

# VALVE GUIDES

## About Us

Sunil Industries was established in 1992 as a supplier of engine valve guides to after market customers.

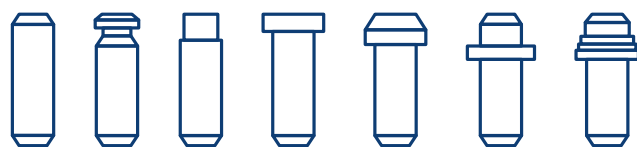

We Sunil Industries are based in Rajkot-INDIA, an ISO 9001 : 2015 certified manufacturer of valve guides, for the automotive industry.

We are highly expertise in automotive applications for the passenger car, trucks & trailer, earth moving equipments, power generation, marine engine segment.

Our foundation was led by a highly experienced team who are constantly striving to excel in the field with quality product solutions to satisfy the requirement of large scale industries & OEM'S.

## VALVE GUIDES

## Material

- GRAY CAST IRON
- MANGANESE BRONZE

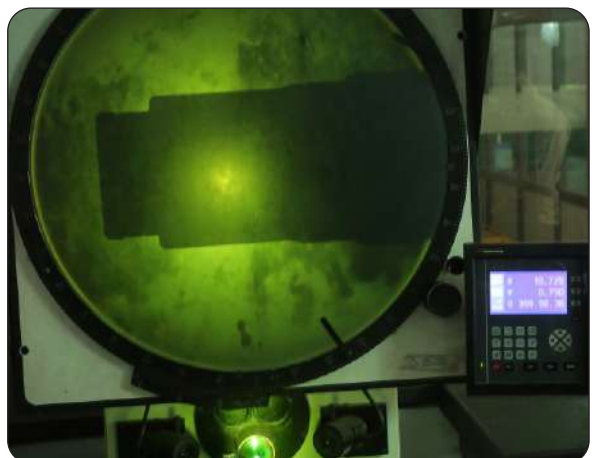

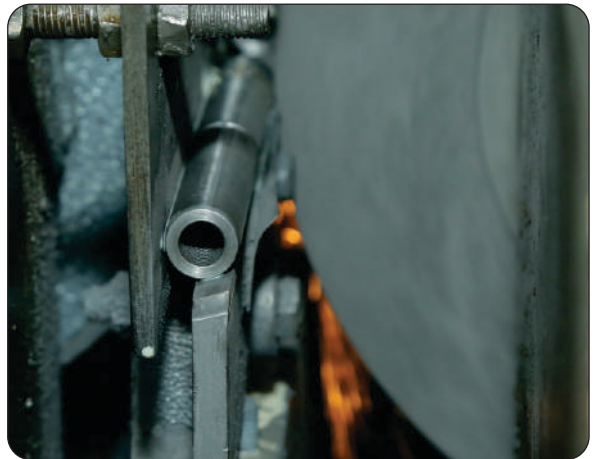

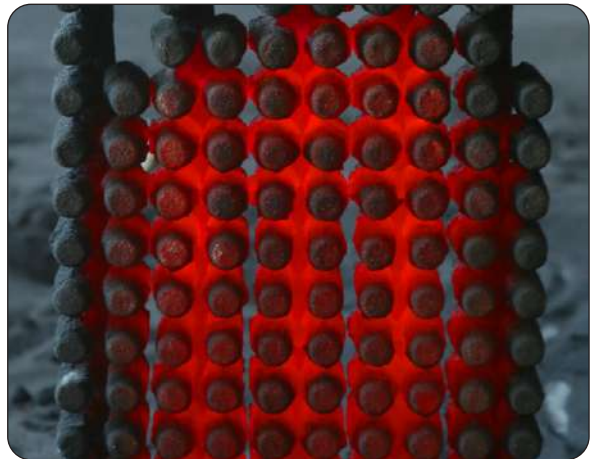

## Dimensional Capability

I. D.	O.D.	Length
4.50 To 30 mm	9 to 40 mm	30 to 210 mm

## Manufacturing & Quality

Our two divisions, Sunil Technocast for the raw material, and Sunil Industries which machines the raw material into the finished product which facilitates full in-house operations, resulting in better quality control and higher customer satisfaction.

We have a well-equipped lab and well-maintained gauge rooms and standard rooms. The highly sophisticated infrastructure makes it possible for us to design and manufacture any valve guides as per the customer's specifications in the shortest time.
