

PRESS RELEASE

Allmakes PR2 4x4 Expands Operations with New Warehouse and Offices

Allmakes PR2 4x4 is thrilled to announce the acquisition of a new warehouse and office space, marking a significant milestone in our commitment to expanding operations and enhancing customer service.

The expansion represents an exciting chapter in the growth of Allmakes 4x4, the additional space and enhanced capabilities will enable Allmakes 4x4 to meet its increasing demand, streamline operations, and continue delivering unparalleled service to our customers.

Situated in a prime location just around the corner from our existing facilities, the new site boasts a spacious warehouse spanning an impressive 190,714 square feet. Strategically located near the A34, a major transportation artery, this new facility ensures seamless logistics and convenient access.

With the new warehouse and offices in place, Allmakes PR2 4x4 is poised to strengthen its position as a leader in the automotive parts industry. The investment underscores our unwavering commitment to innovation, efficiency, and customer satisfaction.
