

## Who we are?

**Snovit** is a **Comercial Jope** brand with more than 40 years of experience in the distribution of automotive accessories and direct support to our distributors and customers with an excellent product and an efficient, agile and top-quality service.

## Why Snovit?

For all the advantages.

## Competitive product

### Import prices with European guarantee

Get **import prices** with the best conditions and the guarantee of an European company with more than 40 years in the snow chain market.

Work with **TÜV** and **ÖNORM** certified products and the guaranteed quality of more than 5 million sets sold.

## Optimize your stock

### Buy only what you need

Reduce your initial seasonal stock reducing risk in a low snow winter.

Our security stock will guarantee immediate repositions.

## Immediate repositions

### Service and confidence

Don't run out of stock during the season.

We maintain enough stock to meet your orders in **24 hours**.

Our goal is helping to reduce your inventory costs while maintaining the quality of your service.

## Customizable product

### We help to build your brand

If you already have a brand, we can customize the product to your high-volume needs.

## Technical support

### We take care of your product

We continually update the product technical information and we put it at your disposal, helping with your sales.

## Claims management

### We take care of everything

In case you have any unforeseen event with our product, count on the guarantee of an European company that will assist you to find the better solution.

## Support material

### Everything you need to sell

We put at your disposal all the promotional and merchandising material you need to promote the product and improving your sales.

## Satisfied customers

### Much more than a supplier

More than 1,000 distributors in 21 countries have trusted **Snovit**.

We would like you to be one of them.

**Glad to help you**
