ZS8290 led whip light is popular in the market, it's chasing color, dancing with music on app. We can customized flag and laser your logo on the base.

8290

LED WHIPS LIGHT

360 Degree Wrapped LED

Using spiral design, it can accommodate twice as many LED chips as conventional straight-pull design whip light.

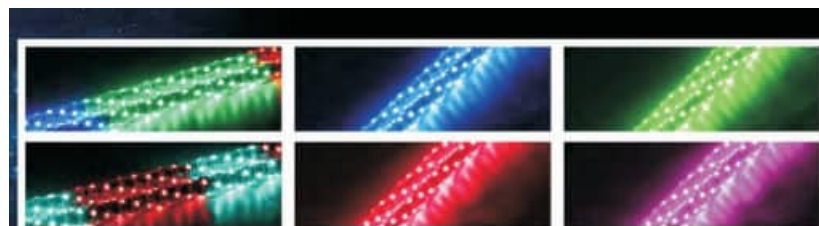

Advantage

Quick Release Base

Black quick release base is more convenient to install and disconnect the whip light

HI-SPEED COOLING FAN

Available Model

Single Beam: H1, H3, H7, H8, H9, H10, H11, 9005
9006, 880, H16(5020), 9012

Hi/Low Dual Beam: H4(9003), 9004, 9007, H13(9008)

Power Single Beam 36W, H/L Beam 42W

Operating Voltage DC9-32V

Lumen Single beam 3200LM, H/L 4200LM

Color White+RGB

Controller 40000hrs

Color Temp 6500-7000K

Housing Material 6063 Aluminium

LED Quantity 2PCS x 15W RGB & WHITE

Heat dissipation Aluminum+High quality Fan

Canbus Built-in

ZS-X3FL-W

(White DRL & Amber Turning)

Can-AmX3 Fang Lights

Features:

Made of high quality plastic, advanced LED light beads are used, IP67 waterproof protection, durable service(more than 30k hours)

Have 2 kinds of light: yellow and white, can be used in different purpose

LC-X3FL-R

(Remote Control)

LC-X3FL-P

(Remote & APP Control)

Chasing Color & Amber Turning

Item Specs:

Waterproof rate: IP67

Color: white DRL / amber turning OR chasing color w/ amber turning fit for your different lighting needs.

Voltage: 12V DC

Lifetime: 30000 hours

LED Beam: 2835 LED chips. 300% brighter output white 4W / yellow 8W

Color Temperature: 6500K

Luminous Flux: 370LM(Low beam)/740LM(High beam)

LGBW-813

Item Specs:

- .Operating Voltage: DC12V
- .LED Strips: Hyper white+Chasing 5050SMD, high brightness, fast heat dissipation
- .Controller: rf remote
- .Luminous Angle: 360 Degree Visibility
- .Tube: Clear & Carbon Fiber Stronger Tube
- .Size : 3FT / 4FT / 5FT / 6FT
- .Base: Anodized Aluminum Base
- .UV resistant, Corrosion Resistant & Shock Proof
- .Non-Glare Lens Diffuses Light Out Of View
- .Waterproof Grade: IP68
- .Warranty: 12 Months)

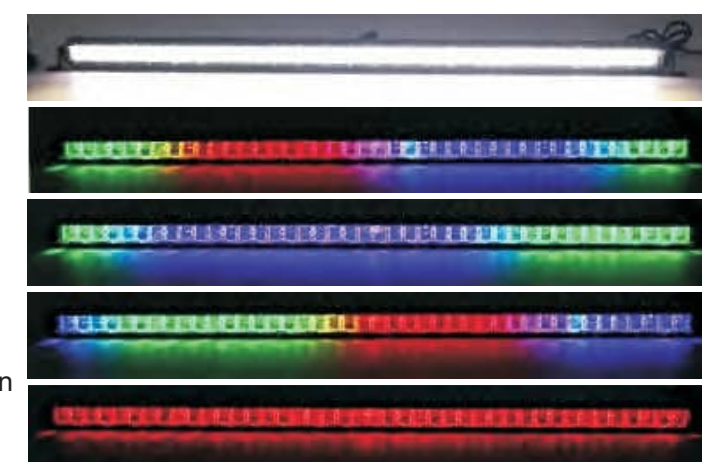

LED Light Bar Chasing Color

Item Specs:

- 32Inch / 42Inch / 50 Inches Long for option
- Advanced Optical Projector Beam System
- Spot Beam Pattern for long distance
- 12x 3W R3 LEDs 6000K
- Water Resistance: IP68
- Current Draw: 2.5A @ 12V or 9.8A @ 24V
- Black Anodized Painted Housing
- Lens Material: PMMA High Density
- Mounting Bracket: 6063 Aluminum High Efficient Design
- Lifetime: 50,000 Max Rating

Upgraded 210 Degrees Wide Angle LED Rock Lights

Operating Voltage 9-16V DC

LED Super Bright 3528SMD

Pods Size 73.7*40.7*3.3mm

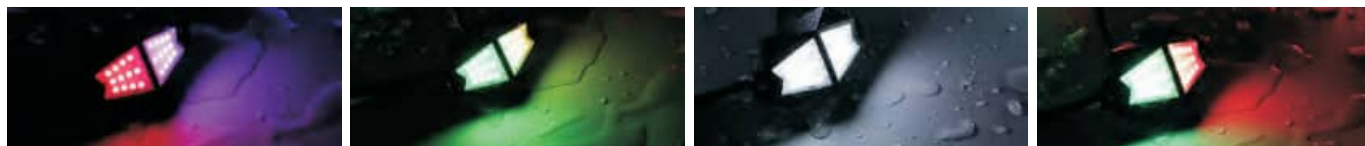

Working Temperature -25 C to 65 C

Beam Angle 210 Degrees

Work Power 16W/4pods, 24W/6pods, 32W/8pods, 48W/12pods

Material PC

Waterproof Ip67

FUNCTIONS:

- * 16 million colors
- * 188+ chasing rgb combination
- * Adjustable speed / brightness
- * DIY color / chasing mode
- * Music /voice mode
- * Passing word setting

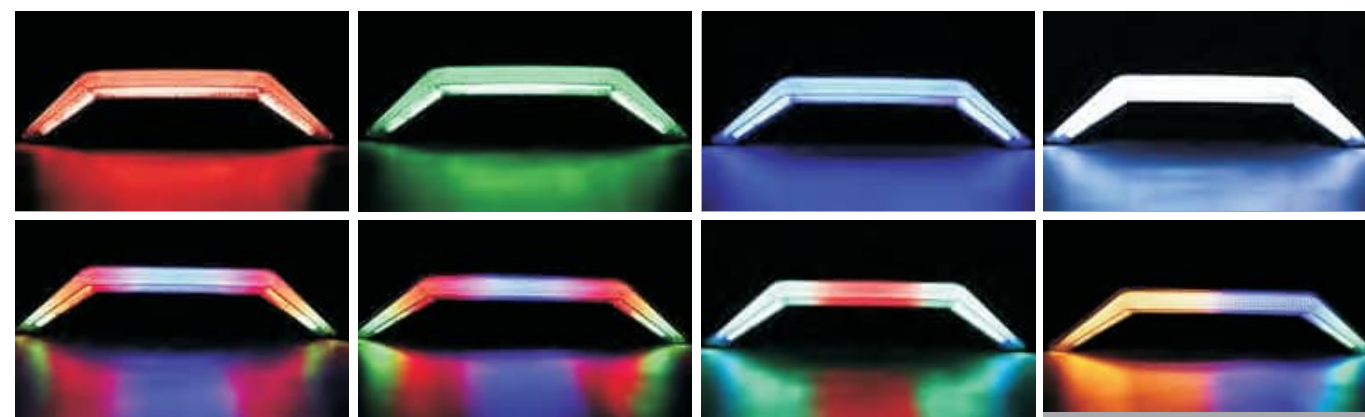

Rock lights kit is compatible with most cars, Go Kart, Truck, Boat, SUV, UTV, ATV, and industrial equipment, etc.
It can be used for auxiliary lighting of car interior lights to make your car look more cool.

RZR Pro XP Front Light

ZS-PROFL-W white color & amber turning
ZS-PROFL-RF chasing color & amber turning with remote only
ZS-PROFL-PR chasing color & amber turning with remote and Bluetooth sync control

Power	6.15W
Operating Voltage	DC12V
Waterproof Grade	IP 67
Material	High quality PP & PC
Lumen Value	615LM
