

Pro Part Distributor Co., Ltd.

► Introduction

We are a Genuine part distributor for Isuzu, Mitsubishi, Nissan, Honda, Toyota, Mazda, Suzuki, Ford, and Chevrolet. Our strength is in the parts that are made here in Thailand which are mostly one-ton pick-up trucks or small sedans; Isuzu Dmax, Nissan Navara Sunny, Mitsubishi Triton Lancer, Toyota Hilux Vigo Vios, Honda Jazz CRV Civic, Ford Ranger and so on. The genuine parts we offer are sourced directly from our principal suppliers such as Toyota, Isuzu, and Mitsubishi Thailand just to name a few; hence, the quality is exactly like those manufactured in Japan. Almost all pick-up truck parts and about 70% of the small sedan's parts are made in Thailand. We carry all types of parts including suspension, body, electrical, engine, etc.

We also carry OEM and Aftermarket brands like Exedy clutch, Tokico shock absorber, KYB shock absorber, Cherry gasket, ART piston, Daido (Main Bearing, Con rod Bearing, Trust Bearing), Aisin components, G-Part filter, Gates automotive belt, and our latest addition, Denso spark plug/wiper blade/radiator/condenser.

Apart from the above mentioned, we also represent our factory through Power-S and G-Part filter brands, where we stressed heavily on quality material and high standard manufacturing techniques drawn from our experiences in directly dealing with customers. In addition to Power-S and G-Part brands, the factory also manufactures and distributes other distinguished brands such as ProServ filter (Shell Petro Station), ACT filter (Bridgestone Quick fit), and many other well-recognized brands in many parts of the globe.
