# EXCEPTIONAL PERFORMANCE, PRECISION ENGINEERING AND DURABILITY

Hotbray Ltd is the primary distributor for BWI Group's air springs and damper modules. BWI Group is a comprehensive original equipment (OE) supplier specializing in chassis and suspension. In addition to a diverse selection of struts and shock absorbers, BWI Group also manufactures fully integrated damper modules.

Survive extreme off-road conditions while simultaneously providing extreme comfort on and off-road

Designed in a modular way, BWI Group Air Suspension Modules minimize the number of custom components and maximize commonality between the front and rear

Maintain same vehicle trim height independent of payload commonality between the front and rear
