REINAUTOTM

Genuine Parts Trader

*The Company was founded in 1990 from the necessity of developing Multi Brand International Partnerships. Today **REINAUTO** has activities in Bulgaria, Africa, South America, Middle Est and India and has become a group of companies mainly focused on OE spare parts distribution.*

We want to grow our joint business by being flexible, loyal and transparent. We strive for long term partnerships as we believe that is the base for a solid, secure and future proof cooperation, which is valuable and profitable for both parties.

*In order to expand our reach and explore new international opportunities, we have formed a strategic partnership with **Nexus Automotive International**. This collaboration enables us to capitalize on emerging markets and broaden our customer base on a global scale.*
