COMPANY PROFILE

CHANCE PARTS is a team of people working in truck spare parts more than 15 years. With the development of truck parts industry and technology in the last decade in China, we are also growing up with them. We save a wide and close purchase sources after years of cooperation with many truck parts

manufacturers. We continuously strive to source new products of high quality and extremely competitive prices to satisfy our wide range of customers throughout all around the world. We always find that middle and small foreign importers are hard to get high quality spare parts with

competitive prices from different manufacturers and coordinate to make shipment smoothly. Our target is to be more professional and efficient purchasing company for more worldwide customers, with our good idea about truck parts from China and our One-stop services.

CULTURE

OUR MISSION

Help middle and small foreign importers to get quality aftermarket products from professional manufacturers and make their purchase activity smoothly in China.

QUALITY

More than 90% of our suppliers passed IATF16949 certification, more than 15 years experience working together with our suppliers with our strict testing and inspection before shipment, sustain a warranty rate of below 0.5%.

OUR SUPPLIERS

Here at CHANCE PARTS, we look to our suppliers as partners. Important partners that we count on to protect our performance and the steadfast quality CHANCE PARTS is known for. This is why we work hard to provide you with the parts and services to improve your knowledge, more efficiently support your activities and foster a close and productive relationship with CHANCE PARTS.

OUR GLOBAL FRANCHISE PROGRAM

To enhance the image of China-made auto parts in the international market, CHANCE PARTS introduced its global franchise program in 2020. The franchisee receives strong training, marketing and technical support from CHANCE PARTS. Now, after two years, the CHANCE PARTS international network covers more than 15 countries.
