Zhejiang Altertool Technology Incorporated

COMPANY PROFILE

ALERTOOL produces quality automotive products for vehicle after-sale service professionals.

As a manufacturer, ALERTOOL strives to provide our customers with the most cost-effective or customer service and quality products.

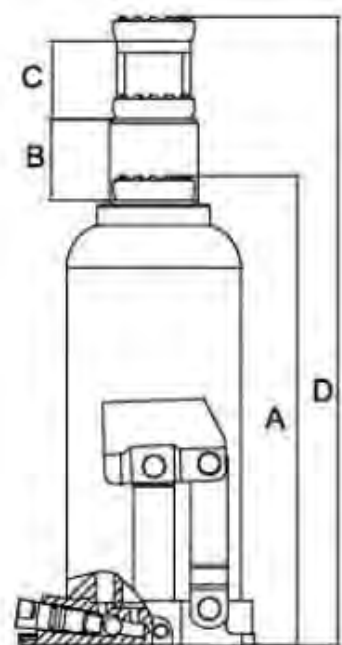

For many years we have been considered by people who throughout the garage industry as being the one of most professional manufacturer for car jacks, such as bottle jack, floor jack, scissor jack, jack stand, shop press, etc.

We provide the professional market as the same Efficient communication, Trustworthy products, Excellent responsibility, Better solution for vehicle after-sale buyers have trusted with over 20 years.

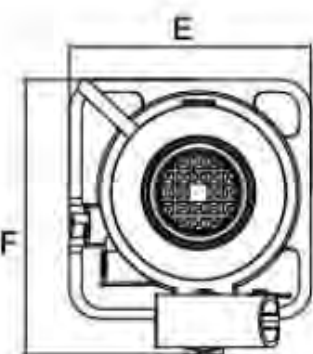

ISO Certified ISO 14001:2004,ISO/TS 16949:2009TUV/GS, CE, FCC.....

Welding Bottle Jack

PROFESSIONAL

Overall welding structure, avoid the traditional assembly jack seal ring damage oil leakage and other defects
Wide, rugged base provides stability and strength.
All critical stress points are reinforced for added durability and dependability.
Meet CE, ANSI/ASME2009 standards.
Ideal for auto, truck service, farm and shop use.

Double Rams Bottle Jack

Dual stage rams provides higher lifting range

Ideal for auto, truck service, farm and shop used

Adjustment height: Flexible height adjustment, pressure resistance and non-corrosive.

Top has non-slip setting, which increase the friction between the jack and vehicle.

Wide, rugged base adds stability and strength.

The splicable extended joystick saves time and effort.

Heavy Duty Vehicle Support Stand

This product works great with a variety of vehicles because it features adjustable height and three different contact adapters. This jack stand also features three spring loaded swivel casters, making it easy to move but stable when weight is applied on top.
