PRECISION

SKILLS

INNOVATION

# Table of Contents

- OUR COMPANY
- OUR SERVICES
- PRODUCT PORTFOLIO
- STRATEGY/PLANS

# WHO WE ARE?

- **AUTOMOTIVE SUPPLIER**
- **INDEPENDENT**
- **FAMILY OWNED**
- **PROFESSIONAL**
- **CUSTOMER ORIENTED**
- **INNOVATIVE**
- **COMMITTED TO QUALITY**

# Where we are?

TWO SITES:

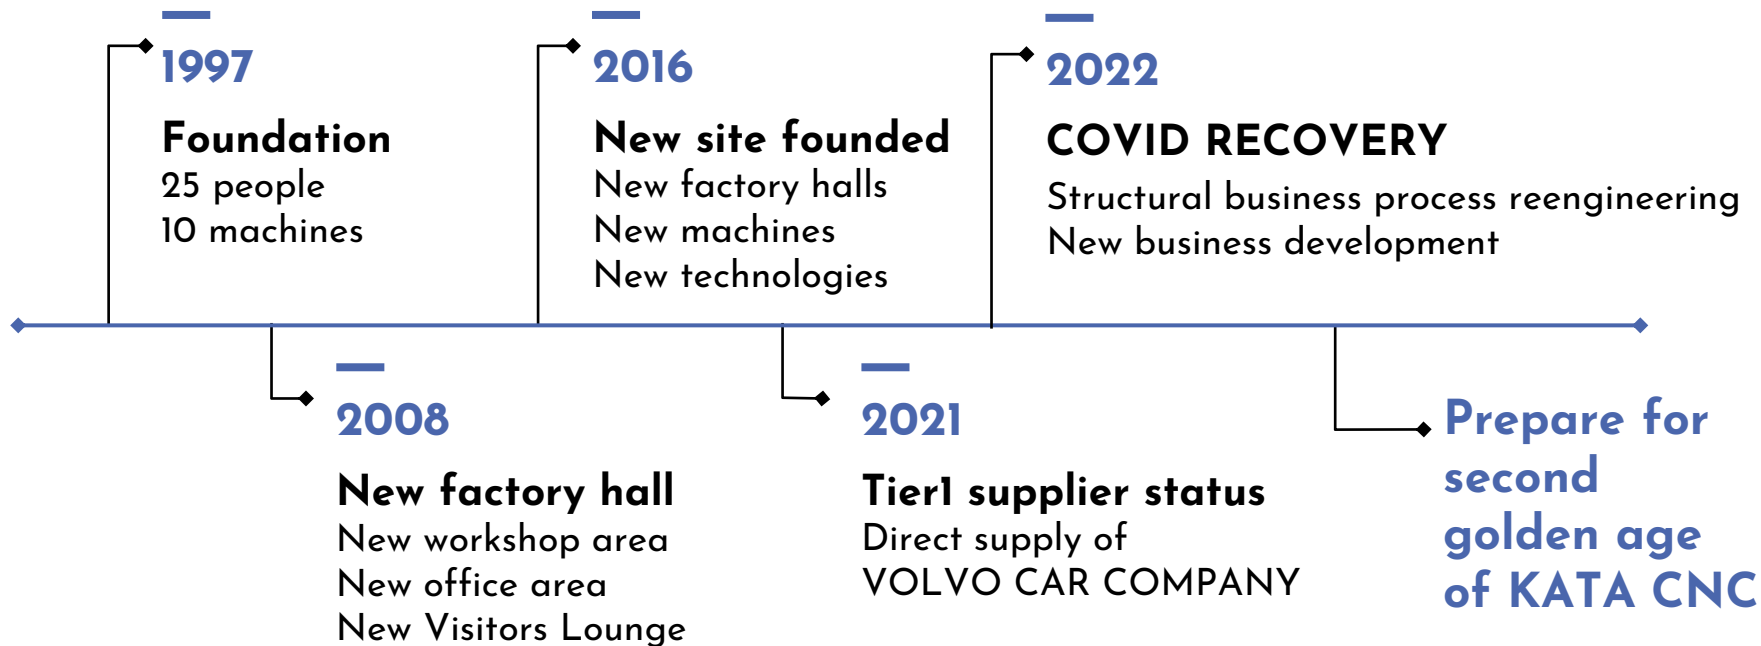

(60 km from Budapest)

- Szentlőrinc-káta
  - HQ
  - Technology
  - Quality
  - Production area
- Jászberény
  - Production area

# Our history

# Our philosophy

## Vision

As an independent automotive supplier, we **contribute to the safe and comfortable mobility of people**, according to our corporate slogan with  
„PRECISION  
SKILLS  
INNOVATION“

## Mission

- Support our partners in **constant growth**
- Being an **efficient, reliable, strategic partner**
- **Decisive CNC machining company** in automotive sector in CEU region

## Values

- Comitted to **quality**
- Striving **constant development**
- Open for **novelties**
- Responsible for **sustainability**
- **Manpower is a key** factor for our success
- **Family friendly** environment

# Our strengths

## Precision

Means for KÁTA

- in time,
- high quality,
- sophisticated operation and customer service.

It is a mentality, not only obligation.

## Skills

Means for KÁTA

- flexibility
- solution driven
- constant learning
- common sense with our partners

Means for KÁTA

- striving for new possibilities
- open communication
- Push our boundaries

# Facts & Figures

---

**>100**

CNC machines

---

**300**

Overall manpower

---

**>4.000**

Tons of raw material/year

---

**>100000**

Weekly delivered parts

# Machining background

---

- 70 pcs CNC Machining Centers
  - 3/4/5 AXIS machines
  - 1/2 spindles
  - Pallet changers
  - Common dimensions 400x400x400 mm
- 8 pcs CNC turning machines
  - Till dia 38mm
- 20 pcs of cutting machines
- 1 CNC sheet metal laser cutting machine
- 1 CNC tube laser cutting machine

# Delivery destinations

Europe

North-America

Central America

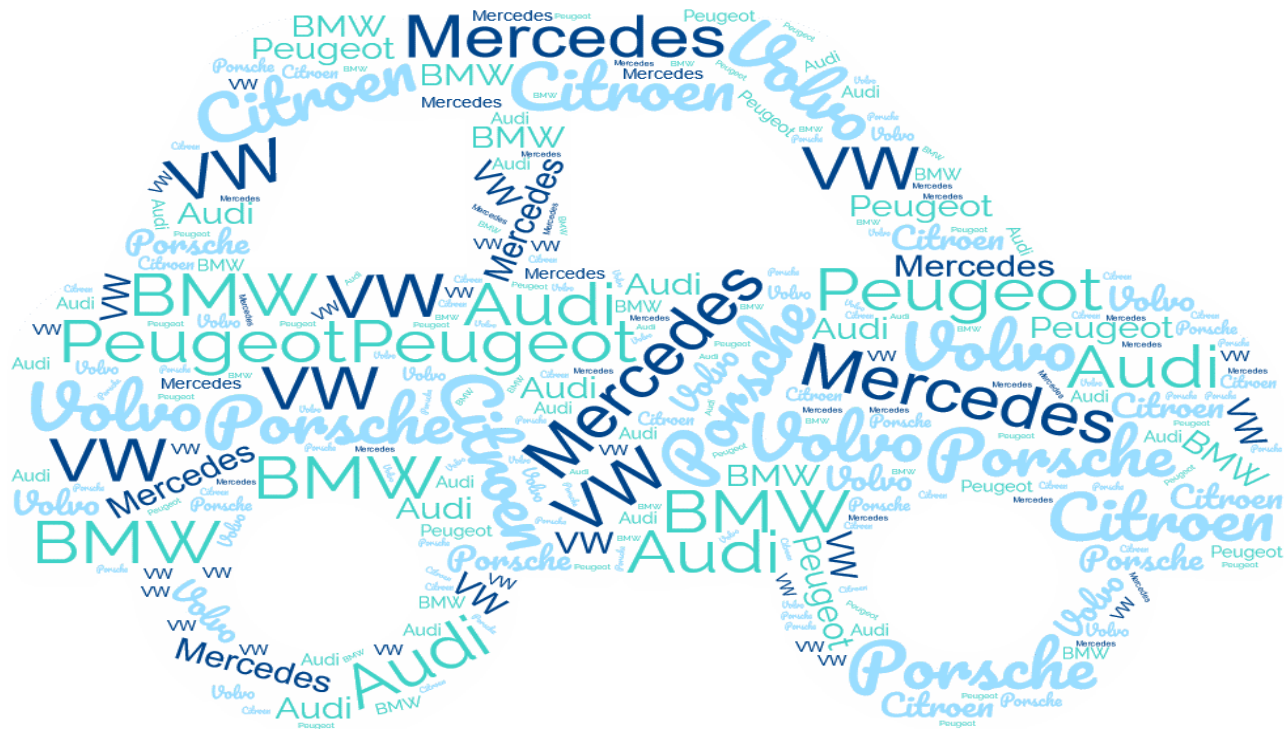

Africa

Asia

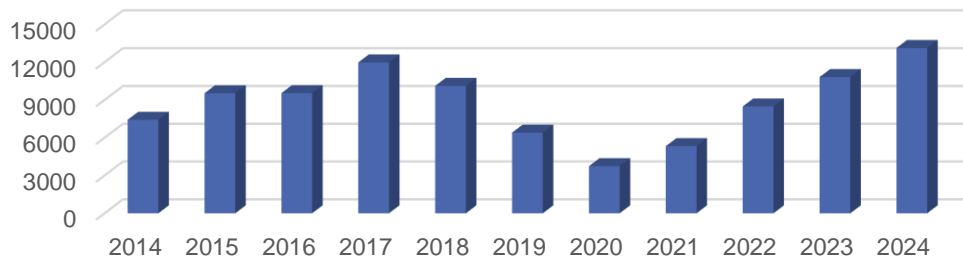

# Partners

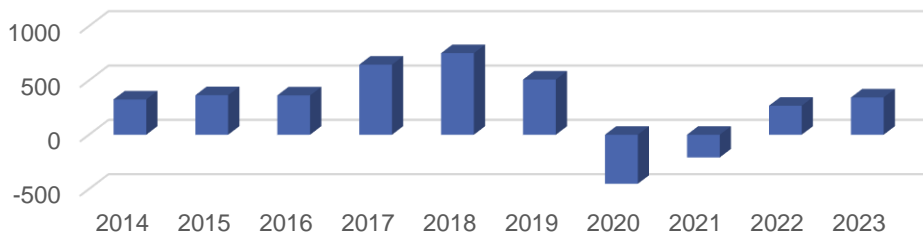

# Financial performance

Net sales volume Million HUF

EBIT Million HUF

## ANNUAL FIGURES

Data shows the commitment and strategy of management, always keep going and grow.

After a 2year long recovery period, due to COVID, KÁTA has already been on the path of growth as in the past.

# Our services

## Internal services

CNC turning activities

CNC milling activities

Laser cutting

CNC bending

Welding

Assembly

Washing

## External services

Heat treatments

Anodising treatments

KTL coating

Powder coating

Thread locking coatings

Castings

# Product portfolio

Flanges

Crash  
Management  
components

Roll Over  
Protection Systems  
Components

Fittings and hoses

CNC machined  
parts

Welding  
Assembly  
Washing

PROJECTS

# Investment plan

- Construction plans:
  - New factory halls acc. to project requirements
  - Sustainability (solar energy)
- Equipment
  - Automation (production, support, logistics)
  - CNC machine replacement program
  - CNC laser cutting/bending machines
  - Washing capabilities
  - Welding capabilities

# Thanks!
