Phase 1

Phase 2

## COMPANY PROFILE

Founded in 2010 with registration capital ¥30,000,000, YINGDE DOSOON FINE CHEMICAL CO., LTD located in the beautiful scenery of Baisha Town, Yingde City, Guangdong, China, owning 4 China-advanced standard aerosol production workshops.

- 1\*3000m<sup>2</sup> of aerosols standard workshop;
- 1\*1400m<sup>2</sup> of sanitary insecticide standard workshop;
- 3\*1000m<sup>2</sup> of 100,000 level safety personal care GMP workshop.
- 1\*1000m<sup>2</sup> of mosquito repellent standard workshop;

Currently, our production lines as below:

- 16 sets of automatic production assembly lines;
- 2 sets of binary packing one of which is imported with advanced production speed and precision in China.
- 2 sets of imported sealing equipment.
- 4 sets of aerosol fully automatic filling lines.

Dosoon annual production capacity can reach 150,000,000 cans of aerosols and sprayers.

Based on our advanced management, equipment and production process, Dosoon, have passed ISO9001:2015 quality management system certification, ISO14001:2015 environmental management system certification, IATF16949:2016 automotive industry quality management system, ISO45001:2018 occupational health and safety management system, BSCI social responsibility management system certification, FDA certification, GMPC and ISO22716 international Cosmetics quality system certification.

The company currently has "Safety Production License", "Pollutant Discharge License", "Cosmetic Production License", "Disinfection Product Manufacturer Sanitary License" and "Pesticide Production License". The production licenses under application is: "Medical Device Production License", etc. Dosoon is one of the few companies in the industry that have obtained various standardized production qualifications.

### AUTHORIZED CERTIFICATION

# RESEARCH AND DEVELOPMENT

In 2017, we were awarded the title of "provincial High-tech Enterprise". At the same time, Guangdong Pharmaceutical University signed the industry-University-Research agreement, and Dosoon is treated as the practice base of Guangdong Pharmaceutical University. Currently, we have more than 350 employees, 3 postgraduates, 30 with bachelor degree or above, more than 50 with junior college degree or above, including many full-time security officers, 1 full-time environment responsible person & 1 registered safety engineer.

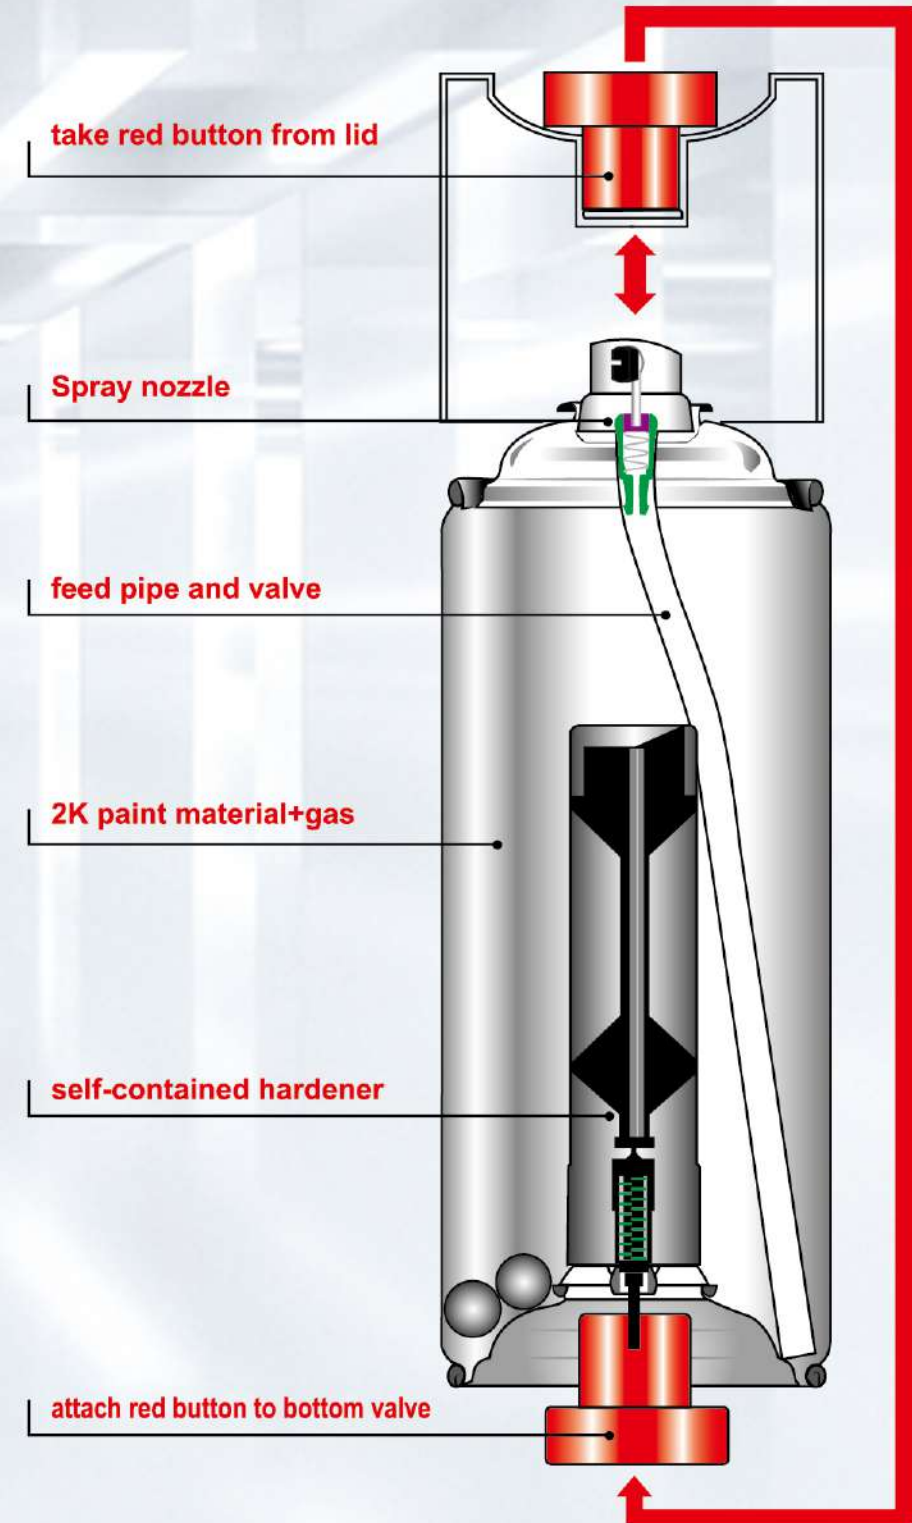

# 2K SPRAY PAINT

Reach Formula Available.			
Package: 300ml, 650ml available.			

Series : Normal Reach Pb free benzol-free

RUBBER SPRAY FILMS

- 1. Synthetic rubber-based paint
- 2. For customizing vehicle and rims
- 3. Easily removabe-peel away
- 4. Quick drying.
- 5. Flexible, durable insulates and seals.
- 6. Used on metal, wood, glass, plastic, fabric and rubber.
- 7. Last 3 months in summer and 4 months in winter.

R009  
Φ65x158mm  
450ml

R008

## LIFE PAINT-BE SEEN IN THE DARK REFLECTIVE SPRAY

Invisible by daylight, visible at night! Ensure safety drive at night!

### REFLECTIVE PAINT WASHABLE

Reflective Film Washable can be used in all sorts of ways on all kinds of materials, especially on textile materials. Applied to clothes, shoes, helmets, pushchairs and children's backpacks. It can be washed off easily and do not hurt the color of the material surfaces.

R007  
Φ65x158mm  
450ml

### REFLECTIVE FILM PEELABLE

Reflective Film Peelable can be used for all smooth, rough or light responding primed surfaces. e. g. metal, wood, hard plastics, primed carton, walls etc. When applied correctly, product can be peeled off to remover or create designs.

# LUBRICATING SERIES

DE-RUST LUBRICATING-HIGH QUALITY  
DE-RUST LUBRICATING-GOOD QUALITY  
DE-RUST LUBRICATING-HIGH QUALITY+MOS2

- Stop Squeaks
- Protects Metal from Rust and Corrosion
- Loosens Rusted Parts
- Displaces Moisture

## HIGH TEMPERATURE & HEAVY LOAD ANTI-WEAR SOLID LUBRICATION

1. Provide outstanding surface lubrication and protection against heavy loads and wear.
2. Provides lubrication in extreme pressure conditions
3. Used for heavy-duty automotive, farming, construction and industrial equipment, as well as boat-trailer and similar wheel bearings.

## DE-RUST LUBRICANT

De-rust lubricating-high quality
De-rust lubricating-good quality
De-rust lubricating-high quality+mos2
Chain lube
Anti-fouling and dry lubricant
High temperature & heavy load anti-wear solid lubrication
White lithium grease
High temperature resistance penetrating grease
Silicone spray
Belt dressing
Dry slyder spray
Lock oil
Yellow oil

It provides superior lubrication to heavy duty surfaces  
Dries quick leaving behind a lubricating film that resists dirt, dust and oil buildups  
Great for reducing friction and wear on blades and bits, door and window tracks, slides, conveyor belts, rollers, hinges, table saws, lathes, power tools and equipment

# MOLD RELEASE AGENT

Topda Mold Release Agent is formulated especially for mold making and casting and works well with most liquid rubber and liquid plastic products. It will release mold rubbers (such as polyurethanes and polysulfides) from properly prepared models. It improves molding efficiency for a variety of casting applications and will actually lengthen the life of your production mold.

Does not  
Corrode mold

Stable chemical  
properties

Does not  
contaminate products

# MOULD CLEANER

## MOULD CLEANER & DEGREASER

TOPDA Mold Cleaner & Degreaser is a powerful industrial-strength cleaner and degreaser that's perfect for removing oil, grease, and other contaminants from your molds. This product is designed to clean quickly and effectively, saving you time and money. It comes in a convenient 10 oz aerosol can, which makes it easy to apply precisely where you need it.

## MOLD TRANSPARENT INHIBITOR

Topda Mold Transparent Inhibitor is a firm non-tacky corrosion inhibitor. It provides long-term protection against rust and contamination. This wax-based protectant will not penetrate pin areas and cause part rejections. Its clear opaque-like color helps determine coverage. All that is needed is a thin coat.

**R250**  
Φ65x158mm  
450ml

**R251**  
Φ65x158mm  
450ml

- PREVENTS RUST AND CONTAMINATION
- NON-STAINING FORMULA
- EXCELLENT HUMIDITY RESISTANCE
- EXCELLENT FOR OUTDOOR STORAGE

It is safe to use on a variety of surfaces, including aluminum, steel, brass, and most plastics. It's also non-flammable and non-corrosive, making it a safe and effective choice for your cleaning needs. Use it to clean your molds quickly and effectively and keep your production running smoothly.

# BRAKE FLUID

## DOT 3

This a Specially blended formula meets or exceeds the highest standards of performance and safety for all disc and drum brake systems, including ABS, in which a DOT 3 fluid is recommended.

- Helps provide protection against brake failure from vapor lock
- Helps prevent corrosion in brake system
- Recommended for use in all hydraulic drum and disc brakes and hydraulic clutches that require DOT 3 fluids
- Avoid spilling on brake lining or brake pads
- Provides an excellent flow at low temperatures for superior braking response
- Typical wet boiling point: 204°C(399°F)
- Minimum wet boiling point: 195°C(383°F)

## DOT 4

This product has been specially formulated for the highest performance in racing applications, where braking system consistently operate at very high temperatures. The outstanding boiling point guards against brake fade or loss caused by vapor lock and the product maintains its excellent viscosity, lubricity, and compressibility performance of extreme temperatures.

- Provides a higher dry boiling point compared to the dot standard.
- Protects against performance decline due to water absorption
- Prevents overheating & brake fade
- Extends fluid life
- Typical dry boiling point: 328°C(622°F)
- Minimum dry boiling point: 320°C(608°F)

## DOT 5

TOPDA DOT 5 Brake Fluid is specially formulated hydraulic brake fluid that provides superior benefits. It is essentially non-hygroscopic compared to conventional DOT 3 or DOT 4 brake fluids, absorbing less than one percent by weight of water.

# CHASSIS UNDERCOATING

Chassis Undercoating is for vehicle, under-body protection. Protects against stone chips, rust and salt corrosion, widely used around automotive chassis and industry filed.

## 1. RUBBER BASE

1. Solvent-based anti-rust coating
2. Super adaptability and excellent bonding
3. Anti-corrosion and anti-stone protection for undercoat
4. Sound insulation and noise reduction in car chassis and hubcaps

## COLOR

## 2. WATER BASE

1. Water-based formula
2. Well consistently and fully paintable
3. Excellent resistance to corrosion and adhesion

## 3. PITCH BASE

1. Forms Long-lasting protective layers.
2. Wear and salt water resistant
3. Protects the chassis from damage.

GREY

# TYRE INFLATOR & SEALER

- 1. Seals up to 1/4" punctures.
- 2. Easy and safe to use
- 3. Repairs and inflates in second
- 4. No jack or tools required
- 5. Tire sensor safe

# TYRE INFLATOR & SEALER

LPG	Normal can	Flammable
134A	2P can	Non-Flammable

## TYRE MODEL 195/65R15 PRESSURE STANDARD

KG/CM2 Standard Pressure KG/CM2	KG/CM2 Standard Pressure KG/CM2
2.5	2.9

## TEST RECORDED DATA

		Initial Tire Pressure	Tire Pressure after inflating	5 min driving	15 min driving	30 min Driving
Tire Model 195/65R15	Tire Pressure data KG/CM2	0	1.7	2.05	2.05	2.05
	Propellant usage/g	0	270	270	270	270
	The same as 450ML bottle/pcs	0	1.0	1.0	1.0	1.0

Inflating the tires of 195/65r15 and using a 500ML Tire inflator (134a for 270 grams) can make the tire pressure reach to 2.05KG/cm2. It is similar to the pressure of the standard tyre pressure, which can be regarded as full of a tyre.

# TIRE CARE SERIES

Dosoon tire clean and shine coating products protect your tires from everyday stressors like heat, chemicals and UV rays, while enhancing depth of color and gloss. Your tires shine like new for months after applying these tire shine products. They will be easier to clean and maintain.

# CAR BEAUTY SERIES

## SHAMPOO DILUTION: 1:100, 1:200, 1:500, 1:800

1. Cleans and shines your car finish by boosting your wax protection.
2. Lifts dirt and grime to minimize swirling and leave a deep, glossy, just-waxed shine.

## IRON REMOVER

1. Removes metallic contaminants from paint, rims/wheels
2. Perfect for paint corrections and surface maintenance
3. Chemical will change color as it lifts contaminants from the surface

# CAR BEAUTY SERIES

## HIGH-CONCENTRATED CAR SHAMPOO 1:1000

1. High-foaming formula clings to vehicle, making washing fast and easy.
2. Highly concentrated formula (1:1000) reduces cost per wash

## RINSELESS WASH & WAX

1. No need for running water - just add to a bucket of water, wash, wipe, stand back and admire
2. Leaves the surface of the vehicle clean and smooth to the touch
3. Safe on all exterior surfaces

## WATER-BASED ADHESIVE REMOVER

1. Safe. Non-Toxic.
2. Water-based Rinses Away with water.

## REAL WAX SHAMPOO 1: 500/1:800

1. Cleans and shines your car finish by boosting your wax protection.
2. Lifts dirt and grime to minimize swirling and leave a deep, glossy, just-waxed shine.

# CAR WAX SERIES

## 3-MIN NANO COATING WAX

1. Wash, coating, shine all-in-one convenience.
2. Eliminates dirt, grime & grease instantly.
3. Prevents scratches.
4. Provides a brilliant, shine as well as a water-beading effect.

R399  
500ml

## LIQUID WAX

1. One-step liquid wax cleans your paint while you wax
2. Rich conditioning oils polish and protect, leaving finish with a high gloss shine
3. Safely and effectively cleans surface contaminants and blemishes like light oxidation, haze, minor scratches and swirls, stains, etchings and more.

## CERAMIC WAX

1. Ceramic coating formulation.
2. Crystal-like superior shine and incredible reflective finish.
3. Helps protects against water spots, the elements, uv rays, and more for up to one year.

## REAL WAX SPRAY

1. Fast Drying Protective Wax Coating.
2. Touch-up Cleaning and Shining.
3. Remove Yellow Stains And Scratches Make The Car Glossy Like New.

# FOAM CARBURETOR CLEANER

1. Foam Conditioner Carburetor Cleaner is an effective cleaning agent for heavily soiled metal surfaces.
2. It removes high-temperature deposits from the inner and outer surface of the carburetor without dismantling.
3. This product is applicable to two- and four-stroke petrol engines with and without catalyst.

## PERFORMANCE ADVANTAGES

1. Foaming formula
2. Cleans heavily soiled metal surfaces.
3. Removes high-temp deposit from carburetor
4. Applicable to two- and four-stroke petrol engines

## CAR CLEANER SERIES

**R048**  
Φ65x240mm Φ65x240mm  
650ml

### MULTI-PURPOSE FOAM CLEANER

1. Remove stubborn oil quickly from all surfaces

**R020**  
Φ65x158mm  
450ml

### STICKER REMOVER

1. Removes adhesives and asphalt stains
2. Softens tree sap, gum and bird droppings

**R221**  
Φ65x158mm  
450ml

### PITCH CLEANER

1. Removes resin, tar, traces of insects, bird droppings and road dirt.
2. Used to clean the vehicles before repainting.

**R051**  
Φ65x158mm  
450ml

### TAR&BUG REMOVER

1. Cleans the bug and insects off your cars
2. Rapidly loosen-up and eliminate bug stains off your vehicle
3. Suitable for use on car paint, wax & clear coats

**R193**  
Φ52x130mm  
200ml

### LINE PROTECTION AGENT

1. Slow Down Aging, Clean
2. Maintenance And Protection Circuit

**R020**  
Φ52x158mm  
200ml

### PLASTIC RESTORER

1. Old Plastic Parts Renovation
2. Long-lasting Black Shine & Gloss

## AUTOMOBILE MAINTENANCE

**R056**  
Φ65x158mm  
450ml

### STARTING FLUID

1. Helps start stubborn engines fast in cold winter
2. Saves batteries
3. Helps the engines fend off fuel deposit build-up
4. Compatible with both gasoline and diesel engines.

**R057**  
Φ65x158mm  
400ml

### AIR INTAKE SYSTEM CLEANER

1. Produces stick, heavy deposits building rapidly on the backs of valves and air intake systems.
2. Withstands intake temperature and pressures.
3. Cleans and remains in the air intake system.

## INDUSTRIAL SERIES

**R248**  
Φ65x158mm  
450ml

### ANTI-SPATTER WELDING SPRAY

1. Aids Spatter Remover
2. Keeps Welding Tips/Nozzles Cleaner
3. No silicone

**R043**  
Φ65x158mm  
450ml

### AIR-DUSTER

1. Remove dirt, dust, oxide particles, and other airborne particles instantly.

**R025**  
Φ65x158mm  
450ml

### CHAIN CLEANER

1. Quickly dissolves and removes sand, dirt, oils and greasers to build up on your chains
2. Thoroughly clean chains without harming rubber O-rings or metal surfaces

**R129**  
Φ65x240mm  
450ml

**R128**  
Φ65x158mm  
450ml

### DE-ICER & DE-FROST SPRAY

1. Made from a concentrated high-performance ice-melting formula.
2. Melts frost, snow, and light ice faster helps reduce dangerous refreeze.

**R031**  
Φ65x158mm  
450ml

### CEMENT REMOVER

1. Dissolve the cement effectively
2. Removes cement or stubborn sand and gravel from the vehicle

**R020**  
Φ65x158mm  
450ml

### SEAM BEAUTY REMOVER

1. Quickly remove residual glue stains on tiles
2. Restore the appearance of tiles.
3. Works great on colloidal residues such as beauty joints, waterproof glue, and latex paint.

**R032**  
Φ65x158mm  
450ml

### SILICONE SEALANT REMOVER

1. Remove Dirt And Stain
2. As Clean As New

**R020**  
Φ65x158mm  
450ml

### PRECISION ELECTRONICS CONTACT CLEANER

1. Cleans sensitive electronic components
2. Evaporates quickly. Leaves no residue
3. Prolong life and minimize malfunctions of electronics

## ADDITIVES-ENGINE PROTECTION

R066  
Φ56x170mm  
325ml

R180  
325ml

### FUEL INJECTOR CLEANER

1. Cleans and Regenerates the injector system
2. Eliminates deposits in the injectors
3. For gasoline engines

R097  
Φ56x170mm  
325ml

R181  
325ml

### FUEL SYSTEM CLEANER

1. Dissolves harmful carbon, gum, varnish, deposits in the fuel system
2. Helps prevent hard start, lose power and rough idling.
3. Recovers injection characteristics
4. For gasoline engines

R065  
Φ52x100  
150ml

R181  
325ml

### OCTANE BOOSTER

1. Improves the properties of petrol
2. Maintains carburetors and injectors
3. Improves performance of the engine
4. Reduces fuel consumption

R074  
Φ56x170mm  
325ml

### COMBUSTOR FOAM CLEANER

1. Cleans the carbon deposits of the combustion chamber
2. Dissolves deposits on the valves, intake manifold, upper pistons

R073  
Φ65x158mm  
443ml

### OIL LEAK STOP

1. Regenerates rubber and plastic engine seals.
2. Prevents oil stains.
3. Reduces engine noise and improves oil consumption.

R054  
Φ52x158mm  
300ml

### OIL TREATMENT

1. Reinforces engine oil during high stress operation.
2. Ideal for old and tired engines.
3. Improves performance in worn engines.
4. Prolong engine life.
5. Be safe with catalytic converters and turbo-charges.

R055  
Φ65x158mm  
443ml

### MOTOR FLUSH-3 MINUTES

1. Removes sediment, soiling, mud from engine oil
2. Cleans the residue during oil change
3. Cleans both diesel and petrol engines

R063  
1L

### POWER STEERING SYSTEM CLEANER

1. Safely removes deposits and impurities
2. Cleans internal power steering components
3. Reduces noise & smoothes out hard steering
4. Prepares system for new fluid

## ADDITIVES-DIESEL SYSTEM CLEANER

R072  
Φ56x170mm  
325ml

R183  
325ml

### DIESEL INJECTOR CLEANER

1. Good for all diesel engines.
2. Restores the original state of the fuel system
3. Professional cleaning of injectors
4. Regenerates the injection system

R064  
Φ65x158mm  
450ml

### DPF CLEANER (DIESEL PARTICULATE FILTER)

1. Designed for cleaning car diesel engine with DPF
2. Remedies reduction in performance and malfunctions caused by clogged DPF

R092  
Φ65x158mm  
450ml

### SMOKE STOP

1. Reduces exhaust smoke due to oil burning.
2. Improves oil viscosity properties at high temp.
3. Improves engine performance.
4. Reduces engine noise.
5. Ensures a protective oil film under high temp.

## CATALYTIC CONVERTER CLEANER KIT

R095  
1L

### CATALYTIC CONVERTER REDUCTANT

1. Repair&restore / Restore Activities.
2. Enhance Conversion / Reduce Emission.
3. Extend The Lifetime Of Three-way Catalytic.

R067  
Φ52x158mm  
300ml

1. Converter / Deeply Unclogging.
2. Remove Carbon Deposits / Restore Power.
3. Reduce Fuel Consumption / Purify Exhaust.
4. Reduce Emission.

R096  
1L

### CATALYTIC CONVERTER CLEANER

1. Converter / Deeply Unclogging.
2. Remove Carbon Deposits / Restore Power.
3. Reduce Fuel Consumption / Purify Exhaust.
4. Reduce Emission.

# AUTOMATIC TRANSMISSION FLUID (ATF)

- 1. Helps automatic transmissions last longer and perform better.
- 2. Protects against the major causes of transmission breakdown.
- 3. Enhanced friction durability improves shifting performance.

# GEAR OIL 80W90

- 1. Excellent rust and corrosion protection.
- 2. Reduces heat transmission in gear set.
- 3. Prevents gear from pitting and minimize wear from extreme pressure.
- 4. Provides protection to your scooter gear set and helps prolong gear life.

# LONG-TERM ANTI-FREEZE

With excellent quality and reliable performance, it helps to efficiently maintain the cooling function of engine cooling system. With a wide range of freezing point (0°C, -5°C, -10°C, -20°C, -25°C, -35°C, -40°C), please choose the product freezing point according the working condition of vehicles.

	Freezing Point		Wt % Ethylene Glycol
	°C	°F	
ANTI-FREEZE	0	32	3.0%
ANTI-FREEZE	-5	23	13.0%
ANTI-FREEZE	-10	14	23.0%
ANTI-FREEZE	-20	-4	37.0%
ANTI-FREEZE	-25	-13	43.0%
ANTI-FREEZE	-35	-31	51.0%
ANTI-FREEZE	-40	-40	54.5%

Package: 500ml, 1L, 2L, 4L, 5L, 10L available.

## RADIATOR FLUSH

- 1. No acids. / Anti-rust formula. / Strong degreasing power
- 2. Compatible with all anti-freezes and coolants, including OAT coolant

R194  
325ml

## RADIATOR LEAK STOP

- 1. Stops leaks in radiators, water pumps, and heater cores.
- 2. Protect against pitting and corrosion

R195  
325ml

# A/C SYSTEM

## ANTIBACTERIAL DEODORIZING SPRAY

1. Air Purification & Deodorization
2. Apply In Car And Room

# A/C SYSTEM

## A/C PROFESSIONAL CLEANING SET

### A/C CLEANER

1. Deeply clean your vehicle A/C system.
2. Helps improve cooling efficiency.

### A/C SANTIZER

1. Sterilizes and deodorizes A/C.
2. Stays long-term and stays aromatic.

### A/C DEODORANT

1. Odor neutralizer.
2. Soaked into the interior of A/C.
3. Removes light dirt in ductwork.
4. Removes dirt and dust that sits on vent surfaces.
5. Kills bacteria.

### LOCK DE-ICER

1. Thaws frozen locks
2. Defrost car and truck windows instantly
3. Loosens and melts ice to assist in removal

R159  
Φ52x158mm  
200ml

### ALL-PURPOSE CLEANER

1. Penetrates and removes the toughest grease and grime from kitchen surfaces
2. Great for cleaning stoves, counters, backsplashes, oven doors, sinks, microwaves and more
3. Leaves surfaces amazingly clean

R147  
Φ65x168mm  
450ml

### OVEN CLEANER

1. Formulated for food service and commercial applications.
2. Heavy duty, caustic formula.
3. Ideal for deep cleaning.

R132  
Φ65x168mm  
450ml

### CHROME POLISH

1. Gently deep cleans and brightens stainless steel copper, aluminum chrome bumpers wheels trim and accessories.
2. Advanced polymers help protect against fingerprints spotting rust and corrosion.

R292  
300g

### STAINLESS STEEL CLEANER

1. Quickly cleans, shines & protects any stainless-steel surface
2. Resists fingerprints, grease and water spatter

R163  
Φ52x190mm  
300ml

### FOOTGEAR DEODORANT SPRAYS

1. Relieve the discomfort of smelly feet and itchy, cracked skin on feet and toes.
2. Absorbs sweat and keeps feet dry

R162

### LIGHTER BUTANE GAS

1. Ultra refined
2. For maximum care and Performance

R256  
Φ65x158mm  
450ml

### GRANITE POLISH

1. Polishes and protects
2. Restores granite color vibrance
3. Tile, Marble, Kitchen Countertop, and Natural Stone Surfaces

R247  
Φ65x168mm  
450ml

### WINDOW & TRACK DRY LUBE

1. Reduces friction and wear
2. Corrosive protection
3. Won't attract dirt and debris

R255  
Φ65x158mm  
450ml

### DRY FABRIC CLEANER

1. Releases oil and petroleum-based soils of fabrics
2. Use to dry clean fabrics by hand or machine
3. Safe for all fabrics

R249  
Φ65x158mm  
450ml

### WATER PIPE CLEANER

Prevents and breaks down organic drain build-ups and blockages.

R322  
400ml

### TILE RESCUE ADHESIVE

1. Injection Repair Adhesive
2. For Loose Tiles

R319  
500ml

### HARDWARE MAINTENANCE WAX

1. Shine against wipe
2. Used for hardware, lighting and bathroom protection.

R256  
Φ65x168mm  
450ml

### COOKWARE CLEANSER & POLISH

1. Keeps cookware looking new
2. Cleans copper, ceramic, porcelain and hard-anodized aluminum cookware

R252  
Φ65x158mm  
450ml

### SHOE WHITENING CLEANING SPRAY

1. Formulated with an advanced polymer and whitening
2. Agent to help older sports shoes look like new

R253  
Φ65x158mm  
450ml

### FLOOR POLISH

1. EXTRA LONG LASTING DURABLE
2. Works On Hardwood, Laminate, Vinyl, Tile, Linoleum, Terracotta And More

R024  
Φ65x158mm  
450ml

### 502 GLUE REMOVER

1. High Effective Removal Of Glue
2. Convenient Construction

R307  
380G

### FLOOR POLISH

1. Shines & Protects. Extra Long lasting!
2. All Floors Restorer!
3. Use on Hardwood, Laminate, Tile, Vinyl, Stained Concrete and More!
