

Come to the Dark Side

With patent pending Onyx resin, take disguising rock-chips to a whole new level.

- 💧 Top Tier Resin for Top Tier Professionals
- 💧 34% Stronger Than Competitor's Resin
- 💧 Formulated to Last
- 💧 Enhanced Cloaking Technology

"First thing that came to mind after using it for the first time, was why didn't we have this sooner. I thought I was already doing awesome repairs and now they are nearly invisible."

— Alfredo Calva, Alfredo's Auto Glass
