

## COMPANY PROFILE

**DUYAR**   
Since 1965

# DISCOVER DUYAR!

## Mastering The **ART** of Flow Since 1965

Welcome to Duyar, where expertise meets innovation in valve and sprinkler systems. Since our founding in **1965**, we have evolved from a small workshop into a global powerhouse, recognized for our commitment to quality, safety, and customer satisfaction.

### Why You Should Choose Duyar?

**Global Reach:** Headquartered in Istanbul, Turkey, with state-of-the-art production facilities across **Istanbul** and **Kocaeli**, we proudly export to over **85 countries**. Each year, we showcase our innovations at more than 10 international trade shows.

**Certified Excellence:** Our products meet the highest global standards, backed by certifications such as **UL, FM, LPCB, EAC, CE, and TSE**.

**Innovative Solutions:** At Duyar, we don't just follow industry trends—we set them. Our continuous investment in research and development, combined with Lean Production methodologies, keeps us at the forefront of innovation and efficiency.

### What We Offer

Our diverse product portfolio includes:

- **HVAC & Balance Products**
- **Fire Protection Systems**

### Our Commitment to You

Our dedication to quality is not just a promise—it's a practice. We operate under robust management systems, including **ISO 9001, ISO 27001, ISO 10002 and ISO 50001**, ensuring excellence in every interaction and product delivery.

Duyar is more than just a manufacturer; we are a partner in your success, delivering critical components for prestigious projects worldwide.

For a deeper dive into what makes Duyar a leader in the industry, we invite you to explore our website or review our corporate presentation.
