

ARMANDO
VICARIO

inside

Italian
design
with an
international
soul.

erview over view over w over view over vie

The world of taps is what we know best. Armando Vicario is an established and successful reality which flourished in a landscape dominated by water.

Located in the North of Italy, between the Orta and the Maggiore Lake, we have been producing kitchen and bathroom taps since 1974.

02.

Lumière

Lavish frame of mind

Lumière stems from the idea of the hidden, luxurious art de vivre of the last century. Its perfect and steady lines merge together beautifully, giving rise to a unique yet complete range.

HALO

Redefine your beauty standards.
Halo is here to *stay*.

An exquisite design based on the essential harmony of the circle.
Even the most pure form can be a source of beauty and inspiration.
HALO represents the perfect balance of practicality and design, able to recreate a modern and up-to-date environment.

and
Sustainable

NOX

The NOX series is entirely made of **Stainless steel AISI 316**, a noble and fascinating material known for its superior corrosion resistance.

From its versatility, durability, to its eco-friendly nature, stainless steel has proven to be a game changer.

Embrace the sustainable urban chic lifestyle with NOX, the perfect blend of eco-friendliness and fashionable living.

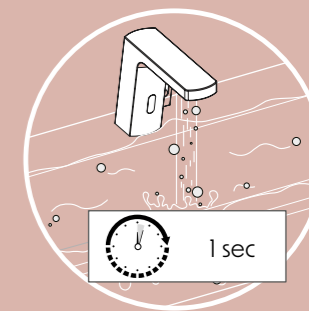

sensi

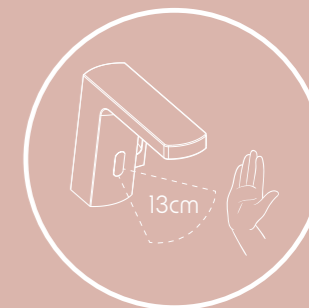

A contemporary perspective

SENSI is a touchless washbasin mixer which combines a cutting-edge technology with peace of the senses. Applicable to a number of settings, SENSI is activated with the simple movement of a hand.

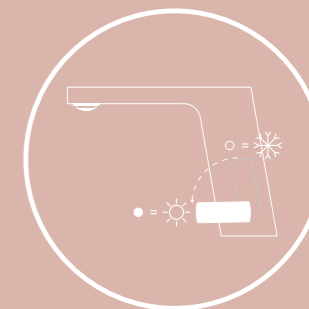

Express your mood through one of its finishes and let it all out. Colour, technique and style come together as one, adding an exclusive touch of uniqueness to your bathroom.

SLIM

In tune with the times

Slim lives the contemporary times with a creative personality. Pure lines and organic shapes give rise to a versatile range of taps designed to meet different areas of taste.

With a variety of finishings to choose from, Slim smoothly fits in a variety of spaces, from the Urban loft to the countryside mansion. Whatever your style, we've got you covered.

MINI INDUSTRIAL

A multi-faceted series with outstanding performances.

The MINI INDUSTRIAL range comes with a texturised lever, providing an unmatched tactile feel.

glam

The *revolution* of well-designed lines.

GLAM offers a new perspective on trends and the values of contemporary interior design. With its straight and noble lines, it does not fear comparison with any other model. Who said that a tap can't be glamorous.

The luxury of outdoor living

Minimalist and iconic in design, made out of stainless steel AISI 316, epitome of superior quality; our shower columns bring excellence and sophistication together resulting in a superior sense of comfort and luxury.

Rekindle your outdoor space with style.

Lumière

Global chic

Immerse yourself in the perfect fusion of modern functionality and timeless charm. Lumière brings an air of urban sophistication to any kitchen environment it graces, never looking out of place, no matter how opulent or fashionable the setting.

bere

Raise the bar for sublime water

Explore our smart and practical solutions that combine a kitchen tap with a filter: a simple twist of the handle gives you instant access to pure, crystal water.

Taste the difference

azor

HALO

KITCHEN

Pure sophistication

Solid, efficient, industrial innovation dressed up in a classy attire, as a pure expression of Italian Design. Reshape essential beauty and discover the true soul of the HALO range. A double endless, circular line. No end and no beginning, what matters is the journey.

discovery

A brand new soul Pastel colours, rounded lines are reinterpreted with a modern view in order to create products which become the stars of the kitchen.
Elevate your style with a sink mixer in vibrant tone against an otherwise neutral palette for a new interpretation or a Nordic style, or play with delicate soft colours for a vintage atmosphere.

URBAN

A fresh take on
the industrial style.

URBAN adheres to a simple, strong aesthetic with a focus on the raw functionality of elements. Versatile and trendy, URBAN manages to create a bold statement both in private and commercial environments such as bars and restaurants.

Maximalist Design.
It's all about *excess* and extravagance.

RAW

RAW is an innovative mixer with provocative mechanical forms inspired by brass cogs and gear. Bold and fierce, it can be featured as an iconic centrepiece in any contemporary kitchen and industrial inspired environment.

LUZ

Brilliant character

Luz is synonymous with simplicity and versatility. The clean and flexous lines make it the ultimate choice for those who seek maximum comfort and a stylish look.

LUZ INDUSTRIAL

Elegance in form and function

Luz industrial gives an eternally modern impression with a restrained elegance. Geometric shapes, eye catching knurling pattern and essential design give off the vibe of industrial style, yet with a contemporary feel.

MOOD

Creativity and technical *rigour*

A complete family of products where the intersection of comfort, performance and innovation enrich relationships within the modern home.

PATIO

A charismatic identity

An elegant understated aesthetic and a focus on functionality sit at the heart of PATIO. Made of **stainless steel AISI 316**, a noble material made to last, Patio winks at ecology and fits perfectly in contemporary and modern spaces.

Perfect equilibrium

Discover the perfect balance of durability and ease of use with BOTTEGA.

Crafted from stainless steel **AISI 304**, BOTTEGA offers a modern, clean design that blends with every contemporary kitchen; maintenance is minimal and efficiency is guaranteed.

On top of this, by choosing a stainless steel tap, you make a sustainable choice.

BOTTEGA

UP & down

Practicality *and* design

Make the most of your window space without sacrificing aesthetics and choose a folding kitchen faucet.

Our UP&DOWN mixers are proposed in an array of finishes able to meet any style requirement. On top of practicality the key word is style.

VIVA

Be inspired

Be inspired by the uniqueness of VIVA in rusty black, its decorative attributes and rustic appearance give impressive fascinating depth to your home. Unconventional, exclusive finishing chosen by those who love to stand out in style.

Extraordinary balance of style and technique

GUSTO

Get your domestic chores done with ease thanks to the functional turnable spring with spray and shower jet. High performance combined with good design make GUSTO the best ally in the kitchen.

**Vintage allure with
modern functionality**

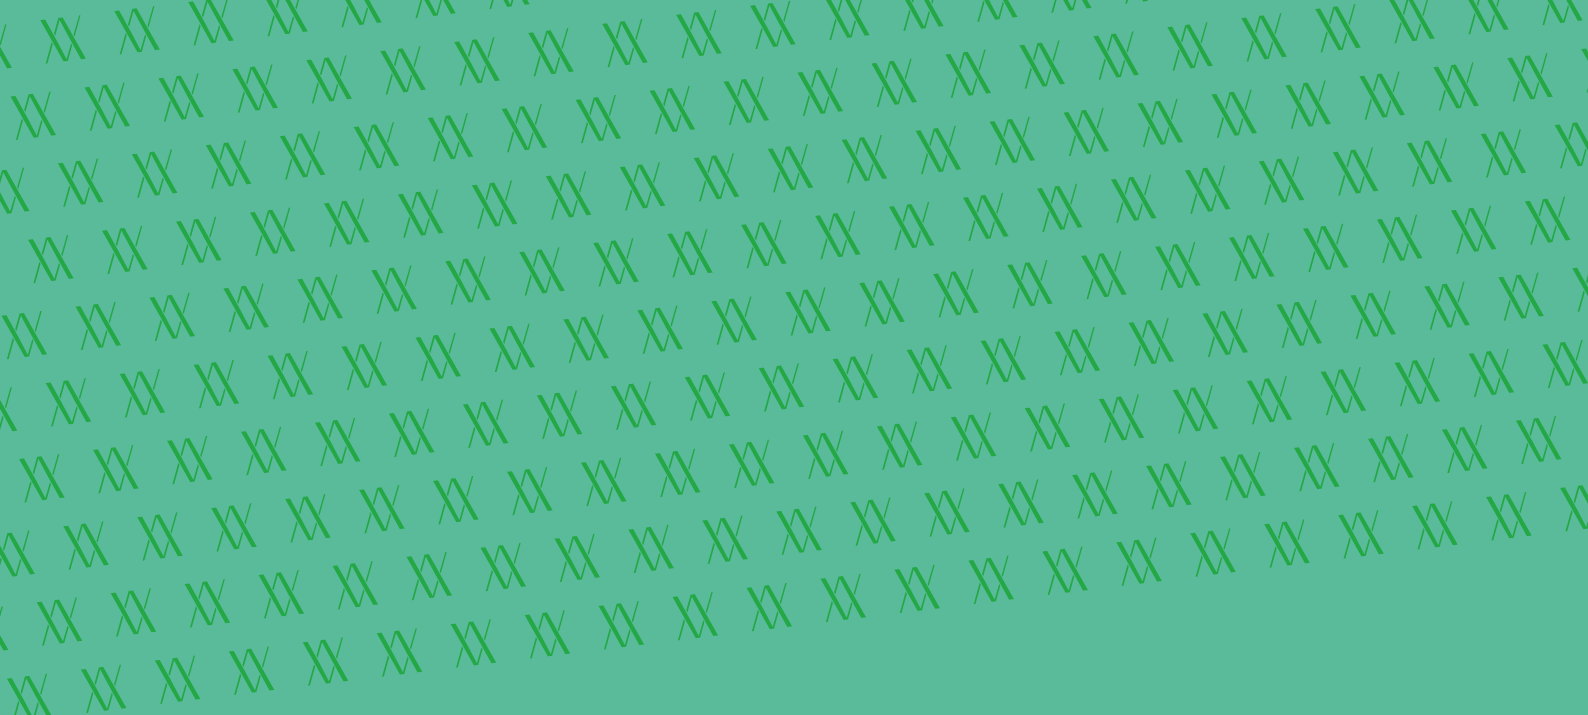

Elevate your kitchen to new heights of timeless elegance with our 'Old Fashion' faucets. Upgrade your culinary oasis with a dash of vintage-inspired flair without compromising practicality.
