

Electric Water Pump

- Commercial vehicles water pump
- Power range : 50W-450W
- DC12V/24V

OEM
supplier

CHANGSHA JIANKE ELECTRONICS CO., LTD.

Electric Water Pump

- Based on **OE** communication protocol
- Protocol: LIN/CAN/BSL/PWM

SENSOR

- Original chips ensure stability
- Reliable algorithms with accurate output

Camshaft Position Sensor

Oil Level Sensor

BLDC controller

- Power range: 20W-850W@12/24V
- Mass production in 2018

OEM supplier

Water pump
controller

Fan Controller

Fuel pump
controller

Ignition module

- No.1 in China
- Industry standards drafting

OEM supplier

Electric Water Pump

- Auxiliary water pump
- Based on **OE** communication protocol
- Power range : 20W-150W
