

## ABOUT VENOL

Established in **2002** as a limited liability company nestled in Ladbergen, Northern Germany, **VENOL Motor Oil** has remained steadfast in its commitment to crafting premium lubricants and automotive chemistry solutions, all tailored to exceed the expectations of our valued clientele. To fulfill this pledge, we proudly introduced our array of **VENOL®** brand offerings in **2003**. Leveraging cutting-edge technologies in **2004**, we embarked on a journey of innovation, birthing a new generation of products that not only rivaled but surpassed the benchmarks set by industry titans in engine oils, automotive chemicals and cosmetics.

From 2010 to 2014, a comprehensive overhaul of our production facilities was undertaken, ensuring compliance with the most stringent quality standards.

From **2010** to **2014**, a comprehensive overhaul of our production facilities was undertaken, ensuring compliance with the most stringent quality standards.
