Spare parts for XPI series injectors

COMPANY PROFILE

Beijing Top Diesel Parts Co., Ltd. is a high-tech company with core independent intellectual property rights, and also foreign trade enterprise. Our technical team has been deeply engaged in the field of high pressure common rail fuel injection system for more than 15 years, and has obtained 6 invention patents and more than 20 utility model patents in this field. Based on industry-leading automatic assembly lines and various advanced production and inspection equipments, we can reach annual output of 600,000 pcs diesel high pressure common rail injectors.

Through tough experience as OE supplier to the world-leading engine manufacturers, the implementation of LP lean production and TQM total quality management, our products achieve excellent quality. At present, our company has passed ISO9001 quality management system certification, and is membership of China automobile industry association and American APRA association.

Besides 0445120 series and 0445110 series CR injectors, Denso series injectors, M11 series injectors, control valves and valve caps, we also produce XPI series injectors for CUMMINS/SCANIA, together with spare parts such as nozzle, long needle, solenoid, repair kit, etc.

OE APPLICATION

OE Supplier to the world-leading engine manufacturers
