FUEL ADDITIVES

Catalogue

- **Gasoline Treatments:** Our new treatments are formulated to enhance fuel efficiency, reduce emissions, and safeguard your engine from wear and tear while preventing harmful deposits in your fuel system that can lead to engine damage over time.
- **Injector Cleaner:** This powerful formula removes dirt, grime, and contaminants from fuel injectors, enhancing engine performance, fuel efficiency, and emission reduction.
- **Anti-Smoke Diesel:** Specifically designed for diesel engines, this formula reduces smoke emissions, improves fuel efficiency, and protects your engine from wear and tear, preventing harmful deposits in the fuel system.
- **Diesel Particle Cleaner:** Highly effective in removing soot and particles from your engine, this formula enhances engine performance, fuel efficiency, and emission reduction.
- **Leak Stopper Oil Treatment:** Address oil leaks with our effective treatment designed to halt current leaks and prevent future ones, safeguarding your engine and prolonging its lifespan.
- **Leak Filler System:** Easily repair leaks in your cooling system with our efficient solution, preventing coolant leaks that can lead to overheating and related issues.
- **Refrigerator Additive:** Maintain your refrigerator's efficiency with our additive, preventing ice and frost buildup that can cause damage and inefficiency.
- **Diesel Antifreeze Additive:** Safeguard your engine from freezing in cold temperatures with our antifreeze additive, preventing corrosion and damage caused by freezing conditions.

AIR COMPRESSOR + TIRE PRESSURE GAUGE

SPT160

- Voltage: DC 12V.
- 1x 30mm metal cylinder.
- Max power: 100psi.
- Electricity: 10A.
- Inflatable air: $\geq 30L$.
- Digital gauge.
- 9 pcs LED lights.
- Length of the cable: 3m.
- Length of hose: 70 cm.
- Accessories: 3x nozzles adaptors for inflating bikes, tires, balls, etc.
- 1x 10A fuse. 4x valve caps.
- Include one tire gauge.

AIR COMPRESSOR

- Fast inflating. 4-5 minutes to inflate a normal car tire.
- Quickly inflates auto, motorcycle, vehicle and bicycle tires.
- Convenient and easy to use, a built-in storage space for 12V power cord and air hose.
- Automatically shut off feature make you never over-inflate.
- Material: High quality ABS.
- Dimensions: 17.5 x 20.5 x 12.8 cm.

TIRE PRESSURE GAUGE

- Built-in LED light and red sharp-flash emergency light.
- A storage space for Sparco Mr. Pilot tire gauge.
- Material: High quality ABS.
- Dimensions: 8.7 x 5.1 x 5.3 cm.

PORTABLE INFLATOR

NEW

SPT806

- Accurately and automatically stop.
- No need to keep an eye on the tire pressure gauge.
- Multifunctional use suitable for various environments.
- Compact and handy for easy to carry and travel.
- Professional built-in safety with overcurrent, overvoltage, and overcharge protection while you are enjoying the inflation process.
- Voltage: 7.4V.
- Power: 70W.
- Battery Capacity: 2500mAh
- Electricity: 9A.
- Max. Pressure: 100Psi.
- Charging Time: <5h.
- 7.5 minutes to inflate a 195/R65 tire.

INTELLIGENT CAR & MOTORCYCLE SMART CHARGER

SPT500

- Ultra compact design.
- 6 or 12 volt.
- Battery capacity: 3 -120 Ah.
- Multi-Electric secured.
- Intuitive LED lights.
- Material: ABS.
- Dimensions: 15.5 x 6.9 x 4.4 cm.

The battery chargers to be connected to the battery and then you can choose between 6 or 12 volt.

Battery capacity: 3-120 Ah.
For your safety the car battery is Multi-Electric secured against Overload (reverse polarity protection, over-heat protection, overload protection, short circuit protection).

Intuitive LED lights provide a visual outline of the charging status, safe and general battery status.

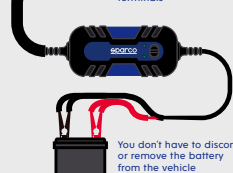

Design with ultra compact, portable and amazingly light.

This product offers external attachment holes, to prevent slipping.

CHARGE

Plug in to a mains socket then connect the colour coded clips to the battery terminals

You don't have to disconnect or remove the battery from the vehicle

WIPER BLADES

CARBON WIPER BLADE

• Instead of the traditional black color, our wiper blades have a modern, carbon coating. With this updated look, your car receives a subtle yet stylish upgrade.

Key Features:

- Innovative design combines carbon look with exceptional wiper performance.
- Features an aerodynamic design on the beam blade while retaining the perfect windshield contact of a traditional blade.
- Superior all-weather performance.
- More flexible and durable rubber manufactured with NANO coating technology.
- Recommended maximum speed during rain is 120 km/h.
- Guaranteed streak free design, as tested and approved by U.S. facilities.

Fits all **99%**
wiper models

FLAT WIPER BLADE ULTIMA

WIPERBLADES

- **Long-lasting durability** : squeegee rubber resists cracking, splitting & tearing caused by heat, cold, windshield washer fluid, salt & UV rays.
- **Good for practically all vehicles** : pre-installed universal lock connector fits over 99% of all vehicles.
- **Smooth, clean, streak-free wipe** : more pressure points cause blade to hug windshield.
- **Vented frame reduces wind lift.**

- **Eliminates corrosion problems.**

Built without a metal rivet, the entire steel structure is also coated with plastic, eliminating issues with rust or corrosion.

- **10 adaptors.**

Compatible with 99% of cars in market with interchangeable adaptors. Refer to packaging for specifications.

- **Reduces vibration and chatter.**

The core steel structure has a robust design with components firmly secured to reduce vibration and chatter thus improving wipe quality.

Fits all **99%**
wiper models
