EU Type Examination Certificate

Date: 2019/02/18

n. **800190801/TE**

Validity:
2024/02/17

This Certificate is a translation in English of the original Certificate issued in Italian

The hereunder described items of Personal Protective Equipment have overcome positively the "EU type examination" (Module B), proving their conformity to the safety and health requirements of the Regulation (EU) 2016/425 (Annex II)

Manufacturer: (Responsible of the PPE)	HUNTSMAN GOMET S.R.L. Via Strada Tomboletto 12 – 10010 Azeglio – Torino	
Type of PPE:	Knee protectors for work in the kneeling position – Type 3 = (devices not attached to the body)	
Category of PPE:	II : "medium" risks. This certificate is based on reference standards listed below: its validity is no longer ensured should new version of the standards come into force.	
Model	"GNSBK001R" Genibus	
Description:	Protective mat for kneeling positions, entirely in black foam material, declared PU (Integral Skin Foam), without fastening system.	
		
Technical Standard:	EN 14404:2004 + A1:2010 (UNI EN 14404:2010)	Knee protectors for work in the kneeling position
Intended use:	preventive use while performing activities in a kneeling position on flat floor surfaces; providing protection against the risks of discomfort and injuries caused by hard surfaces. Providing no protection from small stones and similar objects lying on the floor (these protectors are not intended for medical and sports use)	
Size range:	one size (suitable for users with 65-90 cm waist circumference)	
Technical File:	DC-9835	
Test report:	RCT n°3735101	

EU Type Examination Certificate

Date: 2019/02/18

n. **800190801/TE**

Validity:
2024/02/17

Functions and
performance levels:

the protector satisfy the general requirements of innocuousness and ergonomics and is suitable to be used for limiting traumas of mechanical nature:

Test	Achieved performance
- Force distribution - Peak transmitted force	26,4 N (requirement ≤ 30 N) Mean value 0,7 kN (requirement ≤ 3 kN)
Penetration resistance	Level 0 = providing no protection against penetration

The protective functions also depend on the correct positioning of the protector, which falls within the responsibility of the user.

Marking:

Embossed directly on the protector and displaying the following information:

GNSBK001R

Huntsman Gomet S.r.l.
Strada Tomboletto 12
10010 Azeglio - TO
Italy

Regulation (UE) 2016/425

TYPE 3
Level 0

EN 14404:2004 + A1:2010

- **CE Marking;**
- name/address and registered Trademark of the Manufacturer;
- designation of the item;
- reference Standard; type and level achieved;
- pictogram chosen by the Manufacturer;
- pictogram "i in the booklet" inviting the user to read the User Manual.

NOTE: the Technical File contains a more detailed description of the PPE (material, method of assembly, photographs or drawings), performance data, safety functions and level of protection, elements of conformity to the basic and supplementary requirements.
The Technical File is integral part of the present Certification, which has to be kept available by the applicant to be forwarded - upon request - to the entitled person (supervising body, Controlling Officer).
