## BRIEF PROFILE

Kenzol Multi Industries FZC is a pioneer in lubricant and grease manufacturing under license from Komco France, and offers a wide range of high-quality, high-performance lubricants that address the challenging and complex requirements of OEM's and world-class tier one suppliers. We currently have a facility with an installed capacity of blending and filling more than 60,000 MT of lubricants and greases per annum to cater to the growing requirements of our customers across the globe. We have achieved and maintained a fully integrated ISO Management system, and are committed to the principles of **ISO 9001:2015, ISO 14001:2015, ISO 45001:2018** in compliance with Quality, Environmental, and Occupational Health & Safety Management System.

## ENGINE OILS

Kenzol produces the complete range of Fully Synthetic, Semi-Synthetic & Mineral Gasoline & Diesel Engine Oils to cater to the requirements of all types of modern engines and OEMs. Kenzol's entire range of SYN-MAX, SYN-PRO, SYN-TEC SYN-X, ULTRA, POWER, X-TREME, TURBO XI, TURBO X2 & TURBO HD engine oils provide exceptional performance and outstanding protection against rust, corrosion and oxidation and wear under all operating conditions.

## GEAR OILS, HYDRAULIC OILS & TRANSMISSION FLUIDS

Kenzol Gear Oils are specially blended with high-quality base oils and EP additives designed for utilization in differential, gear box, and hypoid gears under heavy conditions.

Kenzol's HYDREX range of Hydraulic oils are also blended with high quality anti-wear type, anti-rust oils to provide maximum performance in all types of modern hydraulic systems.

Kenzol TRANSMAX range of semi-synthetic and fully-synthetic Automatic Transmission Fluids are specially designed for use in all passenger and commercial vehicles where Type A, DEX II, DEX III, TYPE IV & DEX VI range of products is required.

## BRAKE FLUIDS & SPECIALTY OILS

KENZOL Brake Fluids are high quality synthetic brake and clutch fluids confirming to the required specifications for all brake equipment systems worldwide. In addition, Kenzol can supply a wide range of specialty products such as engine coolants/anti-freeze, compressor oils, turbine oils, marine oils, cutting oils, spindle oils, knitting oils, thermic oils and various other industrial oils as per customer's specific application requirements.

## GREASES

Kenzol Greases are long-life, multipurpose, lithium soap-based greases blended with high quality base oils and extreme pressure additives, resistant to wear, corrosion, oxidation and wear out. Highly recommended for gear boxes and bearings and various other applications in automotive and industrial sectors.
