ZHE JIANG KHCCAC AUTOMOBILE AIR-CONDITION CO.,LTD
浙江金禾成汽车空调有限公司

ABOUT US

企业介绍

ZHEJIANG KHCCAC AUTOMOBILE AIR-CONDITION CO., LTD founded in 2006, is established by HRX enterprise(KHCC GROUP) , which has 13 years manufacture experience in auto & motorcycle parts. KHCCAC located in Deqing economic development zone, Zhejiang province, is close to Hangzhou, only 30 mininutes drive to West Lake scenic area, and 2 hours drive to Pudong Airport in Shanghai. The workshop occupies 24,000m2 and There're 350 employees and 30 engineers working in the factory. It has more than 1.5 million sets capacity yearly.

Our automobile A/C evaporator 、 condenser 、 receiver drier which can be used for Japanese, Korean, European and American vehicle, are suitable for passenger cars, buses and trucks. in the aftermarket and OE market of auto A/C parts around the world. KHCCAC follows "Quality First" principle in everything throughout all the stages of product realization. Based on reasonable & logical products design, advanced technology, strictly quality control and most competitive price, our products are welcomed all over the world.

Besides, with a strong product development centre, we can satisfy customer requirements for new products in a very short lead time. Our lean and high flexible production system can ensure your order be treated in a short period for soonest delivery. In addition, our technical-oriented sales and marketing team will provide one stop shop and best personalized service to you.

Our business philosophy : Create Value For Customers.

Our mission is reducing the emission of Freon by vehicles.

Our goal is becoming the best in our field in China

We would seek a sincere cooperation and common development with friends home and abroad.
