ORIGINAL EQUIPMENT SUPPLIER

Since 1926, we have been designing, developing and manufacturing engine gaskets for the main European vehicle brands. Our international partnerships with leading companies enable us to provide our customers with the highest quality and service

AFTERMARKET LEADERSHIP

We supply gaskets and gasket sets for Original Equipment Service (OES) and Independent Aftermarket (IAM)

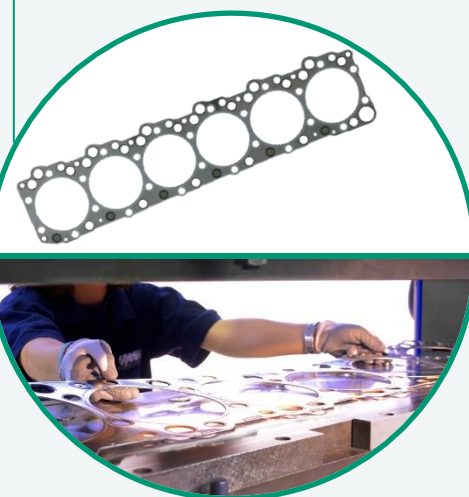

LEAN MANUFACTURING

Our lean manufacturing standards have been developed to delight our Customers with quality and flexibility of service

MULTI-LAYER STEEL CYLINDER HEAD GASKETS

We are the first Italian Original Equipment manufacturer of Multi-Layer Steel cylinder head gaskets

INTERNATIONAL AWARDS

Our customer focus enabled us to win the Best Supplier Prize from CNH Industrial
