

KALDEWEI

EASY FLOOR-LEVEL INSTALLATION

The fastest installation solution for
shower surfaces from KALDEWEI.

Simple and quick installation of almost floor-level or floor-level KALDEWEI shower surfaces.
Thanks to the factory-preassembled “KALDEWEI low profile support” including centre support.

Installation steps

1. Lay it on top or embed it
2. Connect and seal it
3. Apply the silicone joint and you're done

KALDEWEI shower surfaces are dimensionally stable and can be installed without additional stabilisation measures, with low weight.*

*compared to mineral casting
