# About the company

The company is a subsidiary of "Raguvos Baldai" ir ko which produces bathroom furniture since 1990. We are focused on maintaining our core value – customer appreciation and trust. Therefore, we all work responsibly to cherish and foster this value. We develop new bathroom furniture solutions every year by following the latest design trends and being attentive to the needs of customers. In order to be a trusted manufacturer, we select only reliable suppliers of components and other professionals in their fields. We constantly invest in advanced manufacturing technologies and logistics systems that provide production flexibility and fast delivery of products. These ongoing innovations have allowed us to expand our export of bathroom furniture to neighboring Baltic countries, Scandinavia, Germany, United Kingdom, Holland, Belgium, France and the Middle East.

KAME regularly participates in the world's largest plumbing exhibition ISH in Germany. The company presents its latest collections and improved solutions.
