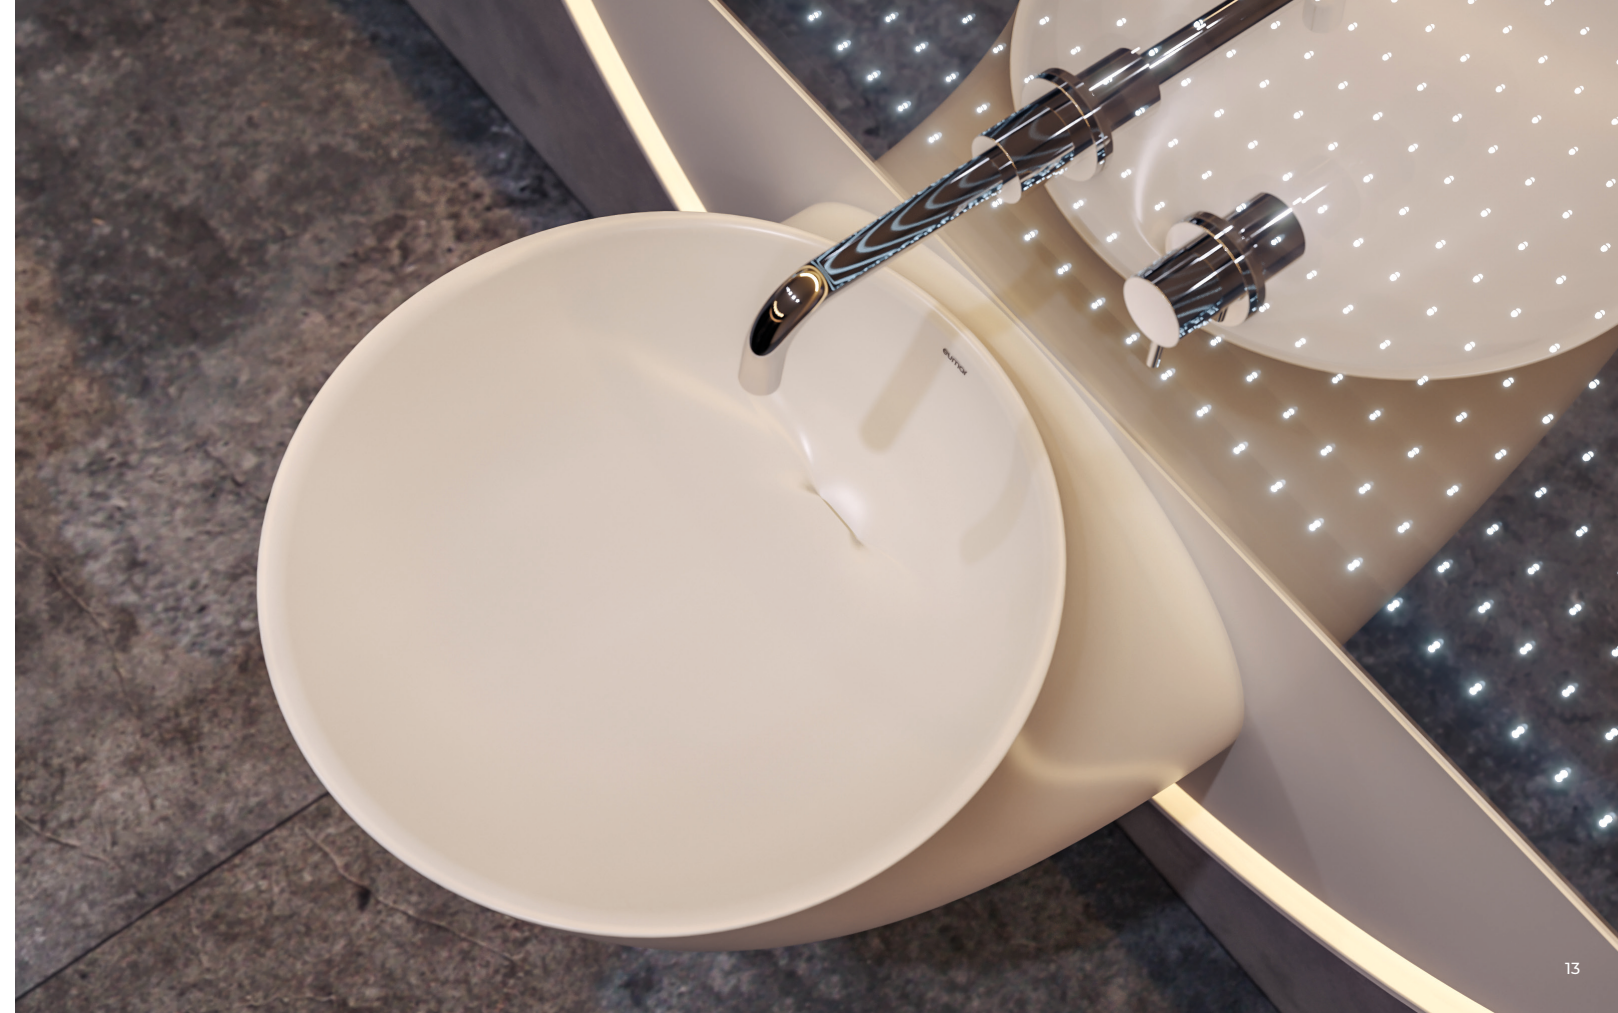

# make your bathroom a social event

The portal is the washbasin specially designed for the social media age. Turn your bathroom into a selfie magnet and let your visitors spread the word about your business to their social circles. Strategically placed location and hashtags will connect you to the global #eumarportal network.

## a new era in bathroom design

The portal is a quantum leap in the evolution of Eumar product range - fascinating the viewer with its genius and timeless simplicity and making every bathroom a special place, worthy of sharing. turn your bathroom into a powerful social media marketing tool by entertaining and awing your guests.

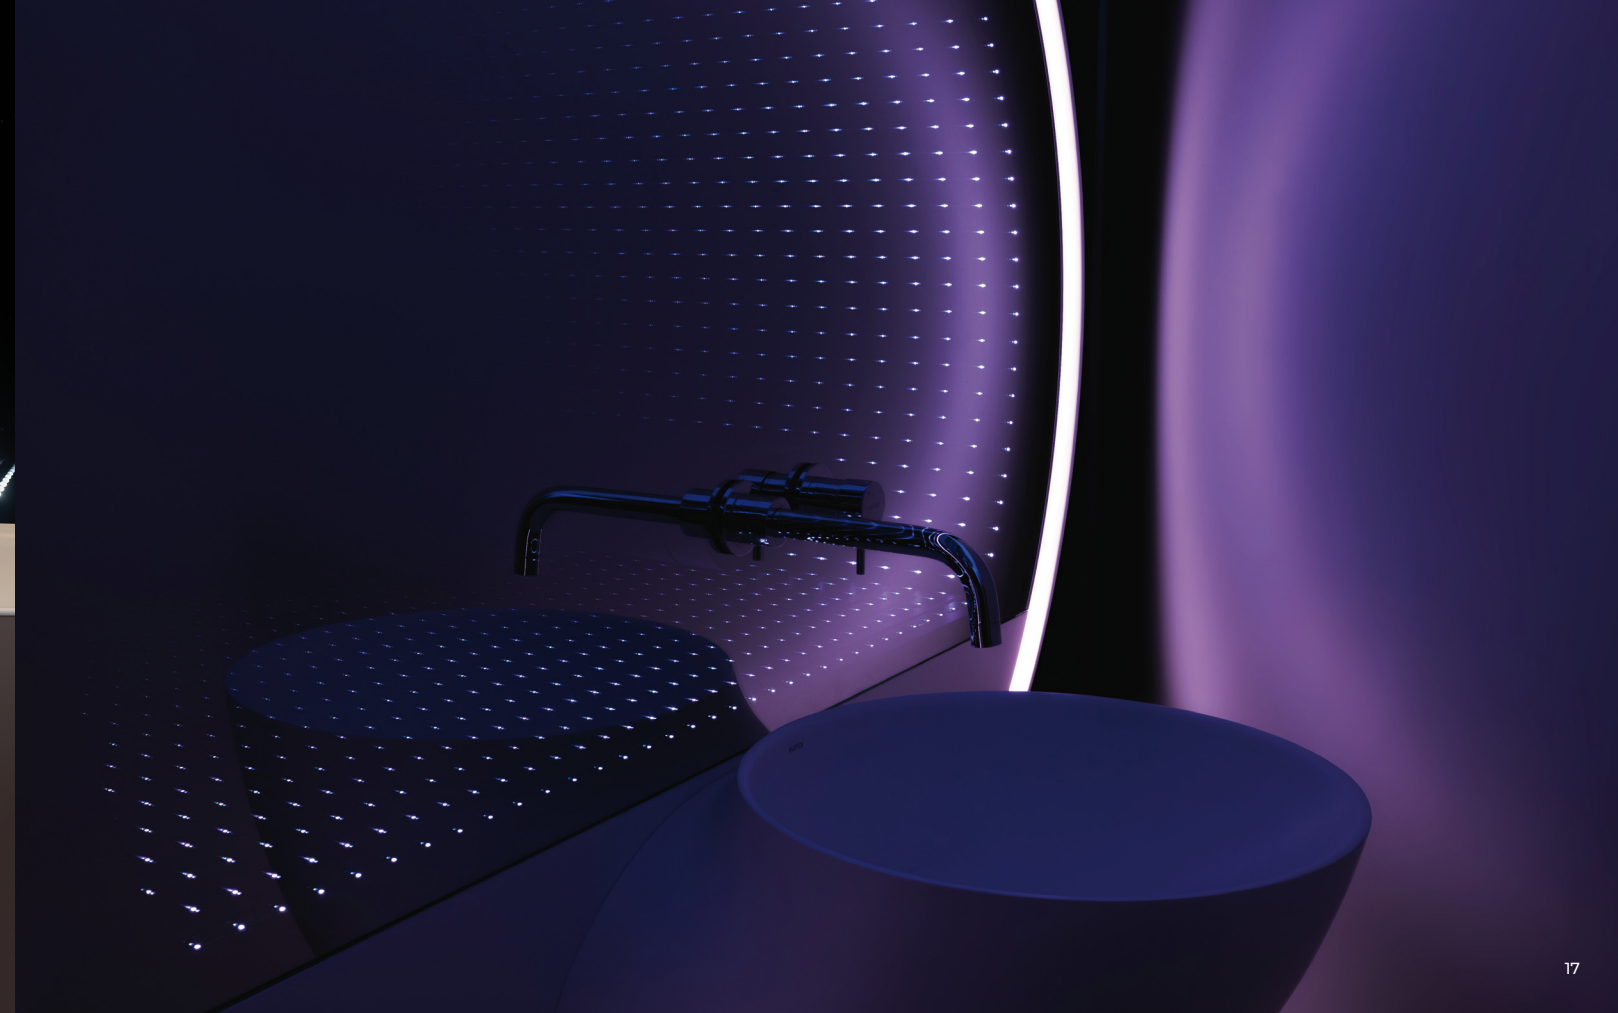

## where will your portal go?

Perfect for cruise ships, hotel lobbies, administrative buildings, shopping malls, restaurants, and nightclubs, the #eumarportal is truly one of a kind. change the way people talk about your location and tap into the global love of storytelling with the world's first washbasin designed for the selfie generation.
