Triptico Secadoras ECO MK0434

speedflow® plus

THE ELEGANCE OF HIGH SPEED

A solution that combines **eco-fast design** with compliance to **ADAAG accessibility standards**.
Quiet, comfortable, and with very low energy consumption.

U-flow®

A NEW FORM OF FREEDOM

The only hand dryer on the market that provides absolute **freedom of movement** thanks to its innovative shape, designed to offer a complete sense of **well-being and hygiene with each drying.**

dualflow plus

INNOVATION IN HAND DRYERS

Innovative design and maximum **efficiency** hand dryer that makes it the ideal choice for select spaces.
Efficiency, hygiene, and safety are found in hand drying at another level.

machflow® plus

ENERGETICALLY EFFICIENT DRYING

Energy saving for effective drying, with and **without brushes**.
Incorporates a **plug-in system** that facilitates maintenance and is available in a **variety of finishes.**
