

PAICAR

POLISHING SOLUTIONS FOR CAR CARE AND DETAILING

PaiCar is the automotive line studied, developed and manufactured in Italy by Pai Cristal Italia. It includes a simple yet complete range of compounds and polishes for professional car care and detailing.

Pai Cristal Italia's goal with PaiCar is providing clear, tangible, and easy solutions, as well as effective and convenient polishing products and processes which speed up professional daily activities.

Pai Cristal Italia is a multinational company that maintains its Italian heritage of quality. Pai Cristal specialises in the development and production of polishing processes, products and surface treatments. It is a global player in the eyewear, fashion accessories finishing, automotive and composites sectors. Pai Cristal Italia has always remained devoted to its customers, suppliers and friends since its inception in 1965.

PaiCar is a complete polishing system: compounds come along with specifically developed polishing pads, which enhances the overall performance.
