WHO ARE WE?

OUR PARTNERSHIP WITH BBB INDUSTRIES

Alfa e-Parts is a new brand of BBB Industries, an American industry-leader in the remanufacturing of electrical and electronic spare parts for the automotive market as a global level.

Alpha is the first letter of the Greek alphabet and therefore marks the point where something begins. Plus, Alpha defines the individual who leads, and therefore, our main objective is to become a brand reference in the automotive sector.

*We pursue three objectives:
quality, product range and
service*

The world´s largest Original Equipment Manufacturers, OEM, trust BBB Industries for over 35 years.

BBB Industries, founded in 1987 and with headquarters in Alabama, United States, has a long history as a global manufacturer of new Tier-1 parts and remanufactured for some of the customers world´s largest OEMs, including a long experience in electrical products such as alternators and starter motors.

BBB Industries, commitment to the development of electrical and electronic products with a team highly qualified, is backed up by a large investment in advanced technology.

- ✓ Manufacturing and distribution of **+17.6M of products annually**
- ✓ **+114.600** skus
- ✓ **+11.000** employees
- ✓ **5 manufacturing plants and 2 technology centers** (Detroit and Barcelona)
- ✓ **IATF 16949, TS16949, ISO9001**

OUR TARGET: HIGH QUALITY

“

Our leitmotif is excellence, safety and reliability

How do we achieve it?

01

Own laboratory, with a dozen engineers checking the quality of all our products.

02

Our products are verified by environmental, thermal shock, life cycling, fog saline, corrosion and vibration tests, among others.

03

Technical assistance service is provided to solve any question may arise about our products.

04

Exhaustive control of the process, from the design and development of the initial sample to the mass production.

05

Our associated remanufacturing centers possess **IATF16949 e ISO9001 certifications.**

06

Comprehensive traceability system in order to provide **a quick answer to our customers when needed.**

CONSTANT RANGE EXTENSION

100

different
product
families

5.000

skus
initially

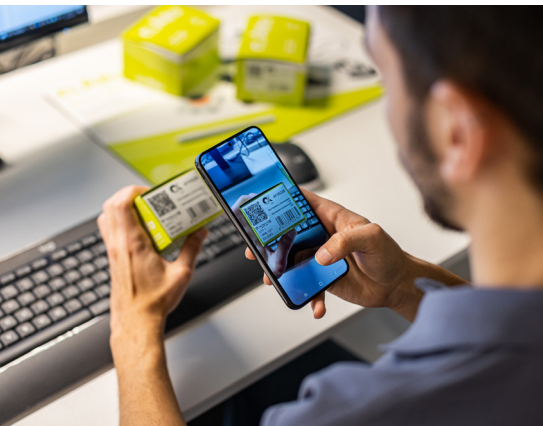

1.000

new skues every year

ALL SKUS IN STOCK

OUR ONLINE CATALOG

*Our catalog includes almost **6.500 skus** and it is constantly updated to covers all our customer needs.*

We serve our customers from our facilities of 14.000m2 based near the port of Barcelona. In addition, our customer service is operational from 8.30 am to 6 pm and there is a wide commercial network around the world to reach all markets.

- National: Deliveries in 24h max. Taken urgent orders until 18h.
- Export: Deliveries in 72h max. depending on the territory.

We offer a functional and agile tool to check the complete information of each sku.

In addition, there is a **QR code** in the packaging which links to our online catalogue, showing the information of each sku: technical specifications, applications and OE codes. Our products are also available in TecDoc.

SENSORS

Oxygen sensor

MAF sensor

KNOCK sensor

Oil level sensor

Fuel level sensor

Coolant level sensor

Throttle position sensor -TPS

Exhaust gas differential pressure sensor - DPS

Manifold absolute pressure sensor -MAP

Camshaft position sensor - CMP

Crankshaft position sensor - CKP

Oil temperature sensor

Intake air temperature sensor

Fuel temperature sensor

Coolant temperature sensor

Intake temperature and pressure sensor - T-MAP

Wheel speed sensor - ABS

Steering angle sensor

Parking sensor

Xenon light sensor (headlight range adjustment)

FLANGES, PIPES AND THERMOSTATS

■ Coolant flange with adapter

■ EGR valve pipe

■ Coolant connector

■ Thermostat coolant flange

■ Thermostat

ACTUATORS

■ Solenoid valve

■ Intake manifold module

■ Steering angle column

■ Blower fan resistor - AC

■ Fuel door actuator

■ EGR valve

■ Camshaft solenoid valve

■ Throttle body

■ Pressure control valve - common rail system

■ Auxiliary water pump

■ Fuel pump

■ Injector valve

■ Fuel pressure regulator

■ Fuel feed unit

■ Window cleaning water pumps

SWITCHES

■ Wiper switch

■ Light switch

■ Window switch

■ Outside rearview mirror switch

■ Hazard warning flasher switch

■ Fuel tank switch

■ Oil pressure control switch

■ Ignition switch

■ Stop light switch

■ Reversing light switch

CONTROL UNITS AND LOCKS

■ Control unit - seat heating

■ Control unit - seat adjust

■ Hood lock

■ Tailgate lock

■ Door lock

■ Driving lights power control unit

CONNECTORS AND RADIATORS

■ EGR valve connector

■ EGR valve cooler

Our catalog will be expanded with new products and new skus very soon.
