STICK LABEL Label Holder

STICK LABEL Label Holder

Function STICK LABEL enables you multiple labeling of bins or boxes in your logistics process. Simply apply the STICK LABEL to the location you prefer. Due to the special coating, labels and tags applied to the STICK LABEL can be removed residue-free any time.

Use Any packages such as plastic box, pallet, cart and rack.

Size Inches

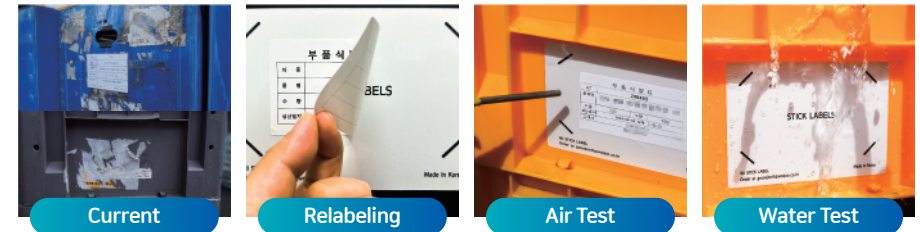

Width	4	5	6	6.5	7	8	10	14
Height	2	3	4	4.5	5	6	8	10

Centimeters

Width	10.2	12.7	15.3	16.6	17.8	20.4	25.4	35.6
Height	5.1	7.7	10.2	11.5	12.7	15.3	20.4	25.4

Benefits

- 01 No messy bond marks left after removing the existing label.
- 02 Easily attach and detach labels, reducing waste of time, money and manpower required to remove labels.
- 03 Reduce box repurchasing costs due to label marks and contamination.
- 04 Strong adhesion holds well even when exposed to rain, snow, wind, cleaning, and chemicals.
- 05 Same performance at a lower price than competitors (33% cost reduction)
- 06 You can customize the background color and logo insertion you want.

Delivery

Standard Size

2~3DAYS
after confirmed order

Customizing

Within
10~15days
after receipt of design file

Remarks Eco-friendly Products No Hazardous Material
Service Life : 1 Year
