INNOVATIVE
TOOLS & TECHNOLOGIES, INC.

ABOUT INNOVATIVE TOOLS

Founded in 1996 in St. Paul, Minnesota, by a 21-year auto body technician, Innovative Tools & Technologies knows the needs and problems of body shops, owners and techs first-hand.

Innovative creates and manufactures the best designed, highest quality parts and material management systems for the automotive repair market worldwide. Its products are designed to save space and steps, minimize clutter, enhance efficiency, make processes leaner, and increase profitability.

The company has numerous patents and patents pending. More than 500,000 Innovative products are in use throughout North America, Canada, South America, Europe, Denmark, Finland, Sweden, Switzerland, Japan, South Korea, and New Zealand.

INNOVATIVE PRODUCTS ARE OFTEN COPIED,
BUT NEVER DUPLICATED.

HIGHEST QUALITY. GUARANTEED.

The benefits of the Parts Cart, without the wheels

- > Puts small places to work with zero footprint
- > Patented, High-carbon, heat-treated steel shelf brackets for years of trouble-free use
- > 16 square feet of shelving
- > Durable powder-coat finish stays new-looking longer
- > Shelves measure 40"W x 24"D
- > Shelves adjust every 3"
- > Weight rated to 125 lbs. per shelf
- > Includes: 3 adjustable shelves, wall brackets & mounting hardware
- > Lifetime warranty

> Patented High-carbon, heat-treated steel shelf brackets for a lifetime of trouble free use

> 4" Total-lock wheels provide a unique braking system triggered by the touch of a toe

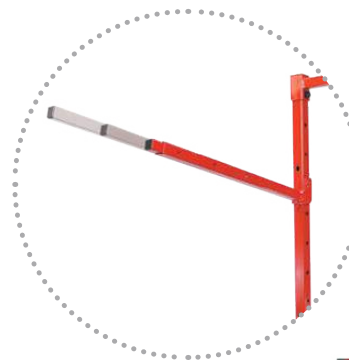

Benefits:

- > Proven to reduce cycle time
- > Vertical storage saves valuable floor space
- > Open design for easy loading & unloading
- > Load parts directly from the delivery truck
- > Less handling of parts means less risk of damage
- > With a designated Parts Cart for each job, any unused parts can be returned for full credit

Features:

- > 30% more shelf positions than any other parts carts
- > Patented High-carbon, heat-treated steel shelf brackets for years of trouble-free use
- > Shelves have upper side rails to prevent parts slide-off
- > 4" industrial grade total-lock caster wheels for mobility; zero movement when locked
- > Patented shelf brackets adjust in seconds to accommodate larger parts
- > Holds 125 lbs. per shelf
- > When nested, each cart only takes 8" of additional floor space
- > Durable powder coat finish
- > Only parts cart with a Lifetime warranty

All A, B & C Series Parts Carts come standard with telescoping support arms

> 2 Telescoping Support arms 18" to 27" range

- > Holds 125 lbs. per shelf
- > Six storage hooks allow you to hang large parts on the sides as shown above
- > Durable powder coat finish
- > Lifetime Warranty

Innovative Parts Cart D™

Part # SSPC-D

U.S. PATENT D 871,117

Includes

- > 3 standard fixed shelves 24" x 37"
- > 6 storage hooks
- > Four 4" industrial caster wheels
 - 2 – total lock - zero movement when locked
 - 2 – non-locking

Benefits:

- > Proven to reduce cycle time
- > Vertical storage saves valuable floor space
- > Open design for easy loading & unloading
- > Load parts directly from the delivery truck
- > Less handling of parts means less risk of damage
- > With a designated Parts Cart for each job, any unused parts can be returned for full credit

PARTS CART D SERIES ACCESSORIES

THE KEYS TO BLUEPRINTING

Innovative Molding Holder™

Part # SSPC-MH

The latest option for the entire line of Innovative Parts Carts

- > Keeps long side moldings straight and damage-free
- > Conveniently stores anywhere on the carts, front or back
- > Adjusts in seconds
- > 6"W x 5"D x 42"H
- > Durable powder-coat finish
- > Lifetime warranty

Innovative Parts Pan™

Part # SSPC-PP

- > Organizes & prevents loss or damage of smaller parts
- > Conveniently stores underneath any Innovative Parts Cart shelf
- > Easily removed with a quick "slide & pull"
- > Durable powder-coat finish

Innovative RO Holder™

Part # SSPC-RO

- > Acrylic dry-erase board clearly identifies and tracks each job
- > Clear, two-pocket envelope organizes paperwork and keeps it with the job
- > Quickly mounts to the top of any Innovative Parts Cart
- > Rotates 360 degrees for maximum visibility
- > Dry-erase marker conveniently stores in the RO Holder post

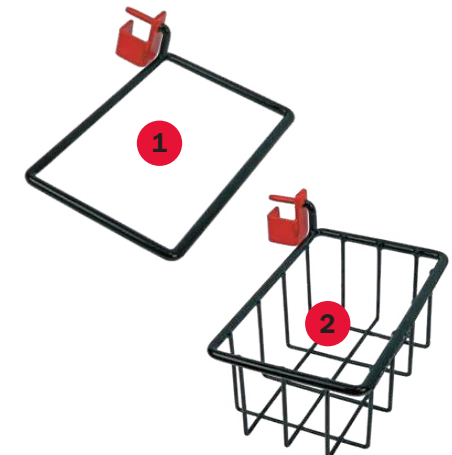

NEW

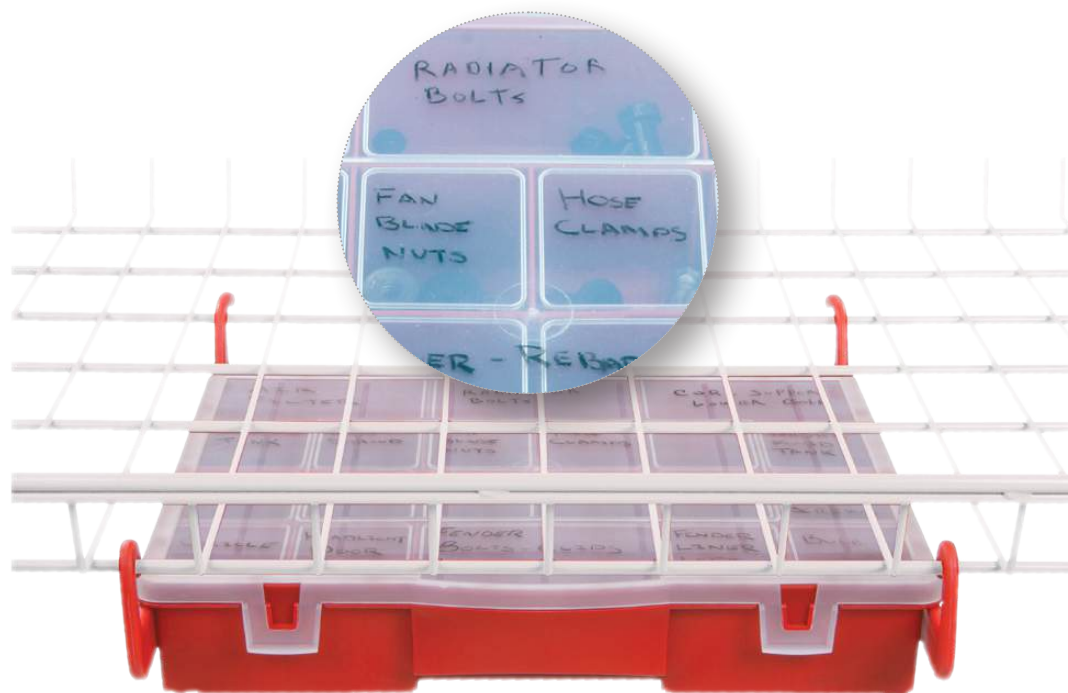

Innovative Rocker Molding Holder™

Part # SSPC-RMH

- > Conveniently store large rocker moldings with your parts cart
- > For Parts Carts B and C series **ONLY**

STOP LOSING HARDWARE

Innovative Hardware Tray™

Part # SSPC-HT

- > Organizes & prevents loss of small nuts, bolts, screws and clips, etc.
- > Conveniently stores underneath any Innovative Parts Cart shelf
- > Easily removed with a quick "lift & pull"
- > Speeds up reassembly time
- > Comes with a grease pencil to mark the clear lid
- > Wet erase marker can also be used
- > Fits SSPC-A, SSPC-B and SSPC-C only

PROTECT EXPENSIVE TRIM PANELS

Trim Panel Bag
Part # SPC-TB

Innovative Padded Parts Bag™

Padded protection for expensive parts

- > Heavy-duty nylon exterior, soft padded nylon interior
- > Protects delicate and expensive parts from dust and damage
- > Industrial grommets allow bags to hang from Parts Carts
- > Parts can now be stored in the vehicle, without damaging the parts or the vehicle
- > Heavy-duty, two-way zipper for easy opening and closing

MULTI-PANEL PAINT STAND

Innovative Door-Fender Double™

Make Your Spray Booth More Efficient

Innovative Door-Fender Stand™ Part # I-DFD

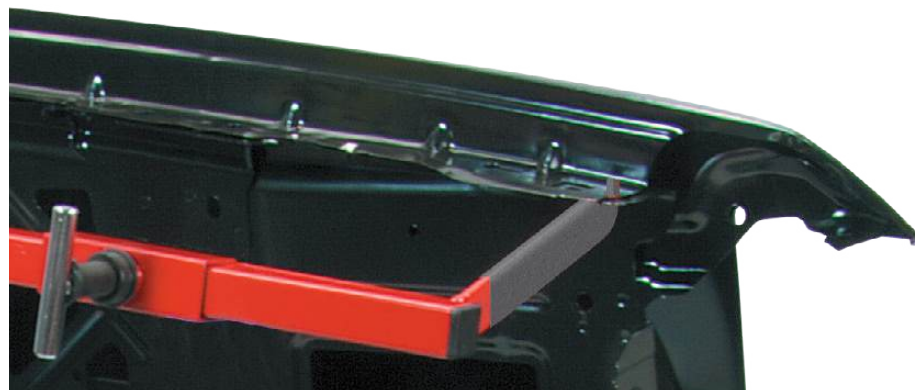

- > Securely holds fenders and doors in any combination
- > Complete paint coverage inside and out
- > Easily adjusts to perfect working height
- > Eliminates missed edges
- > Mount parts in the same positions as on the vehicle for best color and texture match
- > Wide stance adds uncompromised stability whether painting one panel or two
- > Protective rubber boots keep critical areas free of overspray
- > 4" industrial-grade Total-Lock caster wheels for stable mobility; zero movement when locked
- > Durable powder-coat finish
- > Three-year warranty
- > 32"W x 32"D x 40"H

PATENT PENDING

Pinch or Pin

The Innovative Locking Swivel Clamp Arm gives you the option to pinch an edge or pin through a screw hole.

NEW! Wider Wheels

Avoid getting stuck in spray booth floor grates

> 4" x 1.5" Total-lock wheels provide zero movement with the touch of a toe

INNOVATIVE OCTOPUS PAINT STAND™

EVER NEED AN EXTRA HAND IN THE PAINT BOOTH?
HOW ABOUT EIGHT!

Innovative Octopus™
U.S. PATENT 7,445,184

Innovative Octopus™ **Part # OPR**

U.S. PATENT 7,988,137

- > Securely holds small parts such as moldings, flares, fuel doors, etc.
- > Easily adjusts to perfect working height
- > Eliminates missed edges
- > Mount parts in the same position as on the vehicle for best color & texture match
- > Protective rubber boots keep critical areas free of overspray
- > 4" industrial-grade, total-lock caster wheels for stable mobility; zero movement when locked
- > Durable powder-coat finish
- > Three-Year Warranty
- > 24"W x 24"D x 70"H
- > Support arms adjustment 13"W - 44"W
- > Weight rating 25 lbs.

NEW! Wider Wheels Avoid getting stuck in spray booth floor grates

- > 4" x 1.5" Total-lock wheels provide zero movement with the touch of a toe

INNOVATIVE ULTRARACK PAINT STAND™

“We had two other brands of painting racks in our shop. Once we bought a couple of UltraRacks, it was hard to get anyone to use the others any more. This rack is five stars in my book.”

Innovative UltraRack™

Part # URPS

- > Holds hoods, tailgates, doors, lift gates, deck lids, cargo doors and fenders
- > Efficient single-hand operation, uninterrupted spraying
- > Complete paint coverage inside and out
- > Seven locking positions mimic the part's position on the vehicle for a seamless match
- > Complete system – no accessories needed to buy
- > Rotates panel 90 degrees to ensure proper paint coverage every time
- > Protective rubber boots keep critical areas free of overspray
- > 4" industrial-grade, total-lock caster wheels for stable mobility; zero movement when locked
- > Durable powder-coat finish
- > 32"W x 32"D x 54"H
- > Support arms adjustments 15"W – 64"W x 12"H x 56"H
- > Weight rating 75 lbs.

NEW!

Center support hook for hood latch mounting

> Efficient single-hand operation allows you to spray both sides without setting your spray gun down

UltraRack comes complete with Tailgate Hooks

(Continued on page 15)

PAINT & REPAIR STANDS

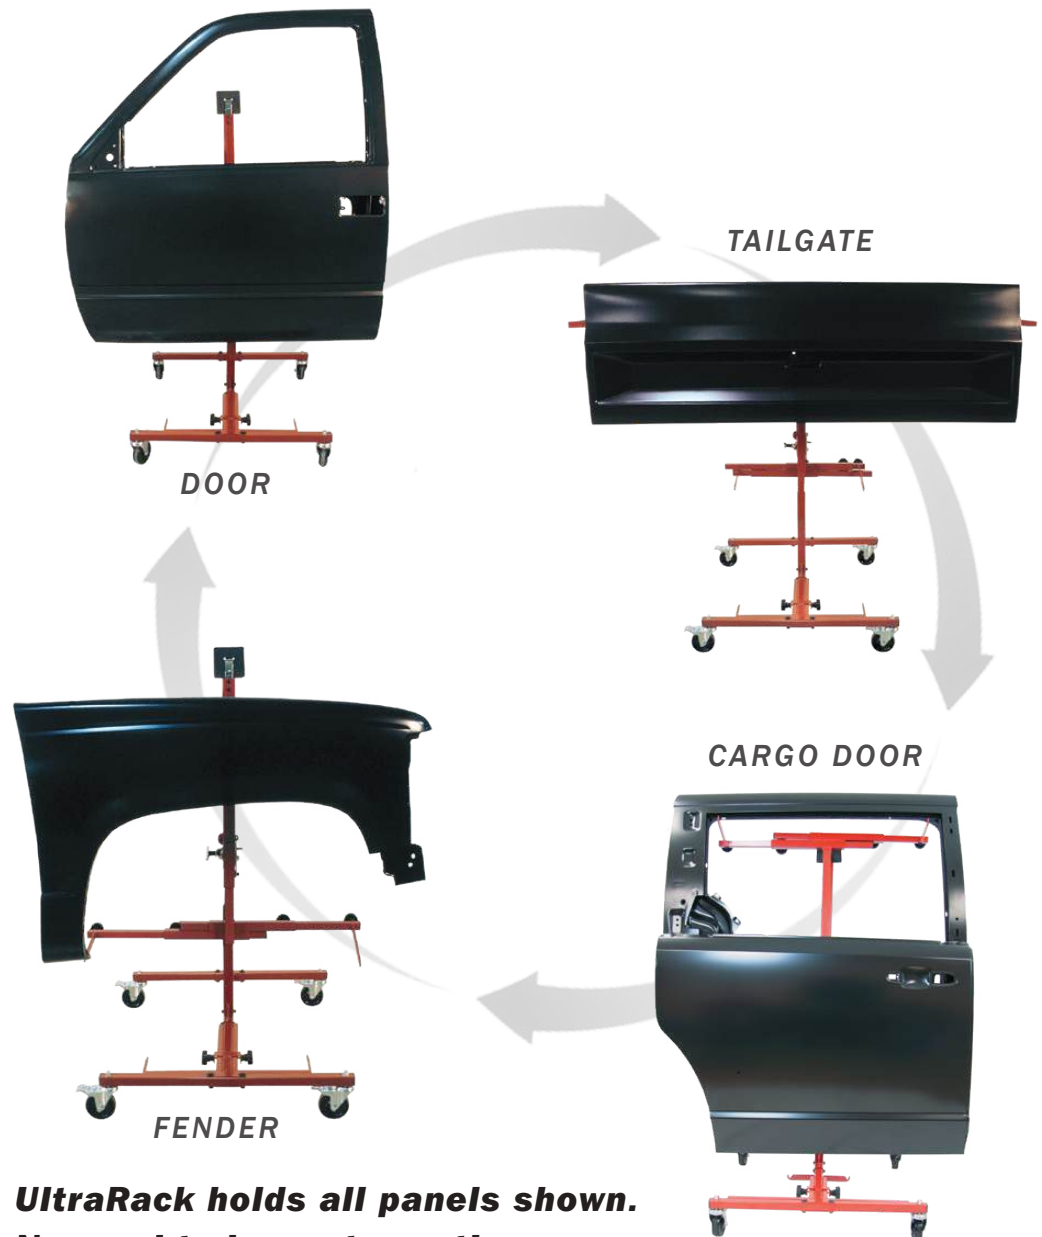

Innovative UltraRack™

Part # URPS

U.S. PATENT 7,448,606

All Innovative Paint Racks mount parts in the same position as on the vehicle for best color & texture match

**UltraRack holds all panels shown.
No need to buy extra options.**

NEW

Replacement Rubber Sleeves

Part # URPS-R20

Innovative SuperStand 6™

Part # SS-6

- > Holds the most difficult plastic bumper covers securely without touching the painted surface
- > Makes repairs, prep and painting faster and easier
- > Cover can be rotated 90 degrees to ensure proper paint coverage time after time
- > Five locking positions for a perfect angle every time
- > Protective rubber boots keep critical areas overspray-free
- > 4" industrial-grade, total-lock caster wheels for stable mobility; zero movement when locked
- > Durable powder-coat finish
- > 44"W x 30"D x 53"H
- > Weight rating 35 lbs.

The SuperStand 6 is the first and only universal mobile clamping system that securely holds the most difficult bumper covers in the world! This speeds up the repair and prep process by allowing the tech to use a D.A. sander and other air tools that will save countless hours of labor. No missed edges and no distortion during the baking process means that the cover will perfectly fit on the vehicle each and every time.

INNOVATIVE PAINT STATION™

MAKES PAINTING SMALL PARTS QUICK & EASY

Clamps easily slide out of the holder so you can hold it in your hand and rotate the part for perfect coverage every time!

Patent # D975, 393 S

The Innovative Paint Station, with its four strong removable Swivel Clamp Arms can hold mirror covers, door handles and all other miscellaneous parts securely in seconds.

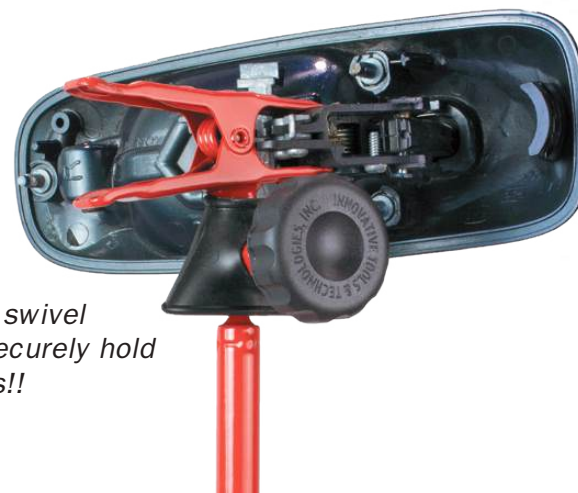

The large, clean work surface makes painting side moldings a snap!

The Innovative Paint Station will pay for itself in a short period of time through increased productivity.

Innovative Paint Station™

Part # I-PS

- > Four removeable Swivel Clamp Arms
- > Small footprint
- > Two spray gun holders for working on multiple jobs
- > Easily adjusts to your perfect working height
- > Uses standard 18" masking paper
- > Durable powder coat finish
- > 4" x 1.5" industrial grade caster wheels. Two of the wheels are total-lock.
- > Trash can included
- > Weight rating: 40 lbs.
- > 41"w x 23"d x 72"h

> Four incredibly strong swivel clamps allow you to securely hold small parts in seconds!!

INNOVATIVE MAGNETIC PAINT STATION™

Clamps easily slide out of the holder so you can hold it in your hand and rotate the part for perfect coverage every time!

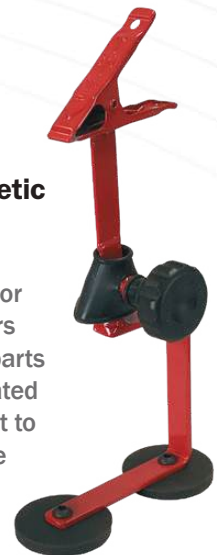

Innovative Magnetic Paint Station™ Part # I-MPS

- > Three strong removeable Swivel Clamp Arms
- > One removeable Mirror Holder
- > Four strong rubber-coated magnets hold fast to any metal surface without scratching
- > Durable powder coat finish
- > Weight rating: 15 lbs.

Innovative Magnetic Mirror Mount Part # I-MRM

- > Securely holds mirrors just like they mount on the vehicle
- > Strong rubber-coated magnets hold fast to any metal surface without scratching

Innovative Magnetic Clamp Holder Part # I-MCH

- > Securely holds door handles, gas doors and other small parts
- > Strong rubber-coated magnets hold fast to any metal surface

INNOVATIVE SPRAY GUN CABINETS

- > Easily adjusts to perfect working height
- > Locking drawer
- > Rubberized drawer liner
- > Work surface 24" x 19"
- > Drawer size 20" x 16" x 3"
- > Weight 92 pounds
- > Heavy-duty construction
- > Durable powder-coat finish
- > Lifetime Warranty

- > Two locking and two non-locking casters
- > Industry's ONLY 8" solid rubber total-lock wheels for complete mobility, stability and zero movement when locked. Rolls easily through gravel.

MULTIMATCH R

Handheld high **CRI+** LED work light with ALL DAYLIGHT

Multimatch R
Part # SG-MMR

See everything the first time.
Multimatch R with its magnetic base allows you to put the light exactly where you need it

Handy and powerful work light for inspection and detailing providing up to 1200 lumen.

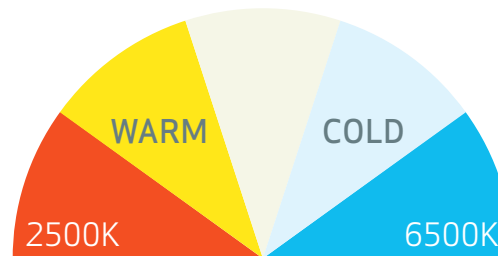

MULTIMATCH R features the outstanding ALL DAYLIGHT function, providing you with the option to choose between 5 different color temperatures depending on the job.

The lamp is easy to carry and is ergonomically designed for a good grip on the handle, which is also equipped with powerful integrated magnets for flexible mounting. This gives you high flexibility and application possibilities for internal inspection of cars and other narrow areas.

The lamp is designed for direct mounting on the SCANGRIP TRIPOD and WHEEL STAND.

Rechargeable built-in power bank with USB outlet to charge mobile devices.

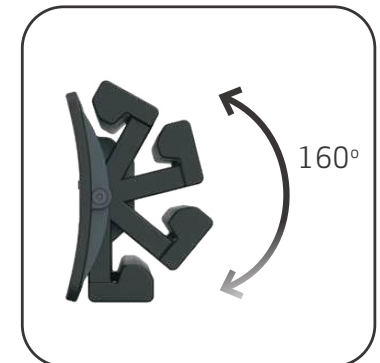

Dimensions: 6.5" x 6.5"

SUNMATCH 4

SUNLIGHT IN YOUR HAND!

High **CRI+** LED work light with ALL DAYLIGHT

Sunmatch 4
Part # SG-SM-4

Handheld rechargeable work light with excellent color rendering properties, for perfect color match.

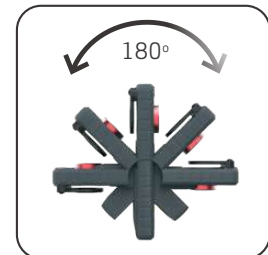

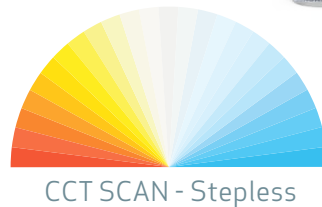

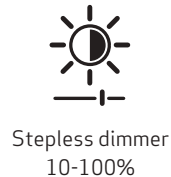

Depending on the type of job at hand, SUNMATCH 4 features an outstanding ALL DAYLIGHT function, providing you with the option to choose between 5 different color temperatures. A spotlight for inspection is included at the top. Supplied with a two-step operating option.

Place the lamp anywhere you want during inspection with the turnable sturdy hook or the strong built-in magnet. The flexible lamp head tilts up to 180 degrees. Durable construction, dust as well as waterproof, IP65. Supplied with solvent resistant glass lens. Battery indicator at front shows when the battery must be recharged.

To avoid overheating the built-in intelligent heat protection system switches to low mode (50%) after 3 minutes continuous use at high mode.

Easy to carry in the pocket or in the work belt with the built-in clip, ready at hand for quality check between prep-zone operations. SUNMATCH 4 is always ready to use and easy to find when placed in its charging base after each job.

Now comes with light diffuser.

WORLD'S ONLY COLOR CORRECTIVE HEADLAMP

For the Professional who needs Perfect Lighting

The new I-MATCH 3 features a 2 COLOR LIGHT function. This provides you with the option to choose between 2 different color temperatures depending on the type of job to be carried out. Typically, the WARM LIGHT (2500K) is useful for bright surfaces, and COLD LIGHT (6500K) is ideal for dark colored surfaces.

Supplied with the newest COB LED technology, the new, rechargeable I-MATCH 3 provides an extremely powerful illumination spreading the uniform light to the maximum and lightens up your entire field of view.

By waving your hand in front of the lamp, you will switch on the light when needed. In sensor mode, the light can easily be switched on/off, even when wearing gloves.

I-MATCH 3 is provided with the very newest rechargeable battery technology with long operating time, and sets new standards for professional work light.

Supplied with lumen output options of 25 to 250. The robust and sleek I-MATCH 3 is both dust and waterproof (IP65) with a remarkably low weight, only 4 oz., making it extremely comfortable to wear.

- Faster curing, only 1 minute through high performance
- Long lifetime > 30.000 hours and low energy consumption
- No heat generation
- Rechargeable with long operation time

Supplied with display for battery life and curing time

UV-GUN

Part # SG-UV GUN
> 1 minute cure time

TECHNICAL SPECIFICATIONS

UV LED

Irradiance at 10cm, Minimum >68mW/cm², Center 340mW/cm²

Irradiance at 56cm, Minimum >6mW/cm², Center 14mW/cm²

UV peak wavelength 395-400 nm

Curing area: 250cm² at 10cm distance / 3600cm² at 56cm distance

11.1V / 8000 mAh Li-ion

40 min. operation time

2 hours charging time @80%

IP30

IK06

1.89 kg incl. battery

Incl. SPS BATTERY 03.6004 and SPS CHARGING SYSTEM 50W 03.6007

Keep Your Techs On Task!!

**Innovative
Paint Prep Cart™**
Part # I-MCPC
PATENT #US 9,737,141 B2

Innovative Detailer Cart™
Part # I-MCDC

PATENT #US 9,737,141 B2

Every Innovative Material Cart:

- > Conveniently stores material & supplies in full view at any angle
- > Rolls right into your work area for greater efficiency
- > Facilitates easy-to-use bar code system; tags provided
- > Eliminates extra trips to the supply room; keeps technicians on the job, saving time and money
- > 4" industrial-grade, total-lock caster wheels for stable mobility; zero movement when locked
- > Durable powder-coat finish
- > Lifetime warranty

**Innovative
Bodyman Cart™**
Part # I-MCBM

PATENT #US 9,737,141 B2

NEW Buffer Holder option
available. See page 35.

POINT OF USE ADHESIVE CART

Innovative Adhesive Cart™

Part # I-MCAC

Patent #US 9,737,141 B2

Quit wasting expensive materials!

Keep partially used tubes up front to be used first, with the new backup tubes waiting right behind them. No more misplaced, partially used tubes lost in cabinets or on shelves.

Includes:

- > 1 Shelf Mat - Part # I-SM
- > 1 Aerosol basket - Part # I-CH
- > 1 Applicator Gun Holder - Part # I-AGH
- > 1 Tray 2-Section - Part # I-T2
- > 2 Tray 3-Section - Part # I-T3
- > 8 U-Hook - Part # I-UH
- > 2 Single Hook - Part # I-SH
- > 50 Barcode Tag Holders
- > 1 Trash Can - Part # I-TC
- > 1 Glove Box Holder - Part # I-GB
- > 1 Large Box Mount - Part # I-BM
- > 1 Box Holder - Part # I-BH
- > 1 Quad Bottle Holder - Part # I-QH
- > 3 9-Bottle Holder - Part # I-9B
- > 2 Hex Bottle Holder - Part # I-HB

Features, Advantages:

- > Monitor & track repair materials
- > Everything needed for the job in one portable location
- > Open wire design allows quick and easy inventory count at a glance
- > Eliminates extra trips to the supply room, keeps technicians on the job – saving time and money
- > By keeping the partial used tube in front with two full back-ups behind it, techs never run out of material at a critical time
- > Multiple techs can work from one cart
- > Durable powder-coat finish
- > Easy to rotate inventory; no more expensive products expiring
- > Lifetime Warranty

MATERIAL CART ACCESSORIES

Innovative Masker Option

Part # I-MO

- > Holds one roll of 6" to 12" paper and two rolls of 18" paper.
- > Thick steel blades allow for longevity while maintaining smooth cutting
- > Easy loading of paper rolls and tape
- > Heavy-duty all steel construction
- > Durable powder-coat finish
- > Lifetime warranty

Innovative Vertical Masker Option

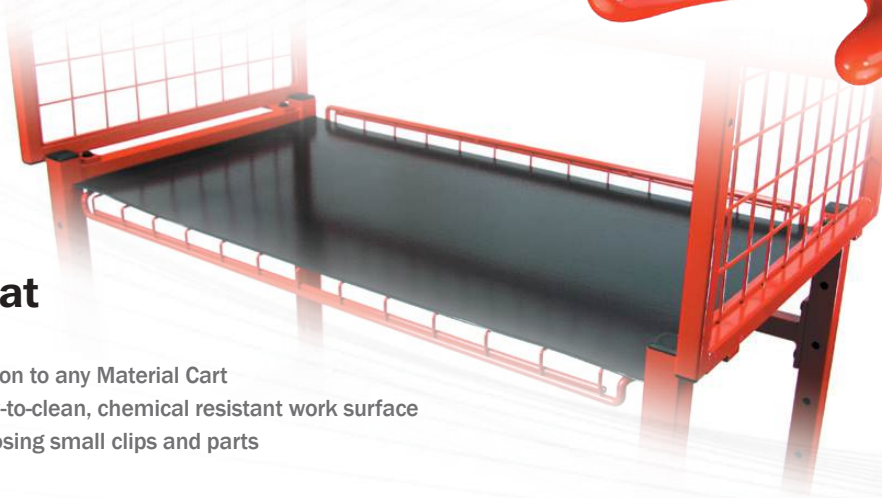

- > Lower cup design allows trouble-free vertical dispensing

Shelf Mat

Part # I-SM

- > A great addition to any Material Cart
- > Durable, easy-to-clean, chemical resistant work surface
- > Helps avoid losing small clips and parts

Innovative Vertical Masker Option

Part # I-M036 Patent #10,143,300

- > A must-have option for the Innovative Material Cart w/Masker
- > Industry's only stainless steel tear blade for clean, smooth cuts
- > Plastic sheeting dispenses from factory box, keeping it dust free
- > Nylon bushings for easy material rotation
- > Heavy-duty all-steel construction
- > Durable powder-coat finish
- > **Lifetime Warranty**
- > 12"W x 18"D x 44"H

INNOVATIVE GLASS STORAGE

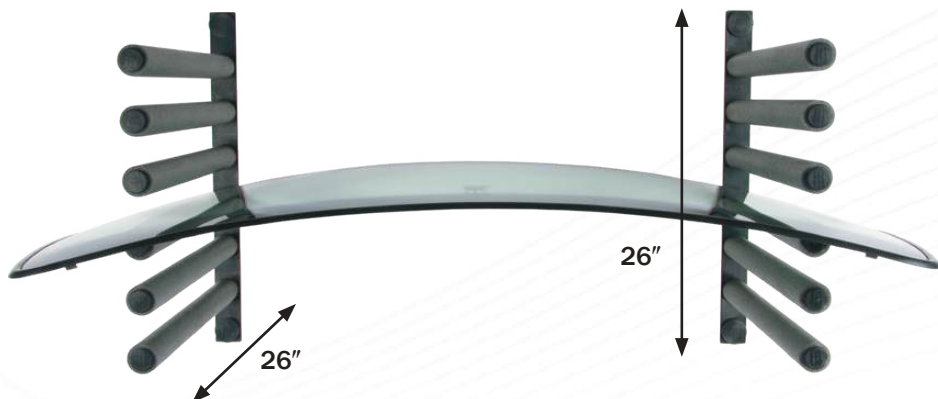

Innovative Wall Glass Rack™

Part # I-WGR

- > Holds 6 windshields
- > 2" wide flat steel base for very secure wall mounting
- > Extensive rubber and foam padding
 - no metal-on-glass contact
- > All mounting hardware included
- > Durable powder coat finish
- > Lifetime Warranty
- > 39"W x 26"D x 26"H
- > Weight Rating 150 lbs.

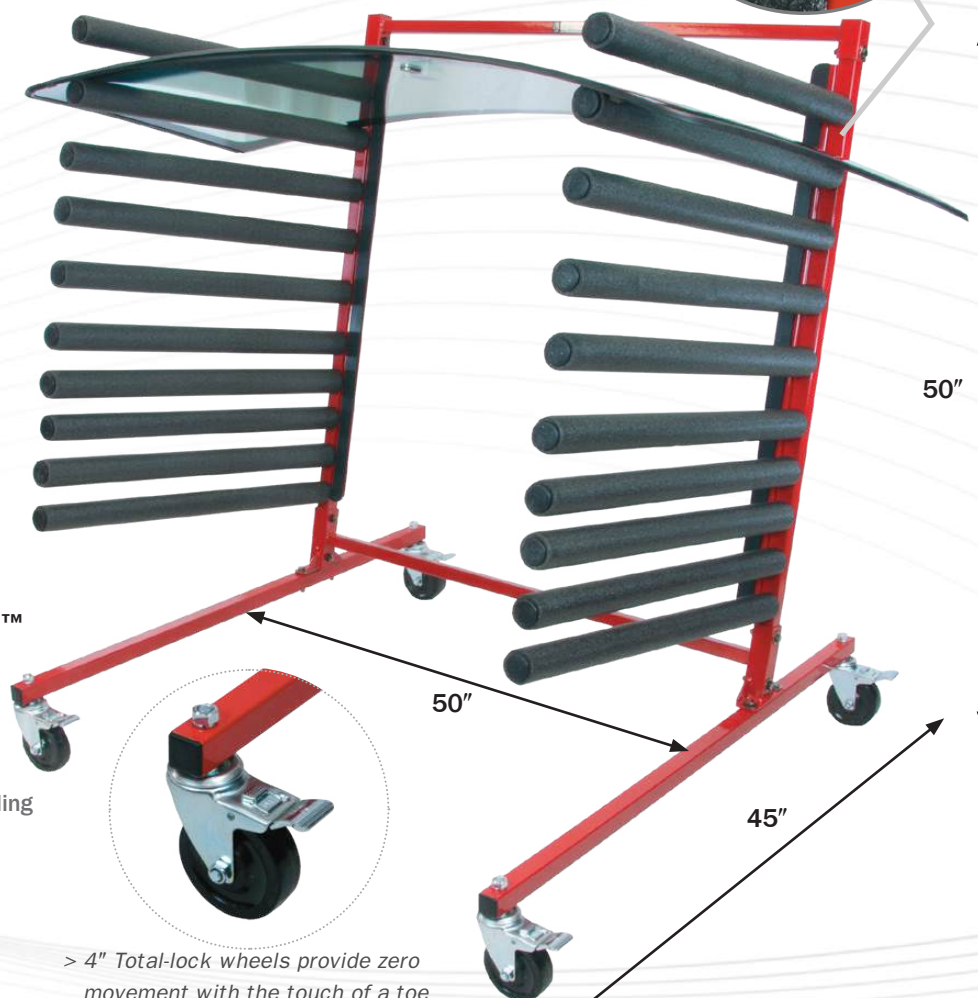

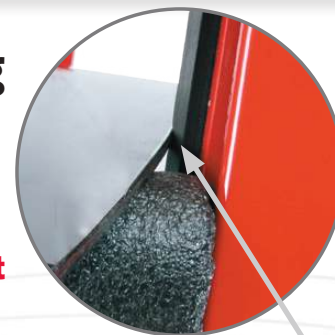

Extensive rubber padding

14° pitchback for easy loading and unloading

Extensive rubber and foam padding – no metal-on-glass contact

Innovative Mobile Glass Rack™

Part # I-MGR

- > Holds 10 windshields
- > Extensive rubber and foam padding
 - no metal-on-glass contact
- > 14° pitchback for easy loading and unloading
- > Heavy gauge steel construction
- > Durable powder coat finish
- > Lifetime Warranty
- > 50"W x 45"D x 50"H
- > Weight Rating 300 lbs.

> 4" Total-lock wheels provide zero movement with the touch of a toe

BUMPER & PANEL STORAGE

42"

Folded for half-usage mode

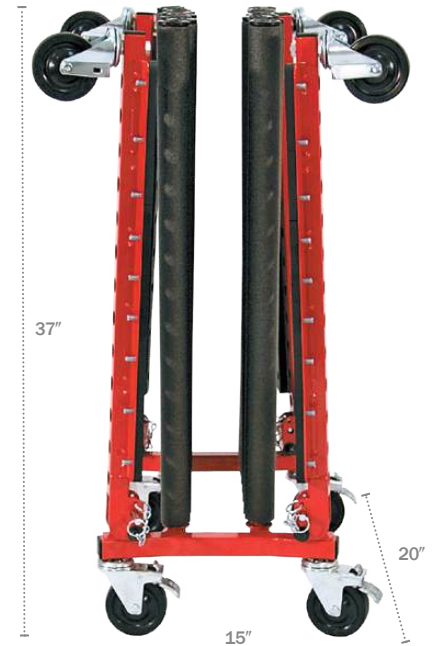

Innovative Panel-Cart™

Innovative Panel-Cart™

Part # I-PC

- > Industry's only panel cart that folds up & stays up when not in use
- > Holds up to six large panels and glass
- > Extensive rubber & foam padding – no metal-on-metal contact; no damage
- > Can be used as whole or half unit
- > Sixteen posts and twenty-six post settings for custom adjustment (posts adjust every 2")
- > Support posts store with the cart
- > 4" Industrial grade, easy-glide, total-lock caster wheels for stable mobility; zero movement when locked
- > Folds to store in only 2 square feet of floor space
- > Durable powder-coat finish withstands rough handling
- > Lifetime Warranty
- > Weight Rating 400 lbs.

37"

TAKE CONTROL OF YOUR PANEL & BUMPER STORAGE

Innovative Wall Bumper Storage™

Part # MBW

U.S. PATENT 7,314,143

- > Holds 6 large bumper covers
- > Totally adjustable wall racking system puts big bumper covers in their place & saves space
- > Support arms adjust in 3" increments to accommodate large and small bumpers
- > Support arms fold down when not in use
- > Patented high-carbon, heat-treated steel brackets stands up to heavy loads
- > Can be mounted top-bottom (shown below) or side-by-side
- > Durable powder-coat finish withstands rough handling
- > Lifetime Warranty
- > 39"W x 23"D x 41"H - 82"H
- > Weight Rating 200 lbs.

One Innovative Wall Bumper holds **6 bumpers** (as shown)

Includes:

- > Four Mounting rails
- > Twelve 23" Support arms
- > Mounting hardware

- > Stores down flat when not in use

Includes:

- > Eight 23" Support arms
- > Eight 18" Support arms

Innovative Mobile Bumper Storage™

Part # MBM

U.S. PATENT 7,314,143

- > Holds 8 large bumper covers
- > Totally adjustable support arms put big bumper covers in their place & saves space
- > Support arms adjust in seconds to customise your storage needs
- > Eight extra-long arms for oversized bumper covers
- > Patented high-carbon, heat-treated steel brackets stands up to heavy loads
- > 4" locking wheels for easy mobility
- > Durable powder-coat finish, stands up to rough handling
- > Support arms adjust every 3"
- > 41"W x 37"D x 85"H
- > Lifetime Warranty
- > Weight Rating 250 lbs.

INNOVATIVE DOOR-JACK

ALLOWS ONE TECH TO DO THE JOB OF TWO

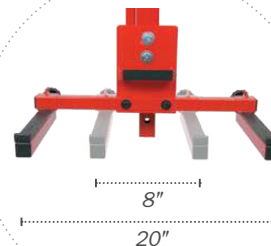

Innovative Door-Jack™

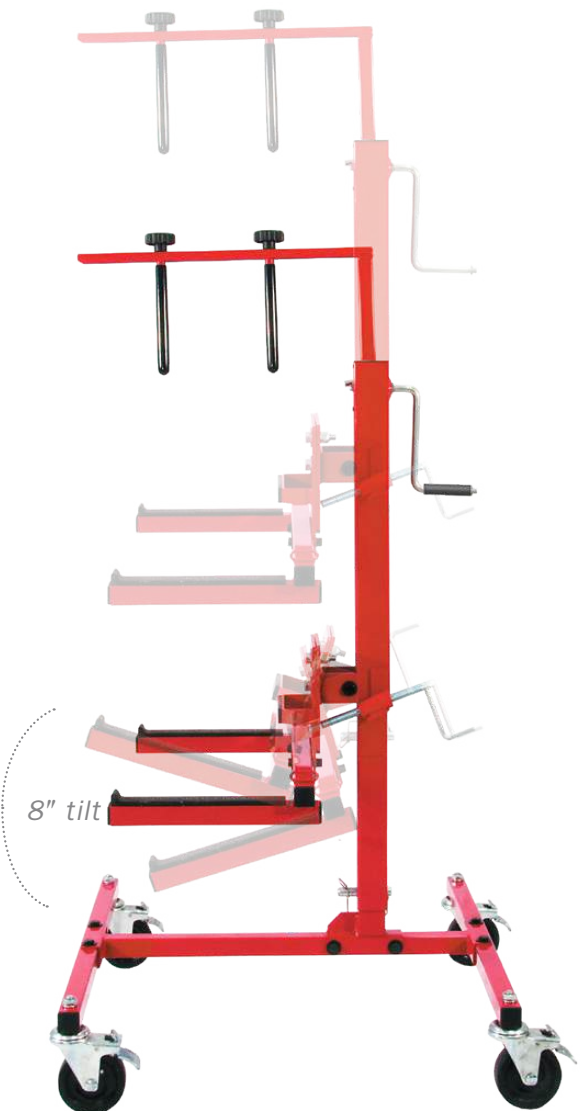

Part # I-DJ

- > Now one tech can handle truck bumpers and doors alone
- > Ample padding, no metal-on-metal contact, no damage
- > Industry's only 8" front-to-back tilting adjustment
- > Side-to-side tilt adjustment for easier door removal & installation
- > Wide stance adds uncompromised stability
- > 4" industrial grade, easy-glide Total-lock caster wheels for stable mobility; zero movement when locked
- > Support Pads adjust from 7" to 32" from the floor
- > Heavy gauge steel construction
- > Durable powder-coat finish
- > Three Year warranty
- > Weight Rating 200 lbs.

> Support Pad adjustment ranges from 8" - 20"

> 4" Total-lock wheels provide zero movement with the touch of a toe

HANDLE LARGE CARGO DOORS WITH EASE

Rubber-coated guide arms protect painted surfaces from damage.

One tech ALONE can remove and install truck bumpers

Innovative Door-Jack Option

Part # I-DJO

- > Handle huge cargo doors with ease!
- > Now, ONE TECH can remove and install a large cargo door without help
- > Durable powder coat finish
- > Lifetime warranty

Above photo shows Door-Jack Option in stored position, which allows normal operation of the Door-Jack without interference.

INNOVATIVE TRUCK BED DOLLY

SIMPLY THE BEST

Innovative Truck Bed Dolly™

Part # I-TBD

- > Folds to the smallest footprint in the industry for space-saving storage
- > Easy 4-way adjustment to fit any size truck bed
- > Also holds panels and hoods
- > Multiple adjustments for ideal work height
- > Four rubber pads prevent truck bed from slipping
- > Solid rubber 8" total-lock caster wheels, never go flat, easy-glide with zero movement when locked
- > Weight rated to 600 lbs.
- > Durable powder-coat finish
- > Lifetime Warranty

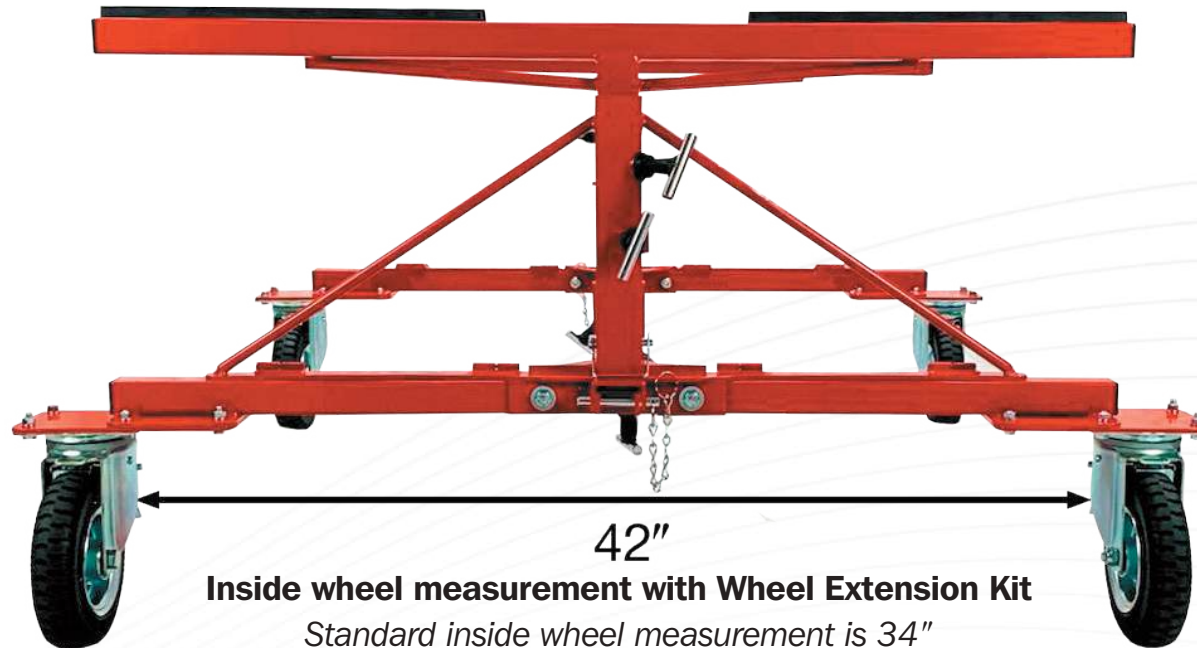

Industry's **ONLY**
freestanding folded-storage design

- > Industry's **ONLY** 8" solid rubber total-lock wheels for complete mobility, stability and zero movement when locked

INNOVATIVE TRUCK BED DOLLY WHEEL EXTENSION KIT

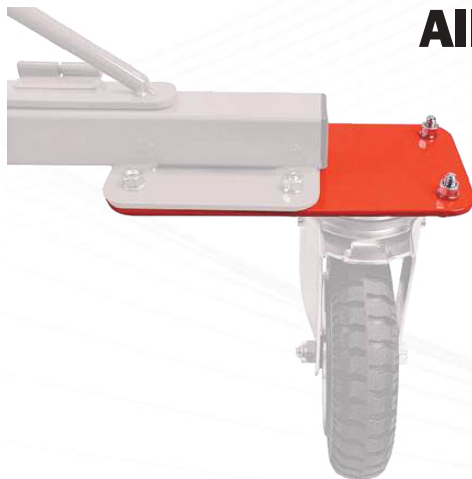

**Allows the use of the ProLine Lift King
Pickup Truck Box Lift**

NEW

**Innovative Truck Bed Dolly
Wheel Extension Kit**

Part # I-TBD-WEK

> Includes four wheel mounting plates
and all hardware
Wheels not included

INNOVATIVE BED LIFT

Innovative Bed-Lift™

Part # I-BL

- > Allows one-person truck bed removal
- > Four rubber-padded support arms prevent slippage and damage
- > Adjustable center hook allows even weight distribution
- > Durable powder-coat finish
- > Lifetime Warranty
- > Support Arm Adjustment 40" – 73" wide
- > Weight rated to 600 lbs.

Recommended use with engine hoist or
overhead electric hoist

INNOVATIVE MOBILE MASKER DELUXE

The Perfect Masker for the Multitasker!

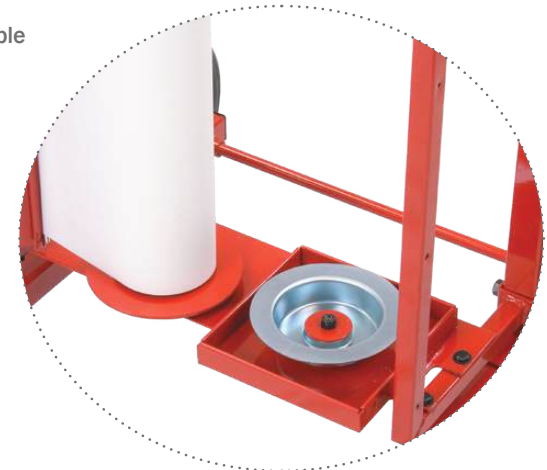

< Innovative Mobile Masker Deluxe™

Part # I-MMD Patent #10,143,300

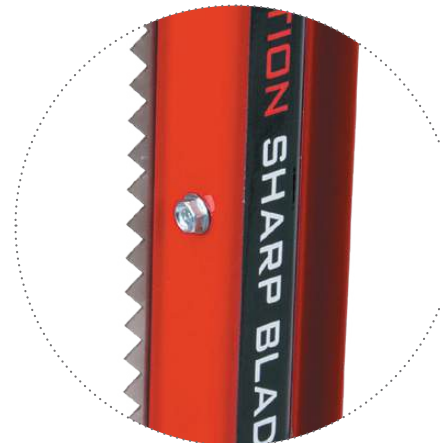

- > Holds one roll of up to 12" paper and two rolls of up to 18" paper.
- > Narrow 19" profile makes it easy to maneuver around the shop
- > Thick steel blades allow for longevity while maintaining smooth cutting
- > Easy loading of paper rolls and tape
- > Convenient basket for extra tape, tools and supplies
- > 4" industrial grade, total-lock caster wheels for zero-turn stable mobility; zero movement when locked
- > Holds a roll of 36" paper & a box of plastic sheeting
- > Industry's only 36" stainless steel tear blade for clean, smooth cuts
- > Plastic dispenses from factory box to keep it dust free
- > Nylon bushings for easy material rotation
- > Heavy-duty all steel construction
- > Durable powder-coat finish
- > Measures: 19" W x 33" L x 54" H
- > Lifetime warranty

> Lower cup design allows trouble-free vertical dispensing

Innovative Mobile Masker Deluxe™

Part # I-MMD

> Industry's only 36" stainless steel tear blade for clean, smooth cuts

> 4" x 1.5" Total-lock wheels provide zero movement with the touch of a toe

INNOVATIVE MOBILE MASKER

THE HIGHEST QUALITY MASKERS MADE

Innovative Mobile Masker™

Part # I-MM

PATENT PENDING

- > Holds one roll of up to 12" paper and two rolls of up to 18" paper.
- > Narrow 19" profile makes it easy to maneuver around the shop
- > Thick steel blades allow for longevity while maintaining smooth cutting
- > Easy loading of paper rolls and tape
- > Convenient basket for extra tape, tools and supplies
- > 4" industrial grade, total-lock caster wheels for zero-turn stable mobility; zero movement when locked
- > Heavy-duty all steel construction
- > Durable powder-coat finish
- > Measures: 19" W x 33" L x 45" H
- > Lifetime warranty

Sharp galvanized steel blade for clean cuts every time

Optional Trash Can for Mobile Masker

Part # I-TC

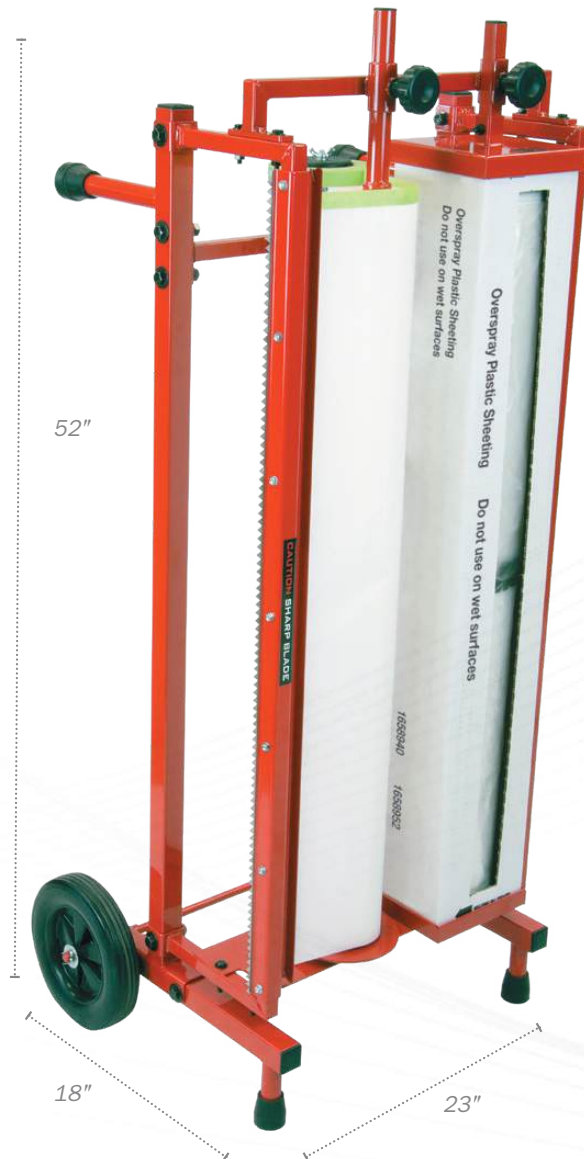

INNOVATIVE PAPER & PLASTIC DISPENSER

Innovative Paper & Plastic Dispenser™ Part # I-PPD PATENT #10,143,300

- > Industries only paper & plastic dispenser for vertical & horizontal use
- > Plastic sheeting dispenses from factory box to keep it dust-free
- > Holds a roll of 36" paper & a box of plastic sheeting
- > Nylon bushings for easy material rotation
- > Large 8" wheel for easy mobility
- > Heavy-duty, all steel construction
- > Dispenses all brands of plastic sheeting Roll sizes: 12', 16', 20'
- > Durable powder-coat finish
- > Lifetime Warranty
- > 18"W x 23"D x 52"H

> Lower cup design allows trouble-free vertical dispensing

> Industry's only 36" stainless steel tear blade for clean, smooth cuts

> Easily dispense both paper & plastic from the vertical or horizontal position for long, clean paper tears

INNOVATIVE MOBILE PLASTIC SHEETING DISPENSER

Innovative Mobile Plastic Sheeting Dispenser™ Part # I-MPSD Patent #10,143,300

- > Keeps your plastic sheeting off of the floor
- > Plastic sheeting dispenses from factory box to keep it dust-free
- > Easily dispense from the vertical or horizontal position
- > Upper & lower cup design allows trouble-free vertical dispensing
- > Nylon bushings for easy material rotation
- > Large 8" wheel for easy mobility
- > Dispenses all brands of plastic sheeting – sizes 12'-16'-20'
- > Durable powder-coat finish
- > Lifetime Warranty

> Upper & lower cup design allows trouble-free vertical dispensing

> Solid core 8" wheel

> Factory box keeps plastic dust-free

PUT YOUR PLASTIC IN THE PERFECT POSITION

NEW

14 neodymium magnets are molded into each of the 6 large rubber-coated base units. Will not scratch booth wall. Incredibly strong.

Innovative Magnetic Wall Plastic Sheeting Dispenser™

Part # I-MWPSD

- > Keeps your plastic sheeting off of the floor in an ideal, convenient location for easy dispensing
- > Plastic sheeting dispenses from factory box to keep it dust-free
- > 6 industrial-grade rubber-coated magnets for secure holding power
- > Can easily be moved to any metal surface in or out of your paint booth
- > Dispenses all brands of plastic sheeting – sizes 12'-16'-20'
- > Durable powder-coat finish
- > Lifetime Warranty

Metal end cups with nylon bushings makes for effortless dispensing of plastic sheeting

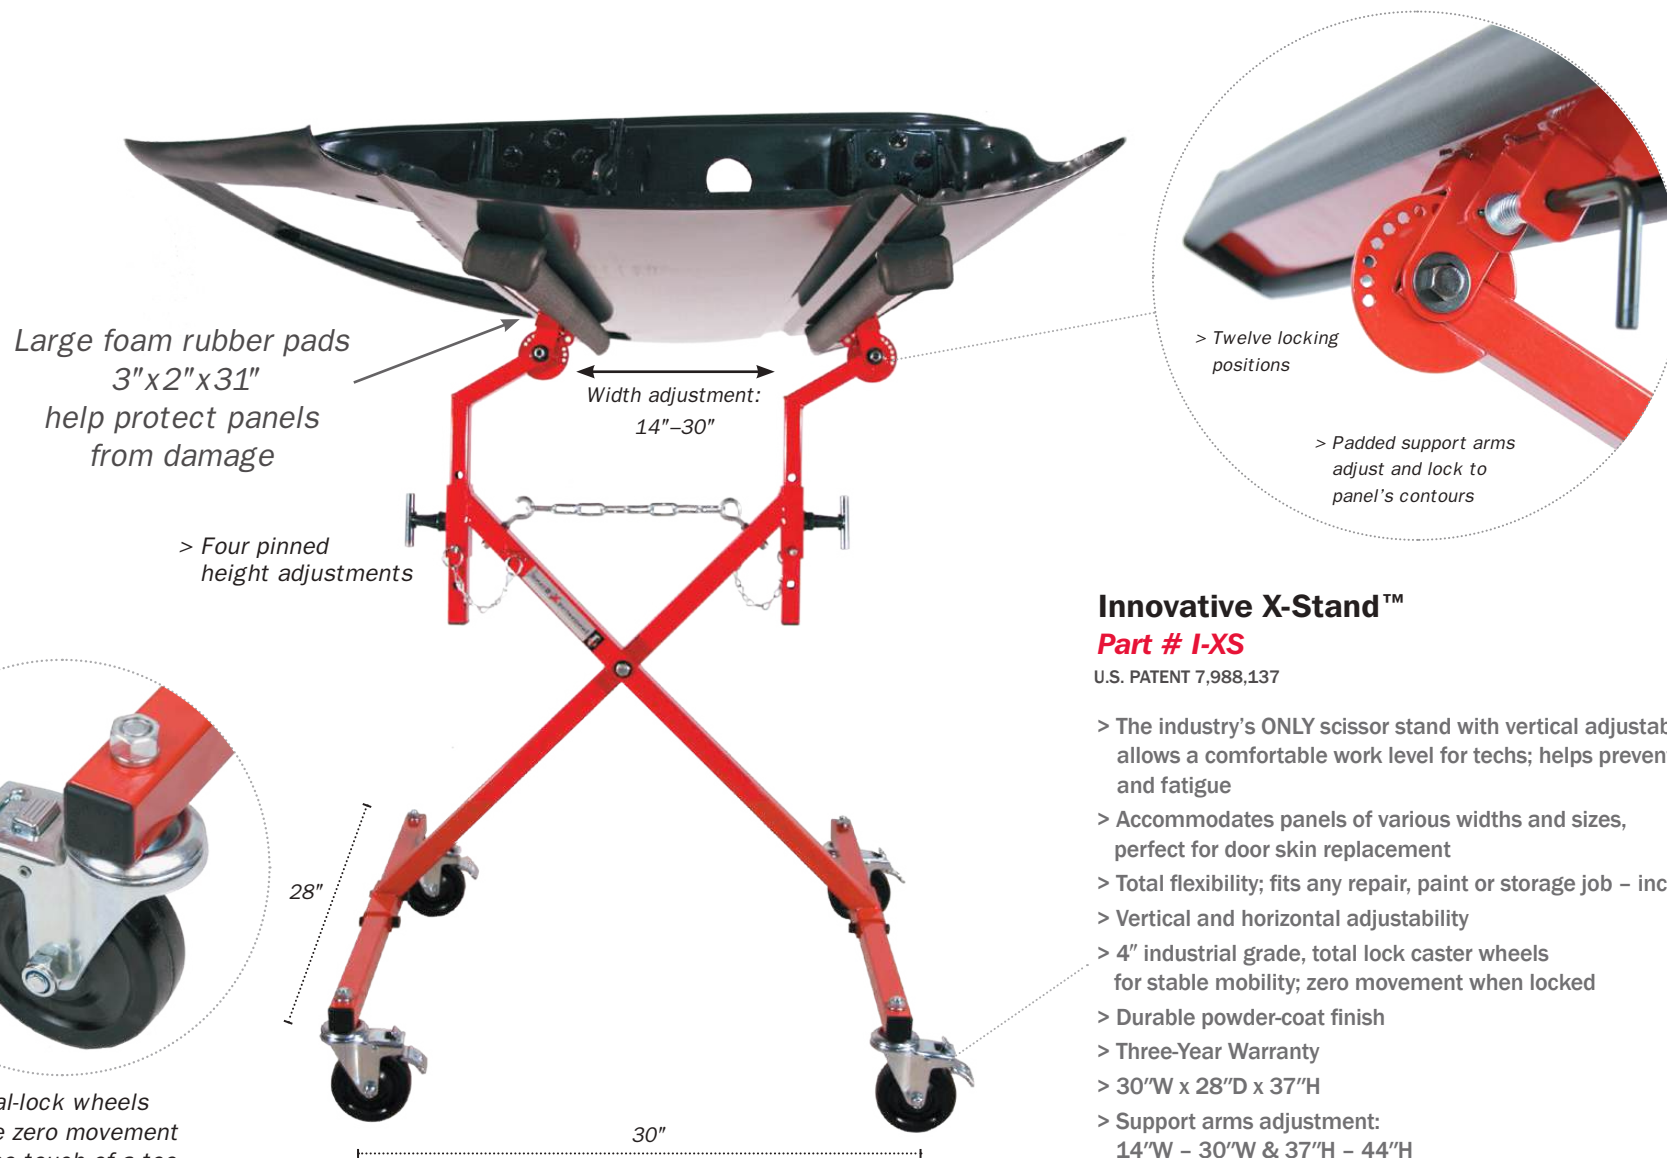

You have two options for cutting the sheeting: razor blade or scissors, as shown.

Both sides have holders for scissors and razor blades

EXPERIENCE THE X-FACTOR

SO MUCH MORE THAN YOUR AVERAGE SCISSOR STAND!

Innovative X-Stand™

Part # I-XS

U.S. PATENT 7,988,137

- > The industry's ONLY scissor stand with vertical adjustability allows a comfortable work level for techs; helps prevent back injury and fatigue
- > Accommodates panels of various widths and sizes, perfect for door skin replacement
- > Total flexibility; fits any repair, paint or storage job – including glass
- > Vertical and horizontal adjustability
- > 4" industrial grade, total lock caster wheels for stable mobility; zero movement when locked
- > Durable powder-coat finish
- > Three-Year Warranty
- > 30"W x 28"D x 37"H
- > Support arms adjustment: 14"W – 30"W & 37"H – 44"H
- > Weight Rating 125 lbs.

THE PERFECT OPTION!

EVER NEED AN EXTRA HAND?
HOW ABOUT TWO!

NEW

Hold large bumper covers during the repair process or parts transfer

Optional Support Arms conveniently store out of the way on the X-Stand

Innovative X-Stand Support Arms Option PART # I-XS-SA

X-Stand sold separately

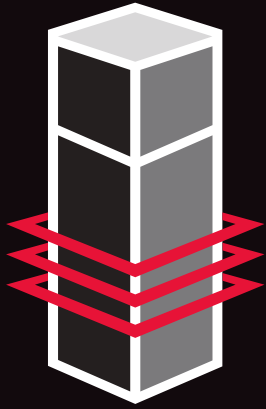

- > Clamps have plastic tips to protect painted surfaces
- > Durable powder coat finish
- > Lifetime warranty

Securely holds the door during door skin replacement
