

OUR COMPANY

Klokkerholm is one of Europe's leading companies in the production and distribution of alternative crash and rust repair parts for the automotive aftermarket.

With 35,000 different part numbers, we cover almost every visible part of a car to more than 2,300 car models across 60 different makes. Are you a classic car enthusiast? We provide more than 2,500 part numbers specifically for classic cars.

Discover our extensive product range at www.klokkerholm.com. Here, you can easily search by car make and model, Klokkerholm part number, OE number, TecDoc K-type, or registration number.

Klokkerholm has a strong international logistics setup, allowing us to deliver our products all over Europe. We offer an efficient delivery service, ensuring fast delivery with exceptionally high reliability.

Despite the company's vast size of over 30,000 m², we prioritize close relationships and personalized service. Klokkerholm offers one of the most comprehensive ranges on the market, featuring a mix of our own production and carefully selected traded goods.

Choose Klokkerholm for superior customer service and unparalleled expertise and quality in crash and rust repair parts. Visit our website today and see how we can meet your aftermarket needs.
