## SYSTAINER<sup>3</sup> TOOLBAG M

FLEXIBILITY  
ORGANIZATION  
MODERNITY

### Durable

High-quality polyester fabric guarantees a clean and crisp appearance, easy care, and long-lasting durability. A professional appearance in any situation.

### Well-organized

The right tool at hand in no time at all – even larger hand tools and accessories are neatly stowed away thanks to the open design.

### Adaptable

Removable tool inserts can be individually equipped and combined with each other – each ToolBag is unique.

### Customized

Replaceable Velcro patch on the outside allows individual labeling – risk of confusion eliminated (from 96 pcs.).

### Practical

Pockets on the outside with and without zippers create additional storage space for small parts, notebooks, or tablets.

### Mobile

Full integration capability in both van racking equipment vehicle equipment. A fabric flap facilitates insertion and removal.

### Compatible

Systainer<sup>3</sup> ToolBag M can be combined with Systainer<sup>3</sup>, systainer<sup>®</sup> T-Loc and systainer<sup>®</sup> Classic-Line.
