BRIEF

INTRODUCTION

bod

WUHU YONGYU AUTOCAR INDUSTRIAL CORP. established in 1994, it is an enterprise which is specialized in producing various types of cylinder heads.

Our company covers 70000 square meters in total, have more than 300 employees and among which 30% are manager specialists, engineering and technical experts. We hold more than 200 sets of advanced machine and equipments with annual outputs over 100000 pcs. We have a completed perfect quality control system and passed quality system certification of IATF 16949:2016

We pay close attention to the quality of the finished products, technological capability, production capacity and development of new models. Our products are welcome on domestic and international market, got trust and good comments from our customers.

We insist on the policy of "Striving for perfection, pursuing superexcellent", look forward to the sincere cooperation with friends at home and abroad together create bright future.

- 18 years experience in designing and manufacturing Auto-mobile engine parts cylinder head
- Strong tooling capacity
- Strong technology capacity
- Large capacity of production
- Quality assurance capability
- IATF16949 System
- Fast reaction
- Quality concept of Car industry
- Regular quality support from top-ranking customers
- World class suppliers
 - Rich and well-educated human resources (Professional management team, Experienced engineers, Skillful operators)
- short product development cycles

IATF 16949:2016
