ABOUT US

Maojia Auto Parts, with over 20 years of professional experience in automotive spare parts, is committed to providing accurate and high-quality automotive parts to global clients. Our team consists of over 100 highly skilled and dedicated professionals who strive to satisfy each customer's expectations with their expertise and unwavering passion.

Our strength lies in injecting professionalism into every detail. We are proud supplier of numerous top-tier brands, firmly believing that only through expertise can we earn the trust of our customers.

We are not just a company specializing in automotive parts; we are also a data operator that integrates big data analysis, ERP, MES, and WMS systems. With technology as our wing and innovation as our driving force, we manage thousands of SKUs and customer demands through data, providing customers with the most efficient solutions. We enable scientific management and precise decision-making for enterprise operations, allowing us to maintain a leading position in the market competition.

Professional, dedicated, and trustworthy. Maojia Auto Parts is worthy of your trust.

MAOJIA PROFESSIONAL TEAM

Rich knowledge and experience

Maojia have been in automotive parts industry for more than 20 years. Our team members are all well educated and have rich knowledge & experience.

Efficient project management

We use ERP system on daily management, to ensure excellent teamwork and delivery on time.

Professional service

Our service team have quick response, provide professional service to our customers and satisfy customized requirements.

New product development

Our product development team keep developing new products every month and introduce new product line to our customers.

CHAIN SYSTEM

With quality at the forefront of everything we do, our selected timing parts are controlled at the same quality level to ensure their equivalent failure in module kits. And all of our kits will be 100% tested with specific Operation Card before delivery.

- Comprehensive Coverage for Timing System.
- Premium Quality for Optimal Performance.
- 100% Tested for Correct Delivery.
- Experienced Teams for Project Management.

- Timing Chain
- Timing Chain Tensioner
- Timing Cover Gasket
- VVT Cam Phaser
- Timing Chain Guide
- Timing Chain Sprocket
- Oil Seal /Bolts
- VVT Solenoid Valve

- Timing Belt
- V Belt
- Water Pump
- Hydraulic Tensioner
- Tensioner Pulley
- Crankshaft Sprocket
- Serpentine Belt
- Motor Cycle Belt
- Oil Seal/Bolts
- Idler Pulley
- Camshaft Sprocket
- Pulleys

BELT SYSTEM

Crafted with precision and unwavering commitment to excellence, Our Timing Belt Kits are Crafted with OE Standards, Ensuring Optimal Performance and Safety for All Vehicle Models. Every Kit Undergoes Rigorous Testing to Guarantee Reliability.

- Tailored branding and packaging options available.
- Committed to providing technical support and market insights.
- Comprehensive Coverage for timing system.
- Engineered with OE design and materials for safety.

Maojia is an official distributor of Michelin transmission system.

HOSE SERIES

Maojia is dedicated to delivering top-quality automotive hoses, meticulously crafted from premium materials to ensure durability and resilience. Serving as ideal OEM hose replacements, our products offer exceptional strength and resistance to environmental factors and temperature variations. With an extensive range covering over 5000 models, we provide a comprehensive one-stop solution for all your vehicle hose needs.

- Air Intake Hose
- Cooling Water Hose
- Air Conditioning Hose
- Turbocharger Hose
- Carbon Canister Oil Hose
- Brake Oil Hose
- Power Steering Oil Hose (High/Low Pressure)
- Radiator Hose
- Crankcase Vent Hose
- EGR Hose
- Supercharger Oil Hose
- Corrugated Hose

IGNITION SYSTEM

- Ignition Coil
 - Spark Plugs
 - Distributor
 - Ignition Control Module
 - Ignition Wires
 - Ignition Switch
-

Maojia's ignition system components cover a wide range of essential products, working together to provide your vehicle's engine with stable and reliable ignition for efficient operation. With extensive OE experience, we offer exceptional monthly new product development and reliable production capacity. We are dedicated to enhancing automotive performance and delivering excellent ignition solutions.

SENSOR SERIES

Maojia provides a comprehensive range of engine sensors, from knock to tire pressure sensors, tailored to diverse needs. Rigorously tested for precision and reliability, our automotive-grade sensors offer superior solutions for emissions control, fuel economy, and driveability. Backed by extensive OE experience, we are your best choice for high-quality engine sensors.

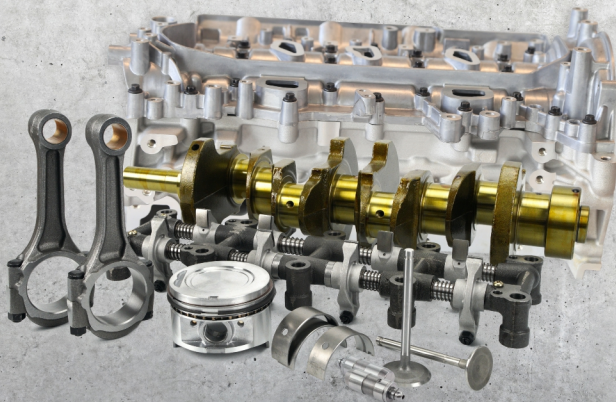

- Oxygen Sensor
- EGT Sensor
- Fuel Temperature Sensor
- Camshaft Position Sensor
- Throttle Position Sensor
- Oil Pressure Sensor
- Height Level Sensor
- Mileage Sensor
- Knock Sensor
- ABS Sensor
- Nox Sensor
- Air Temperature Sensor
- Coolant Temperature Sensor
- Crankshaft Position Sensor
- MAP Sensor
- Oil Level Sensor
- Tire Pressure Sensor
- MAF Sensor
- Transmission Sensor
- Pressure Differential Sensor

ENGINE PARTS

- Cylinder Head
- Camshaft
- Rocker Arm Assembly
- Main Bearing
- Flywheel
- Engine Valve
- Crankshaft
- Piston Assembly
- Valve Lifter
- Connecting Rod
- Manifold

We specialize in top-quality engine parts for passenger vehicles, commercial vehicles, and specialized equipment. From cylinder heads to crankshafts, our commitment to reliability and cutting-edge technology ensures that you receive the best. With a robust supply chain system and extensive experience partnering with global brands, our passionate and knowledgeable team is always ready to provide support and solutions. Your engine's performance is our priority.

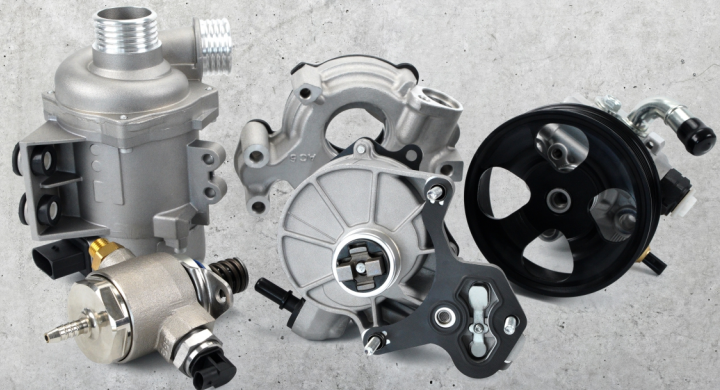

PUMP SERIES

Maojia Pump Series comprises meticulously crafted components vital for your vehicle's functionality. From maintaining proper engine temperatures with the Water Pump to delivering fuel efficiently with the Fuel Pump, our series ensures optimal vehicle operation.

We uphold stringent quality standards for all our pump components, prioritizing precision, durability, and reliability. Our product range is diverse, catering to various vehicle models and needs. Furthermore, we offer customized solutions to meet specific requirements.

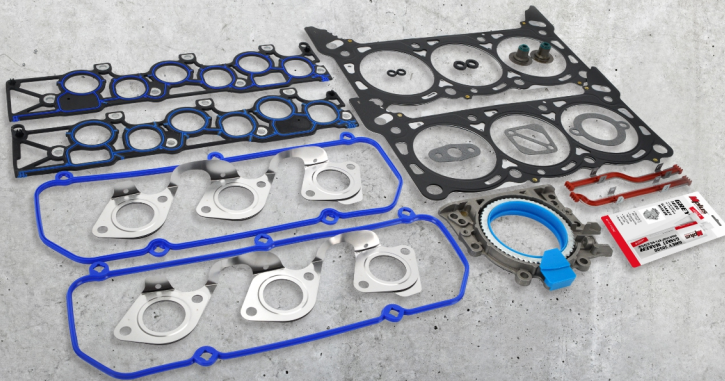

- Brake Master Cylinder
- Clutch Master Cylinder
- Mechanical Water Pump
- High-Pressure Fuel Pump
- Oil Pump
- Power Steering Pump
- Wheel Cylinder
- Clutch Slave Cylinder
- Electric Water Pump
- Fuel Pump
- Vacuum Pump

GASKET & SEALINGS

- Cylinder Head Gasket
- Valve Cover Gasket
- Intake & Exhaust Manifold Gasket
- Oil Pan Gasket
- Valve Steam Seals
- Crankshaft & Camshaft Seals
- RTV Silicone

Full gasket sets use high-quality durable materials and advanced technology, scientifically designed to meet the stringent requirements of today's professionals to ensure longer service life.

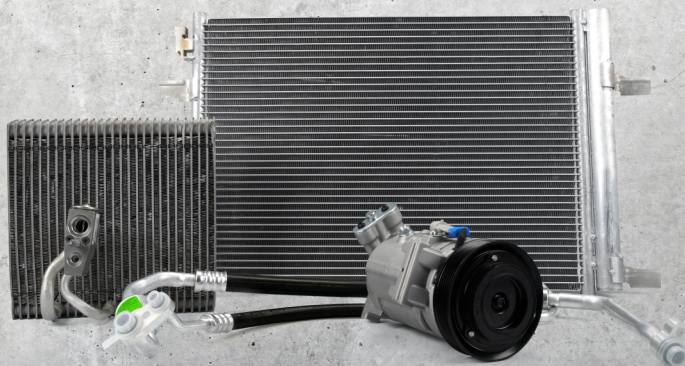

AIR CONDITIONING

SYSTEM

Step into the future of driving with enhanced comfort! Our system offers efficient cooling and heating, ensuring a year-round spring-like experience. Advanced energy-saving technology reduces consumption, providing sustainability. Enjoy peaceful drives with silent operation. Easy maintenance safeguards your driving health. Elevate your driving experience-experience the future!

- Compressor
- Expansion Valve
- Pipeline
- Air Conditioning Hose
- Condenser
- Evaporator
- Electronic Fan

CHASSIS

PARTS

- CV Joint
- Shock Absorber
- Spring
- Side Rod Assembly
- Tie Rod End
- Control Arm
- Bushing
- Wheel Hub
- CV Axle Assembly
- Strut Mount
- Ball Joint
- Axial Rod
- Center Link
- Stabilizer Link
- Steering Knuckle

Maojia Chassis parts offers exceptional quality and durability, meeting the demands of vehicles in diverse environments. Compliant with TS 16949 standards, our products have earned a reputation for reliability and sustained growth. We focus on specialization, addressing essential automotive needs, and providing a one-stop procurement experience, saving time and costs. Our products come with a two-year or 60,000 km warranty, ensuring your satisfaction. Experience excellence with Maojia Chassis Parts.
