SYSTAINER³ COMBI M

COMBINATION OF
SYSTAINER® AND
DRAWER

Theft-proof

Thanks to integrated theft tags, the systainer® can be locked and even sealed in no time at all.

Combined

systainer® at the top, drawer at the bottom. The combination creates sufficient space for large and small tools as well as relevant accessories.

Adaptable

Dividers in the drawer can be supplemented with compartment dividers and, together with fixable insert boxes, ensure parts sorting that can be adapted down to the smallest detail.

Linkable

T-Loc central controller for simple connecting and linking with just a flick of the wrist.

Mobile

Van Racking equipment allows for direct integration into bott vario3 van racking thanks to side rails and foldable handle. Pull-out aid supports easy removal.

Compatible

Systainer³ Combi can be combined with Systainer³, systainer® T-Loc and systainer® Classic-Line.

Customizable

Two labelling slots each on the systainer® and drawer allow individual labelling.
