CAR COSMETICS

SHAMPOO PREMIUM

The highly concentrated Fresso Premium Shampoo body shampoo will remove all dirt from your car, creating an easy-to-rinse foam on its surface. Thanks to highly concentrated ingredients, it is extremely efficient. Just 35 ml per 10 liters of water is enough!

The product has a neutral pH. It is safe for waxes and sealants, leaving your car spotlessly clean.

Its fresh and extremely fine scented fragrance makes it impossible to pass by the product indifferently.

CAPACITIES	QUANTITY PER MULTIPACK	EAN

WOODEN HANGER

An elegant, scented, wooden hanger with a brown, braided string is a sophisticated accessory that will perfectly match any car interior.

You will be positively surprised by the Fresso hanger, its unique form as well as a long-lasting and brilliantly composed fragrance.

Due to their natural origin, the hangers may slightly differ in appearance, which makes them unique and exceptional.

FORMULATION

Formulation selected by the professional Fresso team

QUALITY

Only the highest quality products that guarantee an amazing fragrance.

LONGEVITY

Hang the tag and forget it. Enjoy the fragrance for up to 31 days!

Long-lasting and stable scent.

Sensual fragrance notes of Fresso hangers are released in a continuous and controlled manner. We have eliminated sudden, too intense scent discharge, which is why the scent remains constant for nearly the entire period of the hanger's use.

CAR PERFUME

In the form of an atomizer.

A unique fragrance composition, enclosed in a glass bottle of Fresso perfume, will impress with its expressive depth. The cap made of wood emphasizes its uniqueness and elegance.

Dose Fresso perfume as you like, the fragrance intensity depends on your preferences. At any time, you can refresh and enhance a subtle scent, which will fill your car again.
