

公司检测设备配备齐全，有效保障产品质量，检测设备有OBL直读光谱仪、3D扫描仪、拉力试验机、德国蔡司三坐标、磁粉探伤机、X光探伤机等理化检测实验室。

The company is fully equipped with testing equipment to effectively ensure product quality, including OBL spectrometer and 3D scanning Instrument, tensile tester, German ZEISS CMM, Magnetic particle flaw detector, X-ray flaw detector and other physical and chemical testing laboratory.
