Lubricates • Penetrates • Protects

YOUR COMPLETE MAINTENANCE SOLUTION

YOUR COMPLETE MAINTENANCE SOLUTION

THE SQUEAKS TERMINATOR

QP010 / QP012 300gm / 160gm

- Penetrates & prevents rust.
- Lubricates & stops squeaks.
- Displaces moisture.
- Facilitates wet starts.
- Protects against corrosion on battery terminals.
- Protect ignition system from moisture.

BRAKE PARTS CLEANER

QP801 350gm

- Removes brake fluid, gum, varnish, oil & other contaminants.
- Dries completely.
- Can clean without dismantling brakes.
- Cleans clutches & increases clutch grip & less slipping.

HEAVY DUTY SPRAY GREASE

QP103 300gm

- Premium quality non melting grease with synthetic additives.
- Protection against rust, corrosion & oxidation.
- Double strength metal conditioner.
- Low coefficient of friction.
- Wider temperature range.
- Labour saving & reduced wear.
- Extremely water resistant.
- Longer lasting lubricity.

PENETRATING CLEANER

QP001 300gm

- Penetrates & cleans machinery parts.
- Lubricates & displaces moisture.
- Penetrates joints, bolts & nuts faster.
- It lubricates and prevents rust.
- Dissolves oil, greases & grime from hard surfaces of metal, plastic, enamel & etc.

SPRAY GREASE

QP101 / QP102 300gm / 160gm

- Sprays liquid, sets semi-solid.
- Non Melting grease with metal conditioner. Multi-purpose.
- Steel-to-steel & plastic-to-steel lubrication
- Protection from salt water corrosion will not melt or freeze.

HEAVY DUTY ANTI RUST PENETRANT

QP019 300gm

- Double strength metal conditioner & rust ability.
- Can be used as tapping oil
- Can be mixed with grease to improve quality of grease.
- Anti-weld properties reduces heat, friction, wear & tear of parts.
- Solvent used is high purity, mild odour, low skin irritation.

ENGINE BOOSTER

QP818 100ml

- Prevent carbon build up in engines & increase power output.
- Stops corrosion effects of combustion-formed acids & water.
- Increase "Delivered" Horsepower.
- Improve overall oil performances.

E-DEGREASER

QP810 500ml

- Non solvent formula, non corrosive & non flammable.
- Multipurpose degreaser.
- Biodegradable & environmental friendly.
- Contains powerful water soluble cleaner & grease dissolving agents.
- Instant cleaning action.

SILICONE SPRAY

QP203 / QP204 350gm / 160gm

- Leaves a dry lubricating film.
- Helps prevent rubber cracking and drying.
- Displaces water.
- Excellent mould release lubricant.
- Point and spray convenience.
- Lubricates. Waterproofs.
- Rustproofs.

CHAIN LUBE FOR INDUSTRIES

QP909 300gm

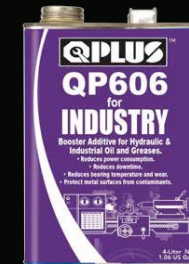

- Extend chain life.
- Reduces rust & corrosion.
- Penetrates pores on the metal.
- Non-staining formulation.
- Displaces moisture.
- Cleans & waterproofs.
- Chemical resistant.
- Will not attract dust.

INTERNAL COMBUSTION ENGINES

QP808 4 liter

- Reduces gear noise & heat.
- Reduces downtime.
- Increases "delivered" horsepower.
- Reduces wear & tear.

INDUSTRY

QP606 4 liter

- Reduces power consumption.
- Reduces downtime.
- Reduces bearing temperature & wear.
- Protect metal surfaces from contaminants.

Available in these sizes

4 Liter

20 Liter
