FOR 50 YEARS **VEMA**
HAS BEEN THE ITALIAN LEADER IN
THE INDEPENDENT AFTERMARKET
FOR STEERING AND SUSPENSION
PARTS. **VEMA** HAS ALWAYS BEEN AT
THE FOREFRONT, DYNAMIC AND
CAREFUL TO THE EVOLUTION OF
THE MARKET WHICH BECOMES
MORE SELECTIVE EVERY DAY.

VEMA IS RENOWNED FOR THE
ATTENTION IT PAYS TO EACH ITEM
IN ITS RANGE. IN FACT, PRODUCTS
ARE OFTEN ADJUSTED IF NEEDED
WHERE ORIGINAL COMPONENTS'
DESIGN MADE BY OE
MANUFACTURER IS PROVEN TO BE
LACKING IN PERFORMANCE.

THE ICONIC VEMA CARTOON CAR

Born as an iconic image for
the **1978** Turin Exhibition.
The character on the left recalls
the suspension arm for FIAT 127,
one of the historic items which was first
commercialized by **VEMA**, while the one on the right
recalls the steering rod for FIAT 500. In the same
year, the historic EYE logo of **VEMA** was created.
