关于我们

About us

Ruian Jinzhou Auto Parts Factory was established in 1989 and is located in Wenzhou city, Zhejiang Province. We began to develop and produce ABS sensors in 2010. In 2014, it was restructured into Ruian Jinzhou Auto Parts Co., Ltd.

Our company is one of the ABS sensor manufacturers with complete product types and strong development ability. Jinzhou produces more than 3000 varieties of "JZ", "Mr. Jin" and "jinzhouABS" brand ABS sensors.

Through years of continuous research, our company has been able to develop and produce all kinds of ABS wheel speed sensors, and can meet the special needs of customers.
