THE ACQUAVIVA FAUCETS 2022

50 YEARS OF WATER CIVILIZATION

“Combining Style and luxury, Acquaviva’s faucet collection 2022 is designed to rejuvenate your bathroom, and make it breath-taking”

ACQUAVIVA

THE ACQUAVIVA BATHTUBS 2022

“Our latest Acquaviva bathtubs are designed to reflect your finest taste for style, luxury and beauty”

ABOUT US FROM THE CHAIRMAN

Technocrat from IIT (D)

"Acquaviva, is built on the platform of highest quality standards, aesthetics and with the intent of providing world class products, it has become undisputed leader in the bath fittings category."

Acqua-viva started its journey from the inception of the brand DRIPLESS. With a vision to be a global leader of complete bathing solutions, we value customer expectations that inspire us to develop products that delight the customers. Since its inception, Acquaviva has diversified into various verticals like sanitary ware, wellness products, and faucets. It has been at the forefront of developing European technologies to adapt with Indian Plumbing system in the past 5 decades. As a one window solution, Acquaviva offers high quality products, design consultancy and post customer care. Functional and practical design for Indian market is what makes Acquaviva a leader in this segment.

Exclusive designs, latest technology & customized solution as per customer own requirement. Acquaviva has made its

position in the market by creating a satisfied customer base with its innovations.

Our aim is to offer most advanced & safe technologies to provide the best customer appearance.

Acquaviva's products provide a great experience with their high quality and high performance. Our in-house award winning design team is well integrated in its approach and helps to produce world-class bath solutions. Our state-of-the art manufacturing units are backed by a world class testing lab. That's why Acquaviva bathing solutions conform to the highest quality and regulatory standards. Acquaviva's passion for perfection reflects in the 10 years of warranty it extends on its bath fittings.

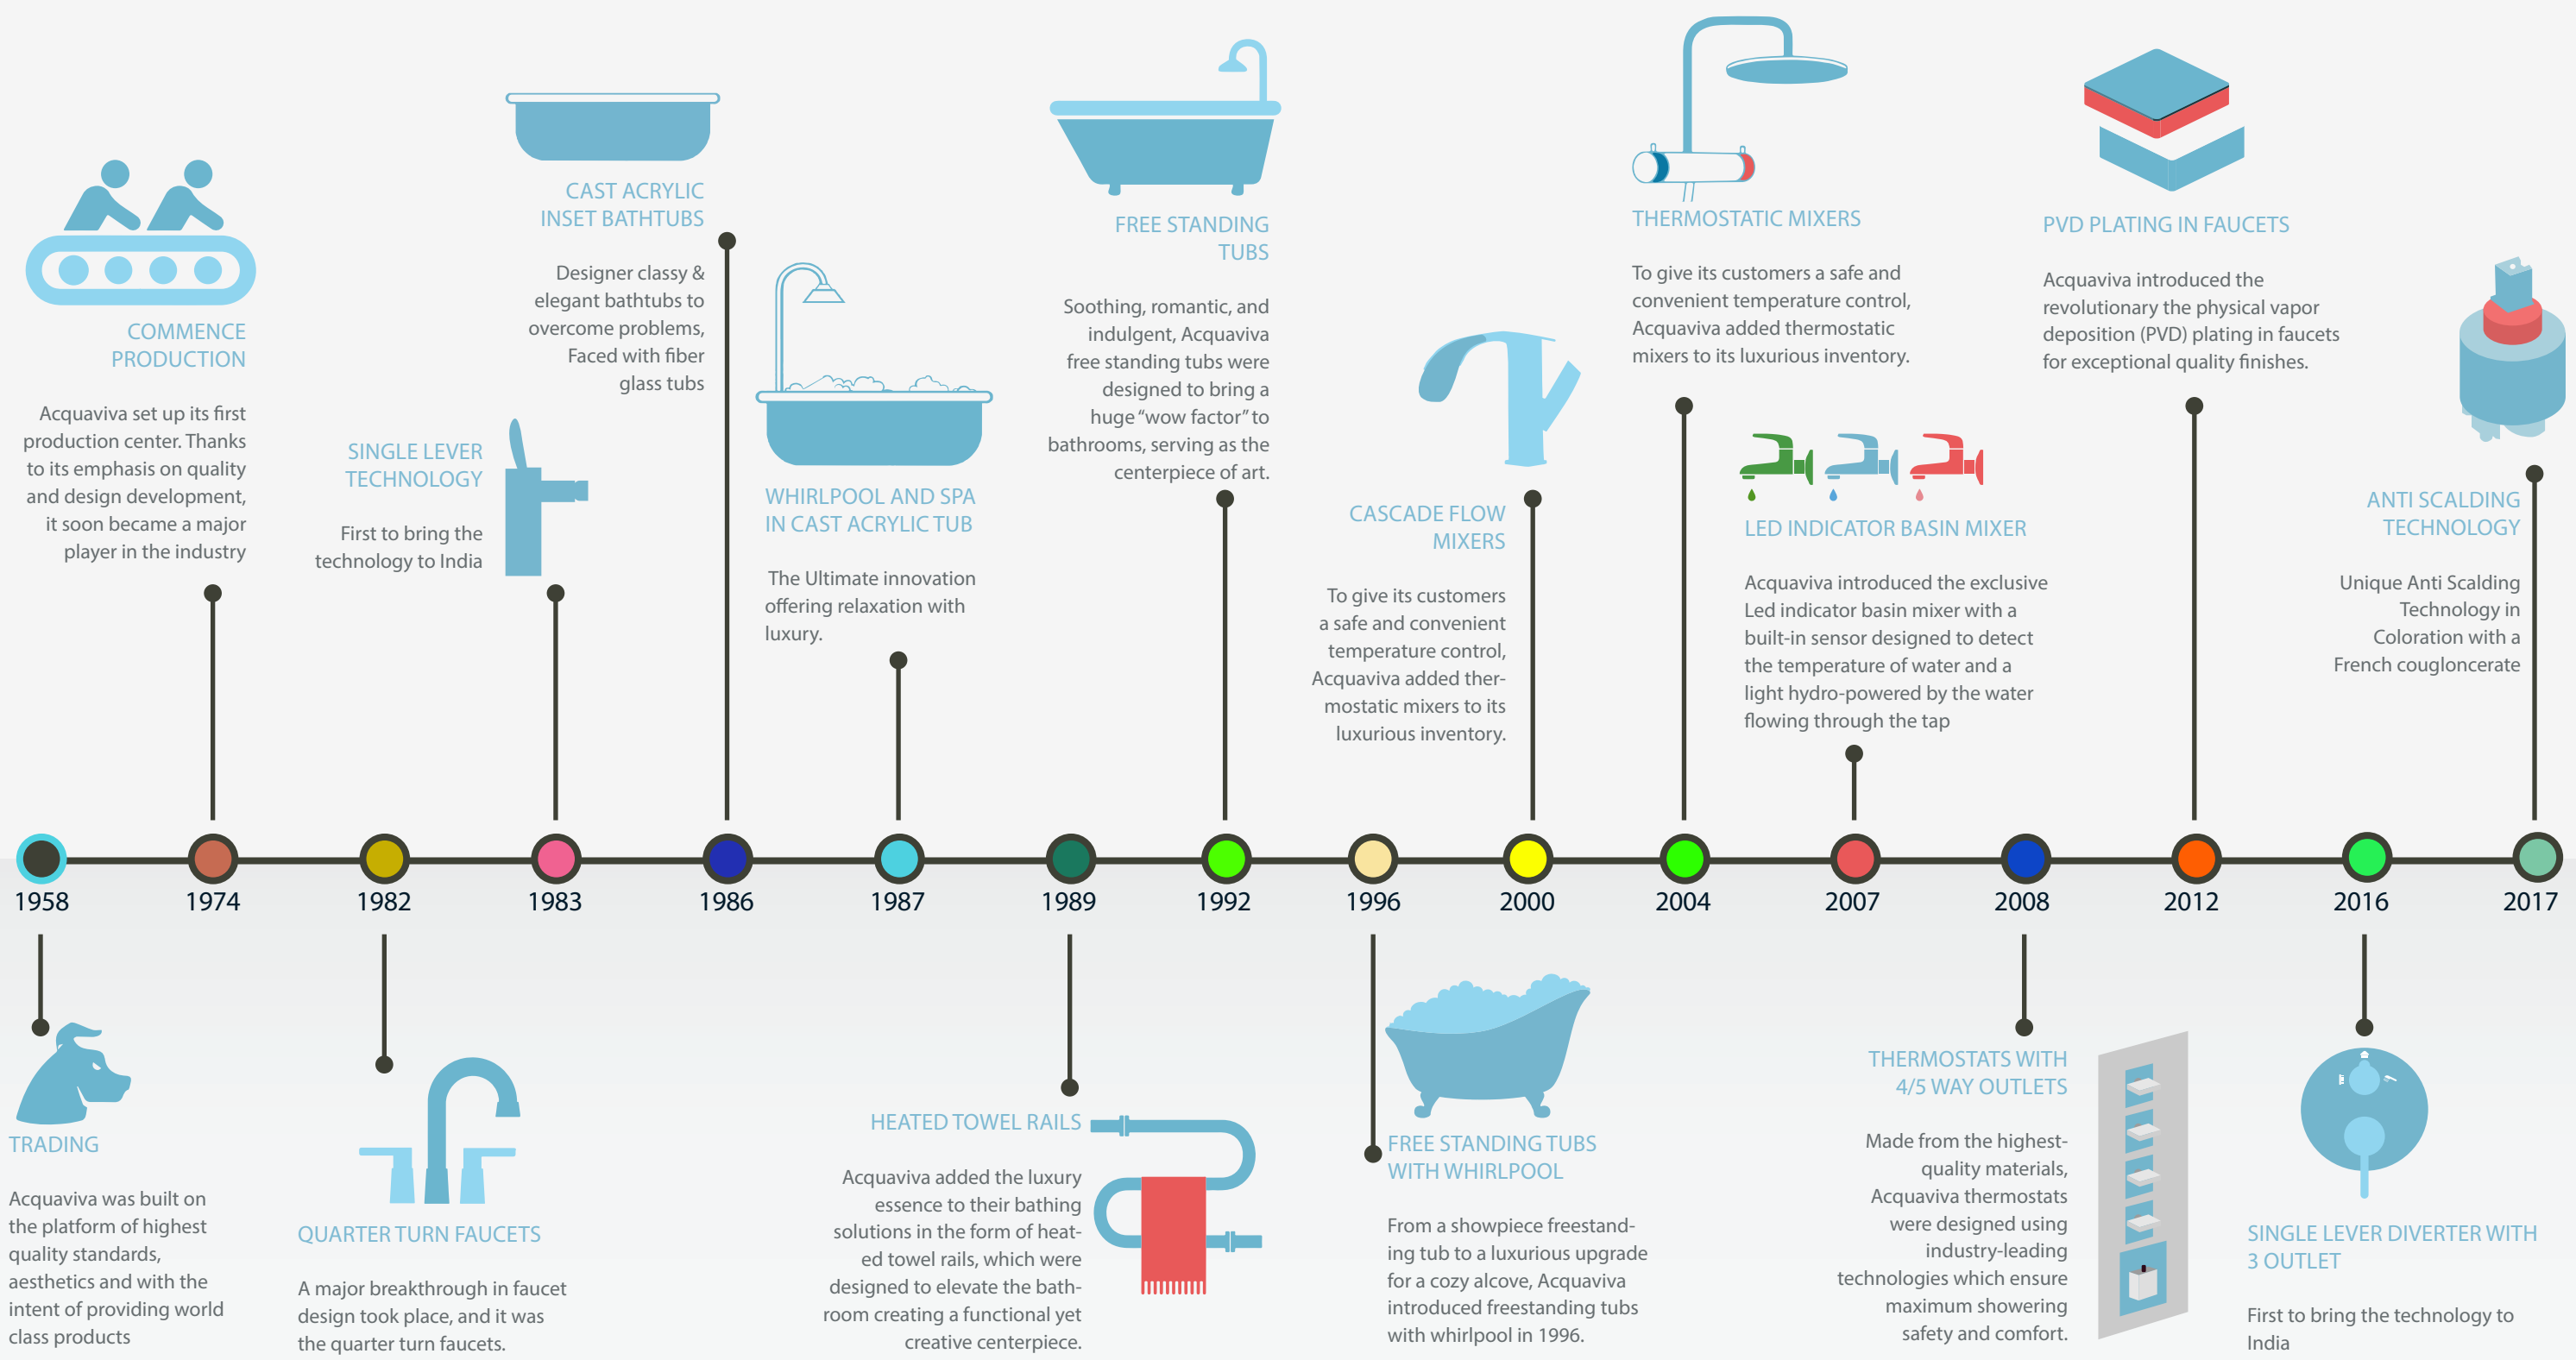

WHETHER ITS WORLD-CLASS QUALITY OR MODERN CONTEMPORARY DESIGNS, WE ALWAYS STAY AHEAD WITH OUR INNOVATIVE TECHNOLOGY.

GROWTH AND PIONEER IN INNOVATION

OUR STRATEGY MILESTONES IMPLEMENTATION

ACQUAVIVA
water civilisation

FAUCETS MACHINERY

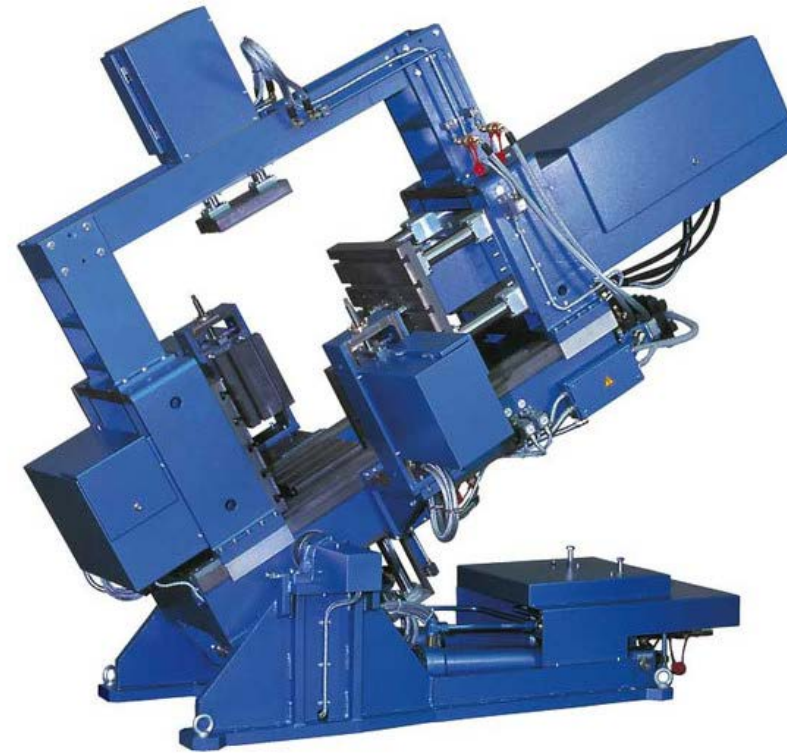

01 MOULD DESIGN

Our R&D team works tirelessly to design & develop new moulds to create breath-taking designs

02 CASTING & FORGING

All our faucets are made of casted bras ensuring durability
All our concealed part are made of forged brass ensuring 25 years of guarantee.

03 DRILLING & TAPPING

This ensure high accuracy even on large volumes.

06 WATER TESTING

Our Quality Compliance team works tirelessly to ensure a zero defect policy is maintained.

04 CNC MACHINE

Used to manufacture production with hight quality finishing.

PROCESSES

TO DESIGN AND BUILD BATHROOM FIXTURES THAT MEET CLIENT'S GOALS.

TURNING IDEAS INTO MANUFACTURABLE AND MARKETABLE PRODUCTS

Acquaviva ensures its products keep evolving with changing lifestyles of people and understanding their need for distinctive architecture and décor.

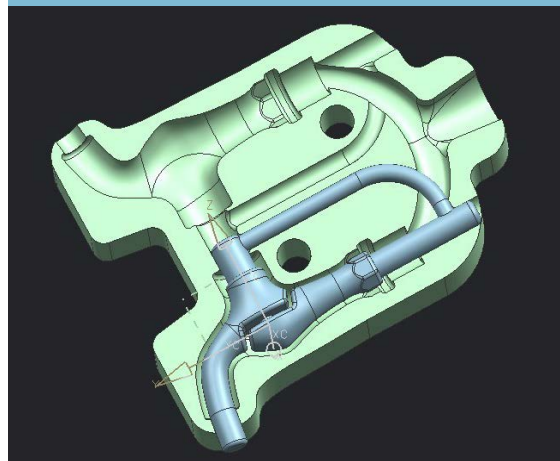

We are committed to offering affordable luxury. We make sure that you love your new faucet and your home's design.

01

MOULD- DESIGNING

Material for the part is fed into a heated barrel, mixed, and forced into a mould cavity, where it cools and hardens to the configuration of the cavity.

02

CASTING & FORGING

Casting is the process where metal is heated until molten. While in the molten or liquid state it is poured into a mold or vessel to create a desired shape. Forging is the application of thermal and mechanical energy to steel billets or ingots to cause the material to change shape while in a solid state

04

POLISHING

Each piece is carefully polished as per international norms. After 100% satisfaction they are sent for plating.

06

TESTING & PACKAGING

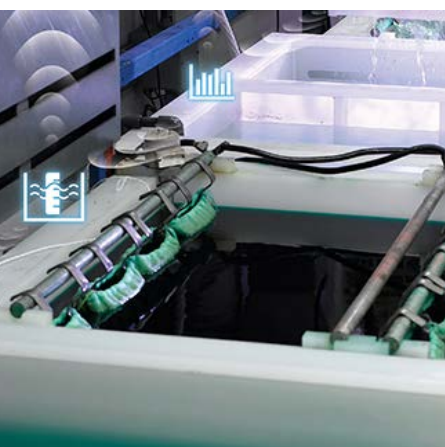

All Products are dispatched from the factory under Zero Defect Policy.

03

DRILLING, TAPPING & MACHINERY.

The Desired shape & proper detailing is provided to the products.

05

ELECTROPLATING

The use of leading chemicals from Grauer & Weil which gives the products class leading finish & shine.

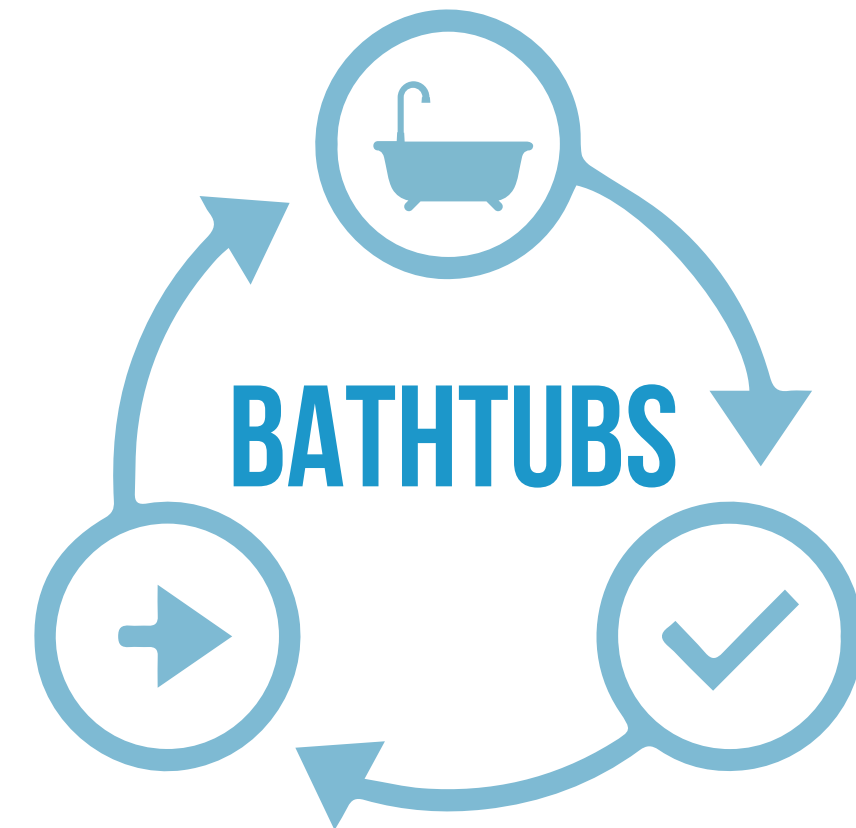

PROCESSES

TO DESIGN AND BUILD BATHROOM FIXTURES THAT MEET CLIENT'S GOALS.
