Global Original Standard Wiper Blade

GSB - Spring Blade Beetle Adapter

Size	12"	13"	14"	15"	16"	17"	18"	19"	20"	21"	22"	23"	24"	26"	28"
------	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----

Low profile frame reduces wind lift and ensures consistent wiper pressure

1

Unique & SLIM wiper structure

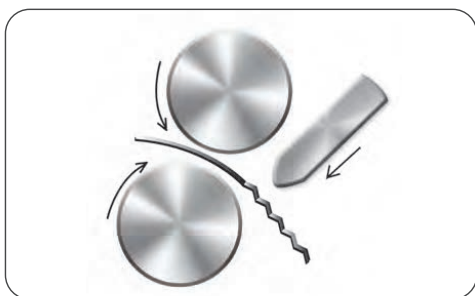

2

Patented point-bended rail spring ensures maximum windshield contact

3

Premium Japanese Fukoku Rubber (World's best rubber manufacturer)

4

Special Point Bending

Patented point-bended rail spring ensures maximum windshield contact
Hidden bending technology gives arm pressure over 70 pressure points

Global Original Standard Wiper Blade

GSB - Spring Blade Apache & Tail Adapter

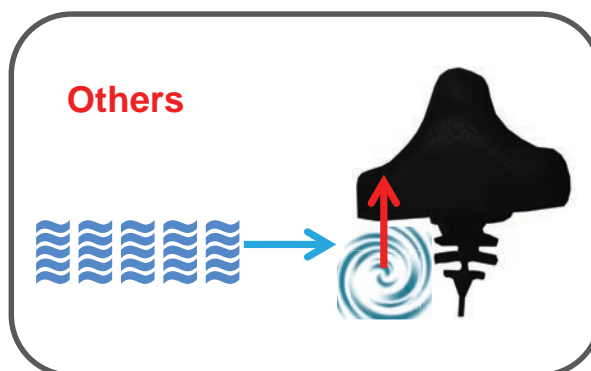

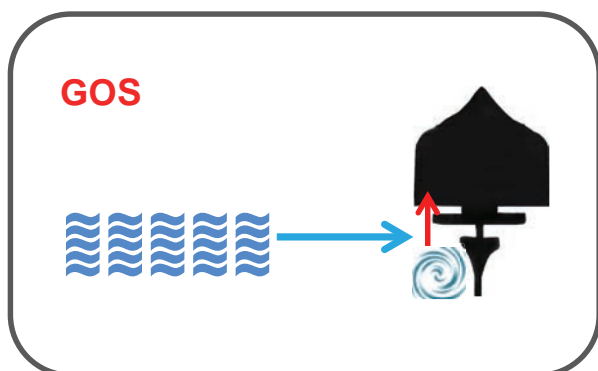

Size	12"	13"	14"	15"	16"	17"	18"	19"	20"	21"	22"	23"	24"	26"	28"
------	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----

GSB - Spring Blade Classic Adapter (U-Hook)

Size	12"	13"	14"	15"	16"	17"	18"	19"	20"	21"	22"	23"	24"	26"	28"
------	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----

GOS's Slimmest design is strong for Wind-lift.

Global Original Standard Wiper Blade

GUB - Hybrid Blade Classic Adapter (U-Hook)

Size	14"	16"	17"	18"	19"	20"	21"	22"	23"	24"	26"	28"
------	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----

The slimmest Hybrid wiper blade

1

500,000 cycles Superior Wipers

2

Multiple pressure arms to distribute
streak free wiping

3

Premium Fukoku Rubber (World's
Best Japanese Rubber Manufacturer)

4

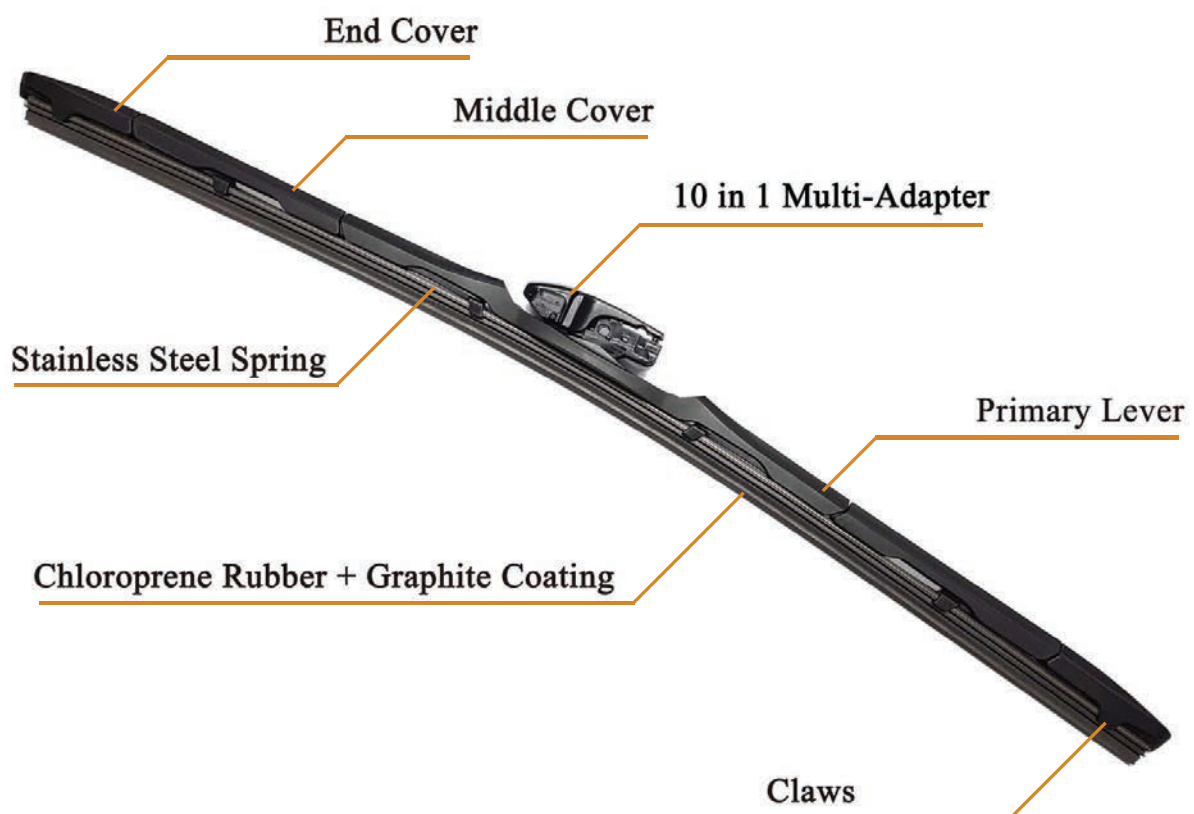

Global Original Standard Wiper Blade

GUB I, II - Hybrid Blade Apache + Tail

Size	14"	16"	17"	18"	19"	20"	21"	22"	23"	24"	26"	28"
------	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----

Global Original Standard Wiper Blade

GHB - Beam Blade

Additional flex joints ensure maximum windshield contact and even wiping pressure **1**

Most slim designed body with superior wiping performance **2**

Even wiping pressure along the full length provides longer durability **3**

Premium Fukoku Rubber (World's Best Japanese Rubber Manufacturer) **4**

The Number of Claws on Structure
