ZEN SKIER THE CHANDELIER SHOWER

Elevate your bathroom experience to celestial with the Zen Skier Chandelier Shower, an extraordinary multi function shower system inspired by the mystical concept of vortex rain. This luxurious fixture seamlessly blends innovation with elegance, turning your daily shower into a transcendent journey.

UNIQUE CONCEPT: Drawing from the natural wonder of vortices –where energy either converges or radiates from the earth’s plan- the Zen skier Chandelier shower captures the essence of this powerful phenomenon. The design emulates the energy flow of vortex rain, creating a shower experience that feels both exhilarating and grounding.

HANGING SHOWER: Embrace the sophistications of hanging shower that adds a dramatic flair to your bathroom. Zen Skier’s Elevated design not only enhances the space’s aesthetic but also ensures a stunning water flow reminiscent of cascading energy from celestial realms. This feature brings an element of grandeur to your daily routine, transforming the ordinary into the extraordinary.

DANCING CHROMOTHERAPY: Experience the dynamic beauty of chromotherapy with lights that rush through the frame, imitating the swirling energy of a vortex. Our advanced lightning system creates a vibrant dance of colors that shift and flow, casting an ambient glow that soothes and invigorates. This visual spectacle transforms your shower into a serene retreat, promoting relaxation and rejuvenation.

WAVE SHOWERING: at the heat of the Zen skier is the wave showering mode, where water flows in rhythmic, undulating patterns inspired by the natural ebb and flow of ocean waves. This central feature imitates the powerful and calming effects moving through a **VORTEX**.
