LÖGEL ;

1983 yılında kurulmuş olan firmamız makine sektörünün en başarılı örnekleri ile kurulduğu günden bu yana yapmış olduğu kaizen çalışmaları, stratejik hedefleri ve planlarıyla alt yapısını güçlendirerek müşteri memnuniyeti odaklı bir kuruluş olmayı başarmıştır. Bu yolda ilerlemeye devam etmektedir.

Geçmiş ve gelecek zaman arasında önemli başarıları imza atmıştır. Yeni projelerde yer alarak, ağır vasıta, hafif ticari, binek araç ve yarış tipi, disk balatalarını uzman kadrosu ile yapmış olduğu AR-GE çalışmaları doğrultusunda piyasaya sunmuştur.

2006 yılında başladığı AR-GE çalışmalarıyla çevreye duyarlı yeni formüller geliştirerek PWR markasını oluşturmuştur. PWR, kalite standartlarına ve global piyasaya uygun üretimi ile başarısını katlayarak bu sektörde devam etmektedir.

Lögel founded in 1983, has been producing silk screen printing, textile printing machines and CNC glass processing machines. Lögel has succeeded in significant achievements in the domestic and international markets. The works performed by in-house R&D department.

Lögel has aimed to reach new target and has started to produce friction materials. R&D started in 2006 and reached to target 2011. Lögel continue to test hundreds of friction material formulation to be the one of the leading company in the market. Lögel uses best technologies while manufacturing the friction materials. Lögel has the modern production factory in Gebze, which is the industrial center of Kocaeli very near to Istanbul.

Furthermore Lögel aims to fulfil permanent customer satisfaction with long lasting reliable warranty and superior quality as proven by ISO 9001. Lögel has started to export dozens of countries since 2011. We are looking for the new business opportunities to reach our new target.
