

MERIT MALTA

Automotive Switches and Accessories

MERIT MALTA

SINCE 1965

Merit Malta is one of Europe's leading manufacturers of automotive switches and electrical accessories. Founded in 1966 by Merit - Werk Co KG as a small assembly unit, on the beautiful island of Malta in the heart of the Mediterranean Sea, Merit Malta Ltd. today is an independent manufacturer exporting to over 50 countries. Commended as a pioneer of investment in Malta's industrial development, Merit Malta is today a reputable manufacturer and supplier of automotive electrical switches and accessories to the world automotive market. Suppliers to many of the leading aftermarket brands, Merit Malta also operates a worldwide network of sales agents, distributors as well as direct customer accounts. We have earned a reputation for quality, reliability and service, and our friendly and outgoing philosophy towards our customers has built a business that is founded on long term business relationships.

Merit Malta would like to welcome you into their worldwide family of friends.

CABLE CONNECTORS & TERMINALS

● Suppressor Cable Connector

Entstör - Zwischenstück

Connecteur intermédiaire anti - parasite

Conector de cable supresor de interferencias

10 10 00
5000 Ohm

● Suppressor Terminal

Zündkerzen – Entstörstecker

Cosse de bougie d'allumage, anti - parasite

Terminal supresor de interferencias para bujias

10 30 00
5000 Ohm

DIN 72 566 - E

10 34 00
5000 Ohm

● Snap - on - Terminal

Zündkerzenstecker

Cosse de bougie d'allumage, encliquetable

Terminal para bujia

11 20 00

DIN 72 566 - F

11 21 00

PLUGS & SOCKETS

● **Plug, fits Socket 11 4...**

Stecker, passend zu Steckdose 11 4... Fiche

mâle, pour prise de courant 11 4...

Enchufe, utilizable para caja de socket 11 4...

11 30 00

● **Angle Plug, fits Socket 11 4...**

Winkel Stecker, passend zu Steckdose 11 4...

Fiche mâle à angle droit pour prise de courant 11 4...

Enchufe de ángulo, utilizable para caja de socket 11 4...

11 31 00

● **Plug for Cigar-Lighter**

Stecker passend in Zigarettenanzünder

Fiche mâle, pour allume - cigares

Enchufe para encendedor de cigarrillos

11 32 02

● **USB Charger for Mobile Phones, Tablets**

USB - Ladegerät für Mobiltelefone, Tablets

Chargeur compact USB pour téléphones mobiles, tablettes

Cargador de memoria USB compacto para teléfonos móviles, tablets

11 33 00

PLUGS & SOCKETS

● Plug Socket with Metal Body, FlushFitting, for Plugs No. 113000/113100

Einbau - Steckdose aus Metall, für Stecker Nr. 113000/113100

Prise de courant en métal, à encastrer, pour fiches mâles no. 113000/113100

Toma eléctrica metálica para enchufe no. 113000/113100

11 40 00

11 41 00

11 41 20

11 41 00, 11 41 20: Terminals DIN 46 244 - A 6,3x0,8

Maximum Panel Thickness - 8mm

● Plug Socket with Metal Body and Plastic Cover 114500, for Plugs 113000/113100

Einbau - Steckdose aus Metall, mit Kunststoffabdeckung 114500 flächenbündig, für Stecker 113000/113100

Prise de courant en métal, à encastrer, avec couvercle plastique 114500, pour fiche mâle 113000/113100

Toma eléctrica metálica y tapa, plástica 114500 utilizable para enchufe 113000/113100

11 42 00

11 43 00

11 43 00

11 43 00, 11 43 20: Terminals DIN 46 244 - A 6,3x0,8

Maximum Panel Thickness - 7mm

PLUGS & SOCKETS

● **Plug Socket with Metal Body and Plastic Spring Cover 114501 Flush Fitting, for Plug 113000**

Einbau - Steckdose aus Metall, mit Kunststoffabdeckung
114501 flächenbündig, für Stecker 113000

Prise de courant en métal à encastrer, avec couvercle à ressort plastique 114501, pour fiches mâles 113000

Toma eléctrica metálica y tapa plástica de resorte 114501, utilizable para enchufe 113000

PANEL APERTURE

11 43 22

Terminals DIN 46 244 - A 6,3X0,8
Maximum Panel Thickness - 7mm

● **Cover**

Klappdecke

Couvercle

Tapa

11 45 00

Covers to fit Sockets 114...

● **Plastic Spring Cover**

Kunststoffdeckel mit Feder

Couvercle en plastique à ressort

Tapa de resorte plástica

11 45 01

Covers to fit Sockets 114...

FUSES & FUSE BOXES

Heavy Duty Multi - Purpose Switch

Mehrzweck - schalter für erschwerte Betriebsbe - dingungen

Interrupteurs Multi - fonctions pour applications Lourdes

Interruptor Multi - Uso para Trabajo Pesado

Operating voltage	12V or 24V
Operating ambient temperature: without bulb	- 30°C up to +85°C
with bulb	- 30°C up to +70°C
Storage ambient temperature	- 40°C up to +125°C
Bulb	0,9W (12V or 24V)
Maximum constant current per contact pair	25A
Maximum constant current per switch	50A
Electrical lifetime	500,000 cycles
Plugs	6.3x0.8 E - Cu, 5µm Aggal.
Connector	DST 21
Dust & Water protection	Panelside: IP 67, DIN 40 053
Resistance against environmental factors according to ASAE EP 455	

IP67
